Those who could not resist the temptation of being God took the fate of the world into their own hands and shaped it in their own image. We were born for them, we were educated for them, we lived for them and we died for them. When they talked about freedom, they were actually talking about slavery. We were slaves, willing slaves until we became useless eaters. They kept us alive as long as we were useful to them. When we became old, they let us out to graze on the poisonous grass. Those who resisted them were destroyed, declared insane, unfit, the worst enemies.
