Goon Show :

Hello Again Simon Elmes,2012-11-15 It s now ninety years since the BBC made its first broadcast and the British love affair with radio began This book is a journey through that fascinating history and a celebration of the many wonderful voices that were part of it Marion Cran who pioneered the first gardening programme in the 1920s The Goons and Kenneth Horne comedy greats of the 1950s John Peel Alan Freeman Kenny Everett and other heroes of the pirate stations all the way up to Eddie Mair Fi Glover and Danny Baker the much loved voices of today A delightful blend of insight history and nostalgia Hello Again will appeal to any radio aficionado *Satire Evolution* Michael Davis,AI,2025-03-29 Satire Evolution explores satire s journey as a potent tool for social critique and political commentary from ancient times to the digital age Satire often seen as mere humor has significantly shaped public opinion and challenged norms throughout history For example political cartoons during the Enlightenment used exaggeration to expose corruption much like modern day internet memes satirize current events The book highlights how satire adapts to different historical and technological landscapes influencing political discourse and even driving social change Beginning with ancient examples the narrative progresses through the medieval and Renaissance periods focusing on the rise of political cartoons and television satire and culminating in an analysis of social media s role in contemporary satire It presents satire not just as a reflection of society but as an active force that provokes critical thinking incorporating primary texts historical documents and media analysis to support its arguments Ultimately this book offers a unique perspective on how satire has evolved providing readers with the tools to critically analyze its messages and evaluate its impact on our world The study connects to the influence of media history and politics

Encyclopedia of British Humorists Steven H. Gale,1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company **It's All In The Mind** Julie Warren,2020-04-16 British popular culture would probably be very different had Larry Stephens not been born We could now be living in a world without the Carry On films or Monty Python and we may never have heard of Tony Hancock Peter Sellers or Spike Milligan Stephens promising career as a jazz pianist was interrupted by the war and after serving as an officer with the commandos he moved to London and struck up a friendship with Tony Hancock becoming the sole writer of his stage material Hancock introduced him to Peter Sellers Harry Secombe Spike Milligan and Michael Bentine and together they created The Goon Show arguably the world s most influential comedy programme As one of the main writers throughout its nine year run Stephens experiences and acquaintances became themes and characters within the show For the first time the life and work of this unsung hero of British comedy has been thoroughly explored Using unrivalled access to Larry Stephens personal archive of letters photographs and artwork plus interviews with Stephens many notable friends family members comrades and colleagues It s All In The Mind tells the story of a boy from the Black Country whose short life had an enduring impact **Love Me Do** Paolo Hewitt,2012-09-27 Love Me Do tells the story of the Beatles by highlighting and then examining in detail fifty significant events in their amazing career

Taking a completely new approach to the band Paolo Hewitt creates one of the great Beatle biographies in time for the 50th anniversary of the release of the band's first single Using huge amounts of research and personal insight Paolo Hewitt will take the reader on a rollercoaster ride from little known moments such as the Beatles audition to be Billy Fury's backing band the band's early recording of That'll be the Day and George Harrison being deported from Hamburg to more famous moments such as the band's stint at The Cavern their 1969 rooftop gig and the making of the Sgt Pepper album Beginning with the formation of the Beatles in the late 1950s and concluding with the band's reformation in 1996 when Paul McCartney George Harrison and Ringo Starr recorded and released two of John Lennon's songs this book traces how the Beatles influenced their generation and countless others since

The Life and Death of Peter Sellers Roger Lewis, 2025-07-17 A fascinating tragic and instructive story vividly told Sunday Telegraph Roger Lewis in his no holds barred biography exposes a Peter Sellers the world little knows Recognized as the greatest British comic since Charlie Chaplin Sellers was the grand master of fifty five films from Dr Strangelove to Being There and the Pink Panther hits But shadowing his phenomenal career was a history of increasingly bizarre behaviour involving psychotic violence compulsive promiscuity drug abuse and humiliating self destructive obsessions with people including Princess Margaret Sophia Loren Liza Minnelli and each of his four wives Ann Hayes Britt Ekland Miranda Quarry and Lynne Frederick He alternately showered his wives and children with gifts and then threatened to kill them Sellers fluidity as an actor made for a terrifying madness that grew like a slow metastasizing cancer throughout his adult life The Life and Death of Peter Sellers concludes with his premature death at the age of 54 sick at heart and alone in those sunless hotel rooms so recoiled from intimacy that no one really knew him anymore PRAISE FOR THE LIFE AND DEATH OF PETER SELLERS It is a mad book but then the subject is a madman I love Lewis's passion I recommend it Sunday Times Reinventing the genre as well as reassessing its subject with formidable intelligence this book is a remarkable achievement Literary Review

