Goodbye Berlin Margaret M. Dunlop, 2016-11-20 The 24th of March 1939 was a poignant day for twelve year old Gerald Wiener He was on a train pulling out of Berlin and he was on his way to the UK to escape persecution in Nazi Germany He was one of the thousands of unaccompanied children saved by the Kindertransport Looked after by two sisters in Oxford his abilities as a scholar became apparent and from an early age he was set on the road to academic achievement There followed a distinguished career as a research scientist in Edinburgh where he made a genetic discovery that received international recognition His research department was a centre of excellence and members of his team went on to make an astonishing breakthrough in genetics the cloning of Dolly the sheep During his career Gerald was also in demand to assist agricultural development in China India the secretive North Korea and many other countries and his trips during these years are full of incident and fascinating human and social insights It was while he was on a postdoctoral fellowship in the USA that he discovered he had a large family in California He had known nothing of them as his mother and father had parted when he was only two years old His aunt and stepmother gave him compelling accounts of their escapes from Hitler via Shanghai and life under the Japanese during the War Their stories and that of Gerald himself are amazing tales of resilience and triumph over adversity This book shows how one man's life and achievements mirror the great events of the second half of the twentieth century and the opening years of the new millennium

Cabaret Stephen Tropiano, 2011-02-01 In 1973 Cabaret walked away with eight Academy Awards including gold statues for director Bob Fosse and for its stars Liza Minnelli and Joel Grey Based on the long running Broadway musical with a memorable score by John Kander and Fred Ebb Cabaret is a landmark film that broke new cinematic ground by revolutionizing the Hollywood musical through its treatment of adult themes and art house sensibility With an introduction by Joel Grey the book chronicles the history of Cabaret from Christopher Isherwood's Berlin Stories to the stage and film versions of John van Druten's play I Am a Camera through the adaptation of the hit Broadway musical for the big screen Readers will get an insider's look into the making of the film the creative talent in front of the camera and behind the scenes and why this divinely decadent musical continues to captivate audiences

Unacknowledged Legislation Christopher Hitchens, 2000 A celebration of Percy Shelley's assertion that poets are the unacknowledged legislators of the world these thirty plus essays on writers from Oscar Wilde to Salman Rushdie dispel the myth of politics as a stone tied to the neck of literature Norman Podhoretz's bloody crossroads Instead Hitchens argues that when all parties in the state were agreed on a matter it was the individual pens that created the space for a true moral argument

Oscar Wilde and Modern Culture Joseph Bristow, 2008 This book explores the meteoric rise sudden fall and legendary resurgence of this influential writer's reputation In the years leading up to his two year imprisonment Wilde stood among the foremost dramatists in London But after he was sent down for committing acts of gross indecency it seemed likely that social embarrassment would inflict

irreparable damage to his legacy He died in comparative obscurity Little could he have realized that in five years his name would come back into popular circulation thanks to the success of Richard Strauss s opera Salome and Robert Ross s edition of De Profundis With each succeeding decade the twentieth century continued to honor Wilde s name by keeping his plays in repertory producing dramas about his life adapting his works for film and devising countless biographical and critical studies of his writings
