Within this approach the post verbal NP is a recipient of a verbal force whether it is a subcategorized object or not and the verbal force being exerted onto the post verbal NP is responsible for bringing about the change as specified by the result phrase It is shown that many apparent puzzles posed by English resultatives are due to the complex interplay between the verb meaning and the constructional meaning or between the verb meaning and the semantics of the result phrase Thus the proposed account can provide answers to the question Which resultatives are possible and which are not in a coherent way Also the proposed account reveals that English resultatives are not a monolithic phenomenon and that some resultatives cited in the literature as such are not resultatives at all This book is of interest not only to practitioners of Construction Grammar but also to everyone interested in English resultatives Marie Dressler Betty Lee, 2013-12-06 American auteur Jeffrey Jacob J J Abrams s genius for creating densely plotted scripts has won him broad commercial and critical success in TV shows such as *Felicity* 1998 2002 Emmy nominated *Alias* 2001 2006 Emmy and Golden Globe winning *Lost* 2004 2010 and the critically acclaimed *Fringe* 2008 2013 In addition his direction in films such as *Cloverfield* 2008 *Super 8* 2011 and the new *Mission Impossible* and *Star Trek* films has left fans eagerly awaiting his revival of the *Star Wars* franchise As a writer director producer and composer Abrams seamlessly combines geek appeal with blockbuster intuition leaving a distinctive stamp on all of his work and establishing him as one of Tinsel Town s most influential visionaries In *The Philosophy of J J Abrams* editors Patricia L Brace and Robert Arp assemble the first collection of essays to highlight the philosophical insights of the Hollywood giant s successful career The filmmaker addresses a diverse range of themes in his onscreen pursuits including such issues as personal identity in an increasingly impersonal digitized world the morality of terrorism bioethics friendship family obligation and free will Utilizing Abrams s scope of work as a touchstone this comprehensive volume is a guide for fans as well as students of film media and culture *The Philosophy of J J Abrams* is a significant contribution to popular culture scholarship drawing attention to the mind behind some of the most provocative television and movie plots of our day World War I Sheet Music Bernard S. Empowerment through Multicultural Education Christine E. Sleeter, 1991-01-01 This book reframes questions about student diversity by probing the extent to which society serves the interests of all and by examining the empowerment of members of oppressed groups to direct social change It examines the empowerment of children who are members of

oppressed racial groups lower class and female based on the ideas of multicultural education A series of ethnographic studies illustrates how such young people view their world their power to affect it in their own interests and their response to what is usually a growing sense of powerlessness as they mature The authors also conceptualize contributions of multicultural education to empowering young people and report investigations of multicultural education projects educators have used for student empowerment Issues in teacher education are also discussed *Pulp Fiction to Film Noir* William Hare,2014-01-10 During the Great Depression pulp fiction writers created a new distinctly American detective story one that stressed the development of fascinating often bizarre characters rather than the twists and turns of clever plots This new crime fiction adapted brilliantly to the screen birthing a cinematic genre that French cinema intellectuals following World War II christened film noir Set on dark streets late at night in cheap hotels and bars and populated by the dangerous people who frequented these locales these films introduced a new antihero a tough brooding rebellious loner embodied by Humphrey Bogart as Sam Spade in *The Maltese Falcon* and Philip Marlowe in *The Big Sleep* This volume provides a detailed exploration of film noir tracing its evolution the influence of such legendary writers as Dashiell Hammett and Raymond Chandler and the films that propelled this dark genre to popularity in the mid 20th century **Catalog of Copyright Entries** ,1945 **Faith Horror** LMK Sheppard,2022-03-22 Faith horror refers to a significant outcropping of mid 1960s and 1970s films and adaptative novels that depict non Christian communities of evil doers and their activities Before this period the classical horror villain was ultimately ineffectual The demonic monster was an isolated lone individual easily vanquished by an altruistic Christian protagonist Alternatively the villain in faith horror is organized into identity affirming likeminded religious congregations that successfully overcome protagonists Faith horror was a cinematic trend that depicted Satanism witchcraft and paganism during a cultural deliberation over the Death of God which debated the legitimacy of alternative spiritualities and the value of alliance to any faith at all Covering popular works like *Rosemary's Baby* *The Wicker Man* and *The Omen* this book regards these films and their literary sources in relation to this historical moment providing new ways of understanding both the period and the faith horror movement more generally **Nixon, Ford and the Abandonment of South Vietnam** J. Edward Lee,H.C. "Toby" Haynsworth,2015-10-03 South Vietnam fell because of events occurring thousands of miles away from the battlefields in China the Soviet Union Latin America the Middle East and Washington's corridors of power along protest lines and around America's dinner tables These other wars being fought by American presidents Richard Nixon and Gerald Ford profoundly impacted what happened in Vietnam This work examines those other conflicts and the political social and economic factors involved with them that distracted and crippled the presidencies of Richard Nixon and Gerald Ford and led to the eventual abandonment of the U S supported South Vietnamese regime Nixon entered office with the goal of bringing the world together but saw that goal ruined by the 1973 war in the Middle East preoccupations with China and the Soviet Union a weak economy Watergate and his disgraceful exit from the White House Ford's presidency was tainted almost

from the beginning because of the pardon he granted to Nixon but the American public tired of war and concerned about the economy was ready to hear that the war had come to an end An argument is presented that the war could have been won if the other wars had been fought by presidents willing to honor the American commitment to its allies in South Vietnam