Jokes and the Linguistic Mind Debra Aarons, 2012-02-27 Through the lens of cognitive science Jokes and the Linguistic Mind investigates jokes that play on some aspect of the structure and function of language In so doing Debra Aarons shows that these linguistic jokes can evoke our tacit knowledge of the language we use Analyzing hilarious examples from movies plays and books Jokes and the Linguistic Mind demonstrates that tacit linguistic knowledge must become conscious for linguistic jokes to be understood The book examines jokes that exploit pragmatic semantic morphological phonological and semantic features of language as well as jokes that use more than one language and jokes that are about language itself With its use of jokes as data and its highly accessible explanations of complex linguistic concepts this book is an engaging supplementary text for introductory courses in linguistics psycholinguistics and cognitive science

Burning the Box of Beautiful Things Alex Seago, 1995 Alex Seago's book has been inspired by his desire to understand and discover the origins of postmodern culture in Britain One of the main points of his study is that it was art and design students who were among the first to be aware of and to articulate social implications of

postmodern culture Arguing that postwar art schools provided a vital crucible for the development of a particularly English cultural sensibility he focuses on cultural change at the Royal College of Art London during the 1950s and 1960s The students attack on the English box of beautiful things a term used by a former student to describe the neo Romantic neo Victorian highly decorated tastes of some RCA tutors took several forms which eventually resulted in the Pop Art produced by the 1959 62 generation Boshier Phillips Jones Hockney et al Alex Seago traces the emergence of English postmodernism through the pages of ARK The Journal of the Royal College of Art interviewing ARK s editors art editors and contributors including Len Deighton novelist and art editor of ARK 10 Clifford Hatts student at the RCA 1946 8 and later head of the Design Group BBC Peter Blake RCA Painting School 1953 6 Robyn Denny RCA Painting School 1954 7 ARK s object of enquiry remained the elusive but necessary relationships between the arts and the social context throughout its twenty five year history making it a valuable archive for the cultural historian in its most memorable issues ARK s layouts complemented the contents to produce distillations of the energy and enthusiasm of the period under review *Goon Show Compendium*, 2013-11-07 The Real Peter Sellers Andrew Norman, 2022-01-12 Throughout the world people regard Peter Sellers purely as a comedic genius surely one of the greatest ever to have lived But the astute observer will notice that he always appeared to be acting even when being interviewed So who was Peter Sellers Sellers once said I could never be myself you see There is no Me I do not exist There used to be me but I had it surgically removed Clearly this was not intended to be taken literally Instead the inference is that somehow he had lost his sense of identity To discover the real Peter Sellers is no easy task and when we do what we encounter is a totally different persona from the comedic characters that he portrayed on the screen Sellers had celebrity status a succession of beautiful wives immense wealth magnificent motor cars expensive yachts a house in Mayfair and various palatial residences But far from being happy he was plagued by self doubt ambitious but never satisfied And so he resorted to superstition clairvoyance and drugs to get himself through the day For all Sellers worldwide fame as Inspector Clouseau many regard the film Being There in which he played the character Chance a gardener as his masterpiece In fact the film was a damning indictment of the false god of materialism Sellers obsession with the character of Chance makes it seem likely that this was the kind of person he aspired to be and wished that he had been **Spike Milligan** Pauline Scudamore, 2003-02-08 The biography of Spike Milligan one of the most gifted creative individuals of our time and remembered as a true comic genius However many people are unaware that he battled throughout his adult life against anxiety and depression neither of which he was able to conquer **Spike Milligan's Accordion** Rick Cousins, 2016-10-11 It s all rather confusing really was one of the catchphrases used by Spike Milligan in his ground breaking radio comedy program The Goon Show In a series of mock epics broadcast over the course of a decade Milligan treated listeners to a cosmology governed by confusion contradictions fluidity and uncertainty In The Goon Show s universe time and space expand and contract seemingly at will and without notice The worldview featured in The Goon Show looked both

backward and forward backward in the sense that it paralleled strategies used by schoolchildren to understand time and space forward in the ways it anticipated and prefigured a number of key features of postmodern thought Winner of the Ann Saddlemyer Award 2017 of the Canadian Association for Theatre Research **A Dictionary of Catch Phrases** Eric Partridge, 2003-09-02 An abridged version of Eric Partridge's Dictionary of Catch Phrases concentrating on those phrases in current use in the English speaking world *"Don't Forget The Pierrots!"
