Gotama Buddha Kenneth James Saunders,1920 **Gotama Buddha** Kenneth James Saunders,1922 *Gotama Buddha* Kenneth J. Saunders,2015-06-02 Excerpt from *Gotama Buddha A Biography Based on the Canonical Books of the Theravadin* The style carries the thought with limpid ease and at times ripples with genial humor Attention is purposely focused upon the life of Gotama with only incidental references to the Teaching and the Order but fortunately these subjects are fully set forth in Mr Saunders's earlier studies *The Story of Buddhism* and *Buddhist Ideals* as well as in many standard works Buddhism has well nigh died out in Gotama's own country and the forms which prevail in Tibet China Korea and Japan would hardly be recognized by the founder himself Yet his example and teaching however distorted are the nucleus around which all the later encrustations have formed Just as the Christian Church has dug down through the layers of scholastic dialectic and replanted its pillars on Christ so it is not inconceivable that even Northern Buddhism may rediscover its founder and cry Back to Gotama Buddha It was a Japanese disciple of Gotama who called him a king of the spiritual in the mask of beggary and it is to be hoped that this volume will find readers also in Japan for although there are several lives of Buddha written in Japanese no one of them so happily as this combines a popular presentation with the results of recent historical criticism Although Mr Saunders discloses warm admiration for Gotama's character as a faithful friend he points out his shortcomings and his fatal inability to rise above the limitations of his age It would seem that Gotama himself realized to some degree his own limitations Like other prophetic souls he looked for the coming of a Buddha greater than himself who should be called Maitri Mr Saunders's fine poem *St Francis and Gotama* shows true insight when it represents Gotama as joyfully recognizing that in Christ his highest hopes regarding Maitri had been fully realized Mr Saunders might well have called his work *The Gotama of History* for it is not an unworthy companion to Doctor Glover's notable volume on *One greater than Gotama* Christian readers will not be surprised to find that Mr Saunders's exhaustive and appreciative study of Gotama seems to have heightened his supreme devotion to Jesus Christ About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Gotama Buddha Volume Two* Hajime Nakamura,2000 This second volume in a two volume set traces the Buddha's final journey from Rajagaha toward his birthplace of Kapilavatthu detailing the many events of the Buddha's death and discussing the beginnings of his deification
