The Goodness of St. Rocque and Other Stories Alice Moore Dunbar Nelson, 2018-06-29 The Goodness of St Rocque and Other Stories by Alice Moore Dunbar Nelson THE GOODNESS OF SAINT ROCQUE Manuela was tall and slender and graceful and once you knew her the lithe form could never be mistaken She walked with the easy spring that comes from a perfectly arched foot To day she swept swiftly down Marais Street casting a quick glance here and there from under her heavy veil as if she feared she was being followed If you had peered under the veil you would have seen that Manuela s dark eyes were swollen and discoloured about the lids as though they had known a sleepless tearful night There had been a picnic the day before and as merry a crowd of giddy chattering Creole girls and boys as ever you could see boarded the ramshackle dummy train that puffed its way wheezily out wide Elysian Fields Street around the lily covered bayous to Milneburg on the Lake Now a picnic at Milneburg is a thing to be remembered for ever One charters a rickety looking weather beaten dancing pavilion built over the water and after storing the children for your true Creole never leaves the small folks at home and the baskets and mothers downstairs the young folks go up stairs and dance to the tune of the best band you ever heard For what can equal the music of a violin a guitar a cornet and a bass viol to trip the quadrille to at a picnic We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

of Creole culture She moved to Delaware after she and Dunbar unfortunately separated in 1902 she died four years later She married a fellow teacher in 1910 and divorced him the following year however in 1916 she married journalist Robert J Nelson who was influential for her precise and incisive literary style *The Southern Workman*, 1900 *Black American Writing from the Nadir* Dickson D. Bruce, Jr., 1992-08-01 In this wide ranging study Dickson D Bruce Jr analyzes post Reconstruction and turn of the century black writing treating minor as well as major authors and considering a broad range of genres Bruce shows that black writers confronted the conditions of an increasingly racist society in almost every aspect of their work from their choice of subject matter to the way they drew their characters to the mood they portrayed At the same time these writers most of whom were members of a small but growing black professional class displayed a concern for middle class aspirations and values Bruce underscores the significance of discerning the tensions between these opposing forces in studying the literature of the time Bruce s attention to the body of work produced by minor writers most of whom have remained obscure to all but a few literary scholars and historians adds an important dimension to our understanding of African American history and literature His discussion of such better known writers as Charles W Chesnutt Paul Laurence Dunbar James Weldon Johnson and W E B Du Bois places them in a fuller literary context defining more clearly their significance as individuals *Black American Writing from the Nadir* is an insightful well focused work that will benefit social and cultural historians as well as students of literature

Wounds of Returning Jessica Adams, 2012-09-01 From Storyville brothels and narratives of turn of the century New Orleans to plantation tours Bette Davis films Elvis memorials Willa Cather s fiction and the annual prison rodeo held at the Louisiana State Penitentiary at Angola Jessica Adams considers spatial and ideological evolutions of southern plantations after slavery In *Wounds of Returning* Adams shows that the slave past returns to inhabit plantation landscapes that have been radically transformed by tourism consumer culture and modern modes of punishment even those landscapes from which slavery has supposedly been banished completely Adams explores how the commodification of black bodies during slavery did not disappear with abolition rather the same principle was transformed into modern consumer capitalism As Adams demonstrates however counternarratives and unexpected cultural hybrids erupt out of attempts to re create the plantation as an uncomplicated scene of racial relationships or a signifier of national unity Peeling back the layers of plantation landscapes Adams reveals connections between seemingly disparate features of modern culture suggesting that they remain haunted by the force of the unnatural equation of people as property
