Goose And Tomtom A Play:

Goose and Tomtom David Rabe, 2007-12-01 A violent surrealist romp from the Tony Award winning playwright of *Hurlyburly* and *Visiting Edna* The Brown Daily Herald David Rabe explores the struggle between hope and anguish in the human spirit in this story of two small time jewel thieves united in a strangely unsettling friendship and the constant fight to prove to themselves and others how tough they are But when their frantic scheming suddenly begins to betray them in mysterious ways they find themselves trapped into a kidnapping and a murder over which they seem to have no control Or do they David Rabe's language creates and recreates reality in constantly surprising ways magically dramatizing the danger of the power of illusion and the illusion of power with force and insight A potluck smorgasbord of surrealism dream soliloquies science fiction noir potboiler and fairy tales with the ghosts of such other writers as David Mamet Harold Pinter Sam Shepard and even novelist Thomas Pynchon hovering nearby boasts ample proof of a top notch writer at work Chicago Tribune A fast paced visceral work with a manic anarchic energy a chaotic examination of power and powerlessness in a frightening irrational universe The Brown Daily Herald A surrealist hilarious mind fuck of a play a wild high energy ride through plot and action LAist Praise for David Rabe Few contemporary dramatists have dealt with violence physical and psychological more impressively than Rabe Kirkus Reviews A remarkable storyteller Chicago Tribune Rabe's mastery of dialogue is the equal of Pinter and Mamet put together The Boston Globe Goose and Tom-Tom David Rabe, 1979

Goose and Tomtom David Rabe, 2007 Staging Masculinity Carla J. McDonough, 2006-07-19 The men in plays such as Arthur Miller's *Death of a Salesman* or Sam Shepard's *True West* are often presented as universal little attention is given to the gender dynamics involved in the characters This work looks at how contemporary playwrights including Miller Shepard Eugene O'Neill David Mamet and August Wilson stage masculinity in their works It becomes apparent that male playwrights return often to the issues of troubled manhood usually masked in other issues such as war business or family The plays indicate both the attractiveness of the model of traditional masculinity and the illusive nature of this image which all too often fractures and fails the characters who pursue it O'Neill's play *The Hairy Ape* and the character Yank receive much attention New York Magazine, 1986-10-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Contemporary American Theatre** Bruce King, 2016-01-19 *American Theatre* Thomas S. Hischak, 2001-02-22 Volume Four of the distinguished American Theatre A Chronicle of Comedy and Drama series offers a thorough candid and fascinating look at the theater in New York during the last decades of the twentieth century

Barton Palmer,2013-08-08 From its beginnings the American film industry has profited from bringing popular and acclaimed dramatic works to the screen This is the first book to offer a comprehensive account focusing on key texts of how Hollywood has given a second and enduring life to such classics of the American theater as *Long Day s Journey into Night* *A Streetcar Named Desire* and *Who s Afraid of Virginia Woolf* Each chapter is written by a leading scholar and focuses on Broadway s most admired and popular productions The book is ideally suited for classroom use and offers an otherwise unavailable introduction to a subject which is of great interest to students and scholars alike **Re-writing America** Philip D. Beidler,1991 With his first book *American Literature and the Experience of Vietnam* Philip Beidler offered a pioneering study of the novels plays poetry and literature of witness that sprang from the United States involvement in the Vietnam War Reviewing the book the journal *American Literature* declared It is more than just an introductory act It also sets forth what are sure to be lasting types of American literary response to Vietnam and of the scholarly response to the emerging literature of the war In *Re Writing America* Beidler charts the ongoing achievements of the men and women who first gained public notice as Vietnam authors and who are now recognized as major literary interpreters of our national life and culture at large These writers among them Tim O

Brian Philip Caputo Winston Groom David Rabe John Balaban Robert Stone Michael Herr Gloria Emerson and Frances Fitzgerald have applied in their later efforts says Beidler many of the hard won lessons of literary sense making learned in initial works attempting to come explicitly to terms with Vietnam Beidler argues that the Vietnam authors have done much to reenergize American creative writing and to lead it out of the poststructuralist impasse of texts as endless critiques of language representation and authority With their direct experience of a divisive and frustrating war a war not of their own making but of the making of politicians and experts a war of ancient animosities that cost nearly everything for those involved and settled virtually nothing these writers in many ways resemble the celebrated generation of poets and novelists who emerged from World War I Like their forebears of 1914-18 those of the Vietnam generation have undertaken a common project of cultural revision to re-write America to create an art that even as it continues to acknowledge the war's painful memory projects that memory into new dimensions of mythic consciousness for other and better times Beidler fills his book with detailed illuminating analyses of the writers' works which as he notes have moved across an almost infinite range of subject genre and mode From David Rabe for example have come innovative plays in which overt statements on the traumas of Vietnam The Basic Training of Pavlo Hummel Streamers have made way for broader commentaries on sex power and violence in American life In the Boom Boom Room HurlyBurly Winston Groom has moved from Better Times Than These a rather traditional even anachronistic war novel to further reaches of rambunctious humor in Forrest Gump And journalist Michael Herr whose Dispatches memorably defined a Vietnam landscape at once real and hallucinatory carried his vision into collaborations on the films Apocalypse Now and Full Metal Jacket As Beidler notes the immense price that Vietnam exacted from the American soul continues to draw a plethora of interpretations and depictions Vietnam authors remind us in Tim O'Brien's words of the things they carried But as Beidler makes clear they now command us not only to remember but to imagine new possibilities as well
