Good Practice:

OECD Framework and Good Practice Principles for People-Centred Justice OECD,2021-12-21 Access to justice for all is a global objective enshrined in SDG 16 To help countries achieve this objective the OECD People Centred Justice Framework and Principles sets out elements of a government wide strategy for people centred justice inter agency cooperation and communication as well as mechanisms to ensure accountability and sustainability **Good Practice in the Early Years** Janet Kay,2012-03-29 An accessible comprehensive guide to good practice in the early years for all early years and childcare students and practitioners **Good People, Good Practice** Hilary Haman,Sally Irvine,2001 This guide to personnel management has case studies to illustrate common problems and dilemmas It clarifies legislation and its application to primary care This edition focuses more on issues of recruitment discrimination and harassment

Evaluating for Good Practice Angela Everitt,Pauline Hardiker,1996-11-11 With the changing political economy of social welfare evaluation has become prevalent in the personal social services and voluntary sector organisations This text argues that rational technical and pluralist models of evaluation may collude with new managerialism to act as powerful processes of control Alternative critical models of evaluation which take account of power are explored so as to enable practitioners to take responsibility for evaluating practice both in order to inhibit poor or even corrupt practice and to promote good practice **Integrity in Public Procurement Good Practice from A to Z** OECD,2007-04-27 Provides for the first time a comparative overview of practices from A to Z It maps out practices to enhance integrity throughout the whole procurement cycle from needs assessment to contract management It also takes a global stance by including practices from non OECD countries *Essays in Good Practice: Lecture notes in contemporary General Practice - Second Edition* Chris Heath,2023-07-24 This is a text book for all doctors but especially GPs appraisers and registrars It is written by a 40 year plus front line NHS doctor who for most of his career worked twice to three times the current doctors Working Time Directive limited week Chris Heath has been a Paediatric Lecturer in a teaching hospital an Anaesthetist various junior specialists and a GP over 30 years in 3 different practices He has been a GP Trainer and Appraiser and has seen politics and political correctness harm patients interests constantly over the last half of his career From the way it selects young doctors to the way they are educated and assessed the best interests of the patient are largely ignored This is a text book but it also contains home truths insights and a warts and all appraisal of how to be a good doctor as well as an unbiased assessment of what is wrong with today s NHS It also explains why today s politicians medical schools and doctors will resist the changes that are needed to put the patients needs first again *Guide to Good Practice in the Management of Time in Major Projects* CIOB (The Chartered Institute of Building),2018-04-30 A practical treatise on the processes and standards required for the effective time management of major construction projects This book uses logical step by step procedures and examples from inception and risk appraisal through design and construction to testing and commissioning to show how an effective and

dynamic time model can be used to manage the risk of delay in the completion of construction projects Integrating with the CIOB major projects contract the new edition places increased emphasis on the dynamic time model as the way to manage time and cost in major projects as opposed to the use of a static target baseline program It includes a new chapter distinguishing the principal features of the dynamic time model and its development throughout the life of a project from inception to completion Guide to Good Practice in the Management of Time in Major Projects Dynamic Time Modelling 2nd Edition features new appendices covering matters such as complexity in construction and engineering projects productivity guides including specific references to the UK Australia and the USA and a number of case studies dealing with strategic time management and high density resource based scheduling Provides guidance for the strategic management of time in construction and civil engineering projects Demonstrates how to use a dynamic time model to manage time pro actively in building and civil engineering projects Sets out processes and standards to be achieved ensuring systematic documentation and quality control of time management Integrates with the CIOB major projects contract Guide to Good Practice in the Management of Time in Major Projects Dynamic Time Modelling 2nd Edition is an ideal handbook for project and program management professionals working on civil engineering and construction projects including those from contractors clients and project management consultants

WIPO Good Practice Toolkit for Collective Management Organizations (The Toolkit) World Intellectual Property Organization,2021-09-07 The WIPO Good Practice Toolkit for Collective Management Organizations CMOs brings together examples of legislation regulation and codes of conduct in the area of collective management from around the world Member states and other stakeholders may use relevant parts of the document to help them design an approach suitable for their particular context Note The Toolkit is not a normative document The first version of the Toolkit was published in 2018 The current version was published in September 2021 and reflects the submissions received from WIPO Member States and other stakeholders throughout the consultation process in 2021

