God's Promise of Healing Rev. Paula A. Struble,2012-02 *A Dog's Gift* Bob Drury,2015-05-19 A decade ago former military counterintelligence officer Terry Henry joined his precocious young daughter Kyria on a trip to a nursing home in order to allow its residents to play with their family dog a golden retriever named Riley. Terry was astounded by the transformations that unfolded before his eyes. Soon after Terry and Kyria started their service dog organization paws4people with the goal of pairing dogs with human beings in need of healing including traumatized and wounded war veterans and children living with physical emotional and intellectual disabilities. In *A Dog's Gift* award winning journalist and author Bob Drury movingly captures the story of a year in the life of paws4people and the broken bodies and souls the organization mends. The book follows the journey of pups bred by the organization from their loving if rigorous early training to an emotional event that Terry and Kyria have christened the bump where each individual service dog chooses its new owner through an almost mystical connection that ignites the healing process incorporating vivid storytelling insights into canine wisdom history science and moving tales of personal transformation. *A Dog's Gift* is a story of miracles bound to be embraced by not only the 60 million Americans who own dogs but by anyone with a full heart and a loving soul **Mind** ,1905

Healing His Wounded Church John Black,2004-08 *Healing His Wounded Church* exposes the roots of the problems in the Catholic Church and brings fresh thinking to bear for laying the axe to those roots. It is plainspoken authentically Catholic and rich in content. Having a vision of healing come from the spiritual journey of a common layman provides new and innovative thinking. It serves a pressing need in today's Church. Couples have been led into sinful practices in their marriages. Two generations no longer know their Faith. Few understand the spiritual life and how to pray. This formation is presented with practical simplicity for clergy and lay apostles as well as for couples and families. It leans heavily on John Paul II's Theology of The Body and teachings on family and spiritual life. There are several deeply personal surprises included which are an inspiration. According to the author Catholic Culture has run aground and must rise from the ashes of Pagan Modernism spawned in a camp of death. The book calls for fidelity to Christ and to the teachings of his Church. Only the salve of Truth will heal His Wounded Church setting us free from sin and error **Beyond Medicine** Hans Holzer,2019-01-16 There is healing beyond medicine. Betty Dye housewife mother of several children and a psychic healer. In 1970 she treated James DePass who was suffering from nausea and stomach pains. Mrs Dye went into a trance diagnosed the trouble and put her hands on the patient. His pain vanished. Cecile Diamond age 14 suffered from inflammation of the brain. Rabbi Solomon Friedlander a spiritual healer placed an amulet in her hand and prayed. The next day she was able to leave the hospital. These cases and the many more in *Beyond Medicine* are all documented frequently by the use of medical statements taken before and after psychic healing has taken place. *Beyond Medicine* probes into a relatively unknown and little explored area of human activity healing and cutting into the cant of the medical establishment gives credibility to a group of remarkable
