Wright,2019-05-22 When Jackson Wright was killed in a freak accident on the front lawn of his house just shy of his ninth birthday his close knit and loving family found themselves utterly devastated and adrift unsure of how to even go about the process of moving forward without him With the support of friends family and an amazing community they managed to keep going through those unbelievably painful first days which included the service for Jackson and returning to their home without him afterward In the weeks and months that followed Jackson s father found some comfort and release in the writing of an online blog through which he kept his circle of extended family and friends informed about his family s progress avoiding the repetitive cycle of awkward questions and painful answers Sundown expands on that blog telling the story of an amazing young boy the impact he had on those around him and

his family's inspiring journey towards a new normal. It is just one part of an amazing legacy inspired by an incredible little boy who was taken far too soon. With surprising insight, wisdom, and humor, the story takes its audience on a raw and relatable journey of determination and survival. It will change the way you look at love and loss and inspire you to hold your loved ones closer than ever, leaving nothing between you and said. *The Farringtons* Ellen Thorneycroft Fowler, 1900

Just Friends Tiffany Pitcock, 2017-08-01. A new spin on the classic smart girl and bad boy setup, this witty contemporary romance shows how easily a friendship, even one built on an elaborate lie, can become so much more. Jenny meets Chance for the very first time when she is assigned as his partner in their Junior Oral Communications class. But after they rescue a doomed assignment with one clever lie, the whole school is suddenly convinced that Little Miss Really Likes Having A's and the most scandalous heartbreaker in school have been best friends forever. It's amazing how quickly a lie can grow, especially when you really, really want it to be the truth. With Jenny, Chance can live the normal life he's always kind of wanted. And with Chance, Jenny can have the exciting teen experiences that TV shows and movies have always promised. Through it all, they hold on to the fact that they are just friends. But that might be the biggest lie of all. Debut author Tiffany Pitcock delivers a spot-on depiction of first love and the high school rumor mill in *Just Friends*, chosen by readers like you for Macmillan's young adult imprint Swoon Reads. Praise for *Just Friends* from the Swoon Reads community: The story is great. It caught my attention and kept it. In fact, I stayed up all night to finish it. KFox reader on SwoonReads.com. I really loved this book. The characters were lovable, and I found myself attached to them almost instantly. The dialogue was snappy, witty, and most importantly, believable. C Thomas reader on SwoonReads.com. What truly, in my opinion, sets this apart from other best friends turn to lovers plots is that their entire relationship started with a lie and made it work through high school. Definitely something I will read and read again. Xanthia Strohl reader on SwoonReads.com. OMG, I read this book from start to finish non-stop. I fell absolutely in love with Chance and Jenny. This book had me feeling every single emotion, and I just could not get it enough of it. I wanted more and more. AND MORE. Twila James reader on SwoonReads.com.
