Covering Texas themes and universal ones this collection showcases often overlooked literary talents to bring to life inspiring facets of black theatre history. Capturing the intensity of racial violence in Texas from the Battle of San Jacinto to a World War I era riot at a Houston training ground Celeste Bedford Walker's *Camp Logan* and Ted Shine's *Ancestors* provide fascinating narratives through the lens of history. Thomas Meloncon's *Johnny B Goode* and George Hawkins's *Br'er Rabbit* explore the cultural legacies of blues music and folktales. Three unflinching dramas Sterling Houston's *Driving Wheel* Eugene Lee's *Killingsworth* and Elizabeth Brown Guillory's *When the Ancestors Call* examine homosexuality a death in the family and child abuse bringing to light the private tensions of intersections between the individual and the community. Supplemented by a chronology of black literary milestones as well as a playwrights canon *Acting Up and Getting Down* puts the spotlight on creative achievements that have for too long been excluded from Texas letters. The resulting anthology not only provides new insight into a regional experience but also completes the American story as told onstage.

Down and Out in Paradise Charles Leerhsen, 2022-10-11 The bestselling unvarnished The New York Times engrossing The Guardian gritty well researched The Economist and definitely unauthorized biography of the celebrity chef and TV star Anthony Bourdain based on extensive interviews with those who knew the real story. Anthony Bourdain's death by suicide in June 2018 shocked people around the world. Bourdain seemed to have it all an irresistible personality a dream job a beautiful family and international fame. The reality though was more complicated than it seemed. Bourdain became a

celebrity with his bestselling book *Kitchen Confidential*. He parlayed it into a series of hit television shows including the Food Channel's *Anthony Bourdain: No Reservations* and CNN's *Parts Unknown*. But his bad boy charisma belied a troubled spirit. Addiction and an obsession with perfection and personal integrity ruined two marriages and turned him into a boss from hell. Even as millions of fans became enamored of the quick-witted and genuinely empathetic traveler they saw on TV, at the height of his success Bourdain was already running out of steam physically and emotionally when he fell hard for an Italian actress who could be even colder to him than he sometimes was to others and who effectively drove a wedge between him and his young daughter. *Down and Out in Paradise* is the first book to tell the full Bourdain story and to show how Bourdain's never-before-reported childhood traumas fueled both the creativity and insecurities that would lead him to a place of despair. Filled with fresh intimate details, *The New York Times* calls this the real story behind an extraordinary life. *All the Dead Lie Down* Mary Willis Walker, 2010-01-13 When crime reporter Molly Cates's father died more than twenty-five years ago, the case was ruled a suicide and Molly's efforts to prove otherwise led to nothing but anguish and the breakup of her family. But now new information has come her way and she reopens the investigation and a rush of old wounds with a vengeance. Soon the personal becomes dangerously political as Molly's search for the truth leads her from the stately halls of Texas government to the mean streets of Austin's down-and-out and ultimately to a moral dilemma she never could have anticipated.
