Gottfried Kinkel As Political Social

Heléna Tóth

Gottfried Kinkel As Political Social:

Gottfried Kinkel as Political and Social Thinker Alfred Robert Willy De Jonge, 1926 **Gottfried Kinkel as Political and Social Thinker** Alfred Robert Willy De Jonge, 1926 **Gottfried Kinkel as Political and Social Thinker** Alfred Robert Willy De Jonge, 1926 Gottfried Kinkel as Political and Social Thinker, by Alfred R. de Jonge... Alfred Robert W. de Jonge, 1926 *Gottfried Kinkel As Political and Social Thinker* Alfred R. De Jonge, 1926 **Jacob Burckhardt's Social and Political Thought** Richard Franklin Sigurdson, 2004-01-01 Contrary to his usual portrayal as a disinterested aesthete Swiss cultural historian Jacob Burckhardt is characterised as an original social and political thinker in Richard Sigurdson's timely book *Jacob Burckhardt's Social and Political Thought* Burckhardt's thinking on a number of ideas including the relationship between the individual and the mass the tension between the ideals of equality and human excellence and the role of the intellectual in the modern state is the subject of insightful analysis thus providing a rare investigation into Burckhardt's culture critique of the nineteenth century Other important aspects of Burckhardt's life that undoubtedly influenced both his historical and political thought such as his ambiguous relationship with Friedrich Nietzsche are carefully scrutinised in this groundbreaking analysis of the Swiss historian Known primarily as an historian Burckhardt's historical writings provide not only a powerful critique of his own times but also a broad ranging political philosophy that can be placed within the larger German tradition of evaluating politics according to the values and standards of art and culture Although Burckhardt himself expressed his scepticism towards general theories and claimed to be devoid of a personal philosophical position through an examination of his works Sigurdson argues that both implicit and explicit political reflections and theories are recognisable

Gottfried Kinkel as Political and Social Thinker... Alfred R. De Jonge, 1926 *Karl Marx's Social and Political Thought* Bob Jessop, Russell Wheatley, 1999 **Revolutionary Refugees** Christine Lattek, 2006 Filling an important gap in our understanding of the growth of early German socialism this book is the first to combine the two crucial aspects of the study socialist political theory and social and cultural environments An essential student read The Germanic Review, 1926 **Gottfried Kinkel as Political and Social Thinker, by Alfred R. De Jonge, Based in Part on Sources Gathered by the Late Agnes B. Ferguson** Alfred Robert Willy De Jonge, Agnes Beveridge Ferguson (d. 1924), 1966

Jacob Burckhardt and the Crisis of Modernity John R. Hinde, 2000-06-28 As a historian of the Renaissance and the rise of Christianity Burckhardt was concerned with periods of social political and cultural transformation Writing in the aftermath of the 1848 Revolutions and in the long shadow cast by the French Revolution of 1789 he observed the rise of industrial capitalism and mass politics with trepidation He especially lamented the fate of the individual whose creativity had shaped the glories of the Renaissance and ancient Greece but who was increasingly domesticated and commodified in modern society Unlike conventional accounts which characterize him as an apolitical aesthete Hinde shows us that Burckhardt was a thinker of profound importance whose conservative anti modernism ranks him with his colleague

Friedrich Nietzsche *An Exiled Generation* Heléna Tóth, 2014-10-30 Heléna Tóth considers exile in the aftermath of the revolutions of 1848-9 as a European phenomenon with global dimensions **A List of American Doctoral Dissertations Printed in [1912-] 1938** Library of Congress. Catalog Division, 1928 *The German Verse Epic in the Nineteenth and Twentieth Centuries* Heinz Juergen Schueler, 2012-12-06 The almost complete disregard of the verse epic as a genre still worthy of meaningful discussion and earnest investigation is all too apparent in German literary criticism The only attempt to view the genre in its evolution through the centuries is Heinrich Maiworm's valuable but necessarily somewhat perfunctory historical survey of the German epic which appeared in the second volume of *Deutsche Philologie im Aufiss* There is as yet however no literary study of the German verse epic in the nineteenth and twentieth centuries a period which is of particular interest to such a study and indeed crucial to the genre itself since it was during this period that the novel claimed its final and apparently irrevocable victory over its predecessor a form which had once been hallowed but was now declared a dead genre It is not the lack of sufficient material that could explain this neglect for in terms of sheer quantity and we believe not quantity alone there is enough material for more than one study The prime purpose of this work then is to attempt if not to fill this conspicuous gap at least to begin narrowing it somewhat and in so doing to determine in how far the continuing existence of this vacuum in German literary appreciation is in fact justified **Baroque and the Political Language of Formalism (1845 - 1945): Burckhardt, Wölfflin, Gurlitt, Brinckmann, Sedlmayr** Evonne Levy, 2015-12-22 This study in intellectual history places the art historical concept of the Baroque amidst world events political thought and the political views of art historians themselves Exploring the political biographies and writings on the Baroque primarily its architecture of five prominent Germanophone figures Levy gives a face to art history showing its concepts arising in the world From Jacob Burckhardt's still debated Jesuit style to Hans Sedlmayr's Reichsstil the Baroque concepts of these German Swiss and Austrian art historians all politically conservative and two of whom joined the Nazi party were all took shape in reaction to immediate social and political circumstances A central argument of the book is that basic terms of architectural history drew from a long established language of political thought This vocabulary applied in the formalisms of Wölfflin and Gurlitt has endured as art history's unacknowledged political substrate for generations Classic works like Wölfflin's *Kunstgeschichtliche Grundbegriffe* are interpreted anew here supported by new documents from the papers of each figure **A List of American Doctoral Dissertations Printed in ...**, 1928 **The Politics of German Protestantism** Robert M. Bigler, 2023-04-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1972 **Germany and the Americas** Thomas Adam, 2005-11-07 This comprehensive encyclopedia details the close ties between the German speaking world and the Americas examining the extensive Germanic

cultural and political legacy in the nations of the New World and the equally substantial influence of the Americas on the Germanic nations From the medical discoveries of Dr Johann Siegert surgeon general to Simon Bolivar to the amazing explorations of the early 19th century German explorer Alexander von Humboldt whose South American and Caribbean travels made him one of the most celebrated men in Europe Germany and the Americas examines both the profound Germanic cultural and political legacy throughout the Americas and the lasting influence of American culture on the German speaking world Ever since Baron von Steuben helped create George Washington s army German Americans have exhibited decisive leadership not only in the military but also in politics the arts and business Germany and the Americas charts the lasting links between the Germanic world and the nations of the Americas in a comprehensive survey featuring a chronology of key events spanning 400 years of transatlantic history **Saturday Review of Literature** ,1926
