

# MY GOSPEL STANDARDS

I will follow Heavenly Father's plan for me.

I will remember my baptismal covenant and listen to the Holy Ghost.

I will choose the right.

I know I can repent when I make a mistake.

I will be honest with Heavenly Father, others, and myself.

I will use the names of Heavenly Father and Jesus Christ reverently. I will not swear or use crude words.

I will do those things on the Sabbath that will help me feel close to Heavenly Father and Jesus Christ.

I will honor my parents and do my part to strengthen my family.

I will keep my mind and body sacred and pure, and

I will not partake of things that are harmful to me.

I will dress modestly to show respect for Heavenly Father and myself.

I will only read and watch things that are pleasing to Heavenly Father.

I will only listen to music that is pleasing to Heavenly Father.

I will seek good friends and treat others kindly.

I will live now to be worthy to go to the temple and do my part to have an eternal family.

## I AM A CHILD OF GOD

*I know Heavenly Father loves me, and I love Him.  
I can pray to Heavenly Father anytime, anywhere.  
I am trying to remember and follow Jesus Christ.*

Grant**, 2015-01-28 Harold B Lee eleventh President of the Church and an Apostle for over three decades bore humble witness from a full heart that God lives that Jesus is the Redeemer of the world With conviction born of years of service he said My humble prayer is that all men everywhere may understand more fully the significance of the atonement of the Savior of all mankind who has given us the plan of salvation which will lead us into eternal life where God and Christ dwell The journey home to our Father in Heaven was a central focus of President Lee's teachings to the members of the Church He exhorted each of Heavenly Father's children to gain for himself that unshakable testimony which will place his feet firmly on the pathway which leads surely toward the glorious goal of immortality and eternal life The most important message that I can give to you and to all the world is to keep the commandments of God said President Lee for thereby you can qualify yourselves to receive divine guidance while you live here on the earth and in the world that lies ahead be prepared to meet your Redeemer and to gain your exaltation in the presence of the Father and the Son The First Presidency and Quorum of the Twelve Apostles have established the series Teachings of Presidents of the Church to help Church members deepen their understanding of gospel doctrines and draw closer to Jesus Christ through the teachings of the prophets in this dispensation This book features the teachings of President Harold B Lee who said The laws of God given to mankind are embodied in the gospel plan and the Church of Jesus Christ is made responsible for teaching these laws to the world Let there be burned into your souls those lessons that shall keep you always with your eye fixed upon the eternal goal so that you won't fail in life's mission so that whether your life be short or long you shall be prepared when the day comes to go into the presence of Him whose name you bear as a member of the Church of Jesus Christ in these latter days Each chapter in this book includes four sections 1 a question that briefly introduces the focus of the chapter 2 the Introduction which illustrates the messages of the chapter with a story or counsel from President Lee 3 Teachings of Harold B Lee which presents important doctrines from his many messages and sermons and 4 Suggestions for Study and Discussion which encourages personal review and inquiry further discussion and application to our lives today through questions      **Our Methodist Standards and Heritage** David M. regardless of denomination They cover the General Rules that governed the behavior of Methodists before the establishment of any Methodist church These rules were actually an evangelistic tool that demonstrated our need for the grace of God The second part explains how the Articles of Religion are an expression of basic Protestant Christian beliefs and how they still apply today The last section begins by describing distinctive Methodist doctrines found in the Other Beliefs Finally Southern Methodist particulars are articulated and discussed

Stanley R. McDaniel,2024-05-23 Servanthood of Song is a history of American church music from the colonial era to the present Its focus is on the institutional and societal pressures that have shaped church song and have led us directly to where we are today The gulf which separates advocates of traditional and contemporary worship Black and White Protestant and Catholic is not new History repeatedly shows us that ministry to be effective must meet the needs of the entire worshipping community not just one segment age group or class Servanthood of Song provides a historical context for trends in contemporary worship in the United States and suggests that the current polemical divisions between advocates of contemporary and traditional classically oriented church music are both unnecessary and counterproductive It also draws from history to show that to be the powerful component of worship it can be music whatever the genre must be viewed as a ministry with training appropriate to that Servanthood of Song provides a critical resource for anyone considering a career in either musical or pastoral ministries in the American church as well as all who care passionately about vital and authentic worship for the church of today      **Seeing Things** Mason Kamana Allred,2023-02-14 In this theoretically rich work Mason