Good Practice Guidelines for Agricultural Leasing Arrangements N. Ravenscroft,Food and Agriculture Organization of the United Nations,2001-01-01 The information in this booklet is designed to assist governments and civil society in understanding how agricultural leasing and related agreements work and what the advantages are of providing an appropriate framework for equitable arrangements that balance the interests of the parties involved generally the tenant and the landowner The guidelines therefore deal with the contextual and policy issues surrounding agricultural leasing but also focus on providing a practical and up to date guide and commentary on those issues that need to be considered by both landlord and tenant when negotiating over the leasing of agricultural land

The Development Dimension Policy Coherence for Development Promoting Institutional Good Practice OECD,2005-10-20 This book presents the latest thinking to help governments achieve policy coherence in support of development It provides a synthesis of lessons learned from peer reviews specific case studies and recent workshops

Developing Good Practice in Children's Services Vicky White,John Harris,2004 Vicky White and

John Harris have drawn together the contributors experiences of working with children in a broad range of settings emphasising ways in which the current context of change can be used as an opportunity to enhance the quality of service provision and achieve better outcomes for children and their families Good Practice Accreditation of Prior Learning

Lovemore Nyatanga,1997-03-01 Starting with a discussion of the origins of Accreditation of Prior Learning APL this text proceeds to look at the variety of models through which candidates are able to offer testimony of their prior learning It explores the theoretical principles first then illustrates with case studies **Better Aid Civil Society and Aid Effectiveness Findings, Recommendations and Good Practice** OECD,2010-02-03 This book is a resource for

implementing the recommendations on civil society and aid effectiveness emerging from the Accra High Level Forum and its preparatory process *LOGIC: Good Practice Principles for Mainstreaming Behavioural Public Policy* OECD,2024-05-23 This report outlines good practice principles intended to encourage the incorporation of behavioural perspectives as part of standard policymaking practice in government and governmental organisations **Inspiring Science in the Early Years: Exploring Good Practice** Lois Kelly,Di Stead,2015-02-16 This book explores the science inherent in good early years practice and provides a rich range of ideas to inspire you to have a go in your setting It provides a balance between theory which underpins good practice and plenty of ideas of how you might put the theory into practice With a focus on how children learn about the world they live in and activities intended to develop scientific understanding the book offers an holistic approach with key topics including How children construct scientific meaning Tuning into children s initial scientific understanding How play supports the development of children s science ideas Providing a rich environment for learning early years science Developing children s scientific experiences This handy guide is ideal to support you if you are studying on an early years course or if you are an established early years professional who wishes to enrich early scientific learning in your setting Lois Kelly and Di Stead are Education Consultants specializing in primary science This clearly written and engaging book examines Science in the Early Years through a variety of activities including role play toys and technology The vital importance of sensory experiences and language is emphasized throughout The wide experience and knowledge of the authors guarantees a highly enjoyable read The links to all curricula in the UK are extremely beneficial and I particularly liked the way that photographs and Key Points text boxes have been used throughout the book The breadth and depth of writing about science makes this a highly desirable book for any practitioner working or studying in the Early Years Kathy Brodie Independent Early Years Consultant As an Early Years consultant who is passionate about children s thinking exploring questioning investigating and most of all engaging I really enjoyed this book I especially liked it because it provokes practitioners to think about science as the discovery and exploration of the world around us and not just as a National Curriculum subject The mix of authors their writing styles and the content of each chapter makes it a really easy and engaging read Definitely one to add to your reading list if you work with children in the Early Years Alistair Bryce Clegg

Early Years Consultant As the title suggests this book from the first page onwards inspires the reader to learn more about how to develop enhance and incorporate effective practice in science in the early years In addition to developing an understanding of how to approach the teaching of science it gives a clearly articulated and accessible theoretical insight into how young children learn To compliment this there are points of reflection case studies practical tasks and examples from the field This is a valuable book for both students and practitioners alike as it goes beyond just giving suggestions for what to do it explains the why and the how as well Joanne McNulty Manchester Metropolitan University This is a warm accessible book strongly grounded in research It interweaves real life examples of science in the early years with underlying pedagogic principles and inspires new possibilities The enthusiasm of the authors is contagious Kendra McMahon Bath Spa University

