Gospel Truth:

That's Good News Shane L. Bishop, 2023-02-14 That's Good News is a practical guide to evangelism for the everyday Christian not having all the answers special training or seminary degree required *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954*, 2003 Most Evil Is Done by Good People Who Do Not Know That They Are Not Good Ferd L. Wagner, 2010-05 This book takes the view that Christian truth is the basis for all answers to social issues and that there are not two opposing but equal answers within Christian truth that are equally valid and equally acceptable to God Any so called truth or right that circumvents or undercuts the required sacrifices disciplines and self denial demanded by God in any given social or moral issue ceases to be truth ceases to be right the moment it becomes a force unto itself outside of or independent of the Scripturally required obedience Human history has shown over the millennia that when the letter and spirit of God's laws are not obeyed the truth is abused nations become confused and people are used Many of our political and social issues are rooted in our misplaced belief that tolerance inclusion equal respect for unequal truth and live and let live is the way to greater peace and prosperity They are all wrong Each individual government and nation is judged by their response to Christ The Christian nation or one which ascribes to being one is tasked to set the Christian standard as every nation's point of reference It is the Christian's duty to show that the valid rule of God's law the letter of God's law and the spirit of God's law are superior to any other alternative standard The biggest obstacle to Christianity today is the undisciplined misinformed and unfaithful lifestyles of professing Christians The Church has become so indoctrinated in its aversion to any form of discrimination that it has placed a higher priority on keeping the peace by compromising than by keeping the truth by discriminating By accepting a false peace and rejecting a hard truth that resists compromise it begets neither peace nor truth *Telling the Truth* D. A. Carson, 2009-09-01 A pre modern baseball umpire would have said something like this There's balls and there's strikes and I call em as they are The modernist would have said There's balls and there's strikes and I call em as I see em And the postmodernist umpire would say They ain't nothing until I call em With that humorous quote Ravi Zacharias illustrates the challenge postmodernism poses to Christians passionate about evangelism How do you communicate truth to a world that isn't sure what truth is or even if truth is How do you commend spiritual absolutes to people who insist there are none If you've puzzled even struggled over such questions the book you hold in your hands is required reading *Telling the Truth* provides informed insights on the heart of the Gospel the soul of postmodern culture and their complex interface This book is a compilation of thoughts and strategies from twenty nine prominent practitioners of contemporary evangelism Originating at a three day conference held at Trinity Evangelical Divinity School *Telling the Truth* draws on knowledge gained in the trenches by Ravi Zacharias Kelly Monroe D A Carson Ajith Fernando and other notables It will open your eyes to how the contest for souls is fought guerilla style at a multitude of fronts relationships the university ethnicity reason and emotion the pulpit communications in short the

broad spectrum of human experience and values You ll be challenged to discern between the unchanging Gospel and the flexible means by which we communicate it Telling the Truth can help you lay the groundwork necessary to point biblically uninformed postmodern men and women toward an encounter with non negotiable truth an absolute revealed in the Bible that points to the reality of sin and the need for a Savior

Gospel and Culture: Finding Ways To Engage The Culture With God's Enduring Message of Hope Michael Gunn,2018-11-18 How has the culture affected the gospel of Jesus Christ and how has that affected the witness of the church in the 21st century This book intends to address those questions and then work toward a healthy correction to recapture the truth of the gospel and the glory of God and help people engage the culture instead of separating from it

Ireland,2015-06-01 How do evangelism and social concern relate to one another in the mission of the church How should the Old Testament s emphasis on social justice inform the praxis of modern believers Does the Bible emphasize individual salvation or does it teach a broader more inclusive concept Theologians missiologists pastors and educators have wrestled with these questions for centuries But especially since the early part of the twentieth century this debate has increasingly become a point of contention among evangelical Christians with few indications that a consensus may soon be forthcoming Yet few have offered so thorough an answer to these questions as has Carl F H Henry Henry s regenerative model of evangelism and social concern stands on the shoulders of Augustine and many others and offers what may be the best way forward This book explores Henry s thoughts on this subject and sets him in dialogue with numerous others who have written on these topics Thus it will prove a valuable resource for all interested in this topic
