## Good Ship:

*THE GOOD SHIP FAITH* Ruth Ellen, 2024-05-31 The Good Ship Faith is about the ongoing war between good and evil between the kingdom of light and the kingdom of darkness it is about a good king his royal fleet and the power of faith demonstrated in one of his captains who dared to believe for the impossible The king's royal fleet is composed of warriors of righteousness they are passionately devoted to him and are zealously carrying out his missions of mercy which involve warfare and the rescue of imprisoned souls held captive by the predatory pirates of darkness Unsuspecting victims of these covert pirates are often surprised when they discover that they had been deceived and are under their tyrannical control

*On the Good Ship Lollipop* Horst Bredekamp, James S. Ackerman, Irving Lavin, 2019-03-04 The Fondation Louis Vuitton by Frank O Gehry rises from the Bois de Boulogne as a new landmark in the Parisian skyline Gehry's dynamic architecture is both glittering and multifaceted is it a sailing vessel an iceberg or a sea monster It fascinates with its wealth of references and at the same time escapes any clear cut definition Three outstanding representatives of different generations of art history James S Ackerman Irving Lavin and Horst Bredekamp have together paid a visit to the Fondation Louis Vuitton They explore the building in three richly illustrated essays that try to fathom the floating architecture of the magician Gehry in the context of both art and architectural history

There Are Good Ships Lindsey Davis, 2013-05-22 Author is such a grand title and one for which I do not feel at all worthy Instead I would consider myself an adventurer with a pen and notebook My adventurous spirit started way back when I was just seven years old and found myself plonked on the back of a rather large pony called Dawn I had pestered my parents for horse riding lessons and now I sat shivering with fear and contemplating the sanity of my demands As a shy reticent little girl I did not have the courage to say actually I do not like this So week after week month after month little by little I lost my fear and an adventurous spirit was born with me Of course horse riding has little to do with sailing but for me the experience of the former gave me the courage for the latter Riding an unpredictable frisky jumpy mare has many parallels to sailing an unpredictable frisky jumpy yacht Believe me when I tell you a yacht has a mind of its own Sailing first entered my life in my teens when I had the privilege to crew on the Thames sailing barge Th alatta In my twenties I became a deck monkey on friends yachts and enjoyed the thrill of racing in the Solent on the south coast of England I gained my Competent Crew certificate whilst taking part in the Baltic leg of the Tall Ships Race Working as a secretary for the army at the time I was invited to join the crew on Sail Training Yacht British Soldier a magnificent 55 foot Camper Nicholson I briefly co owned a small day sailor Pindari and cut my teeth on the perils of crossing the busiest shipping lane in the world the English Channel Sailing took a back seat in my early forties when I was gripped by the travelling bug I had Australia in my sights and I spent many a happy month soaking up the sights sounds and sheer vastness of that wonderful continent I realised then that the world has a lot more to offer me Yearning for more I was a great believer in the saying a change is as good as a rest I had been a secretary a personal assistant a hairdresser and a professional tennis

coach and have recently qualified as an approved driving instructor I was a highly proficient horse rider a crazy snow skier a scuba diver and a tennis player What more could I possibly achieve Well I have just added to that list a circumnavigator

We Are Becoming the Problem Now! Michael Abayomi Alabi,2019-02-09 When we leave our destiny in the hands of others and live our life in the past we immediately destroy our future Scientists in the human genome industry have proved that all humans are 99.9 percent the same Why then are some ethnicities progressive and others nonprogressive Our current problems are not with the slave or colonial masters We Are Becoming the Problem Now Had we continued in the legacy of our ancestors simply known as slaves we ought to have been the pride and joy of the whole world They went through unimaginable pain sorrow hardship and torment They survived and even succeeded by leaving a godly legacy behind in the Negro spiritual songs and in arts education industry and every conceivable field Our current major problems as blacks in Africa and all over the world simply put are leadership and disunity We do the dirty work by self destroying ourselves and each other Only few illiterate Caucasians would engage in overt discrimination The majority of us have been trained in the art and act of covert self destruction and in the destruction of the whole We have so much zeal but without knowledge We must bear in mind that zeal without knowledge is dead so also knowledge without zeal is equally lifeless Romans 10:2 Not until we harness our zeal and knowledge comprehensively can we live a progressive life It has been said that if the West is to stand still and halt all development and progress Africa would never catch up Yet we have PhDs in every conceivable field Do we blame that on the ancestors of the slave or colonial masters No We are to be blamed We Are Becoming the Problem Now Those who have ears to hear let them hear because time is of the essence *Walk to Win* Fred A.