The Link Between Adherence to International Standards of Good Practice, Foreign Exchange Spreads, and Ratings Mr.Charalambos Christofides,Mr.Christian B. Mulder,Mr.Andrew Tiffin,2003-04-01 This paper examines the relationship between adherence to international standards of good practice in policy making and two key indicators of access to capital markets and the cost of this access spreads and sovereign ratings In contrast to other work this study reviews a broad set of indicators for adherence to international standards The estimations are conducted for emerging market economies and pay particular attention to issues of persistence in spreads and ratings and nonlinearities in the relationships The main finding confirms the expectation that standards are indeed relevant Accounting standards and property rights are especially important for spreads in addition to data transparency SDDS subscription Accounting standards and corruption are especially important in explaining ratings in addition to trade protectiveness not a standard Good Practice in Risk Assessment and Risk Management 2 Hazel Kemshall,Jacki Pritchard,1997 The range of problems that arise due to violence mental health problems substance abuse and familial breakup require fast accurate risk assessment These two volumes by Kemshall and Pritchard explores the techniques needed to solve such problems **Policy and Practice in Primary Education** Robin Alexander,2012-11-12 Detailed accounts of two influential initiatives of the 1990s whose educational and political lessons remain highly relevant systemic and pedagogic reform in one of Britain s largest cities and the controversial three wise men government enquiry into primary teaching to which it led Alexander s controversial and widely read report on primary education in Leeds has now been revised as a major study of policy initiatives in primary education and their impact on practice The book examines an ambitious programme of local reform aimed at improving teaching and learning in the primary schools of one of Britain s largest cities It addresses important questions about children s needs the curriculum classroom practice and school management When first published Robin Alexander s report was hailed as seminal and the most important document since Plowden but it was also quoted and misquoted in support of widely opposed political and media agendas This new edition retains Part I from the first edition detailing the impact of Leeds LEA s programme for educational reform However it also provides a totally new and greatly extended Part II which gives an insider s account of

the sequel to the Leeds report the government's 1992 three wise men report There is also a new introduction **Best Practice with Older People** Karen Jones, Susanna Watson, 2013-08-30 Social workers often have to handle a great deal of negativity in their working lives This book celebrates social work practice at its most positive and influential and in doing so contributes to a growing literature on critical best practice Focused on 12 unique and compelling stories of social work with older people the authors Provide a fresh and realistic insight into life as a social worker and the dilemmas and difficulties that practitioners typically face Illustrate how knowledge theory and research are integrated in professional decision making and action Show social workers analyzing their own cases and include reflective questions to help readers formulate their own learning and thereby develop their own practice This book provides students on qualifying courses with an invaluable perspective on real life practice and gives qualified practitioners the opportunity to reflect on and better their own practice

BEST PRACTICE IN MOTIVATION AND MANAGEMENT IN THE CLASSROOM Dennis G. Wiseman, Gilbert H. Hunt, 2013-12-01 Having the ability to manage the learning environment motivate students in the environment and offer instruction that itself is motivating and which contributes to students learning what they need to learn and acquiring skills they need to acquire characterizes effective teachers To meet these expectations teachers need highly developed skills as instructional specialists motivators managers and problem solvers This new and expanded edition offers practical information for beginning as well as veteran teachers to become more knowledgeable skilled and effective in their work Through study application of what has been studied and analysis and evaluation of the end result of this application teachers who care to improve can improve The text provides a specific context and focus for this active learning in areas of management and motivation Additional sections discuss understanding motivation and motivating environments creating a managed environment with models and theories of management best practice in teaching creating and maintaining safe learning environments responding to student motivation and behavior problems and case studies for analysis in student motivation and classroom management The text reviews appropriate strategies when responding to specific types of student misbehavior and also discusses zero tolerance policies bullying expulsion teaching special students addressing diversity violence school uniforms and drug abuse as related to management and motivation It is highlighted with supporting examples question and activity sections by chapter a helpful glossary and 29 additional tables This third edition continues to be an invaluable resource for teachers student teachers special educators and school administrators in providing guidance practical recommendations and insight into developing sound management and motivation in the classroom
