

Gorbachev And Yeltsin As Leaders

Michael Seilmaier

Gorbachev And Yeltsin As Leaders:

Gorbachev and Yeltsin as Leaders George W. Breslauer, 2002 Gorbachev and Yeltsin as Leaders also compares these men with Khrushchev and Brezhnev yielding new insight into the nature of Soviet and post Soviet politics and into the dynamics of transformational leadership more generally The book is an important contribution to the analysis and evaluation of political leadership It is well written and accessible to the nonspecialist Jacket *Gorbachev and Yeltsin as Leaders* George W. Breslauer, 2002-03-25 Examining the strategies employed by Mikhail Gorbachev and Boris Yeltsin to build leadership authority George Breslauer focuses on the power of ideas as leaders use them to mobilize support and to craft an image as effective problem solvers indispensable consensus builders and symbols of national unity Throughout the book Breslauer compares Gorbachev and Yeltsin and Khrushchev and Brezhnev analyzing the changes in policy the strategies and the political dilemmas that are common to all four administrations He addresses such questions as Could Yeltsin have pursued a more beneficial path to a market economy despite Western advisors and actions of the International Monetary Fund For the chapters about Gorbachev Breslauer was able to interview former members of the leader's politburo including those who plotted Gorbachev's overthrow Interested in how leaders make changes Breslauer looks at how these leaders justified their actions and outflanked their opponents Breslauer sheds new light on the end of Soviet communism and Russia's transition to a market economy George W Breslauer is Dean of Social Sciences and Professor at the University of California Berkeley He has written and edited ten books about Soviet and post Soviet politics and foreign policy including Counterfactual Thought Experiments in World Politics Princeton University Press 1996 and Khrushchev and Brezhnev as Leaders London Allen and Unwin 1982 In 1998 he was awarded the Chancellor's Professorship for combining excellence in research teaching and university service and was most recently appointed Dean of Social Sciences at Berkeley

Gorbachev, Yeltsin, and Putin Archie Brown, 2013-01-25 This volume analyzes various aspects of the political leadership during the collapse of the Soviet Union and formation of a new Russia Comparing the rule of Mikhail Gorbachev Boris Yeltsin and Vladimir Putin the book reflects upon their goals governing style and sources of influence as well as factors that influenced their activities and complicated them too Contents Introduction Archie Brown Transformational Leaders Compared Mikhail Gorbachev and Boris Yeltsin Archie Brown Evaluating Gorbachev and Yeltsin as Leaders George W Breslauer From Yeltsin to Putin The Evolution of Presidential Power Lilia Shevtsova Political Leadership and the Center Periphery Struggle Putin's Administrative Reforms Eugene Huskey Conclusion Lilia Shevtsova Poor Leadership and Bad Governance Ludger Helms, 2012-01-01 Leaders are not always heroes Bad public leadership is a big problem If we are serious about holding our public leaders to account then we need to know why they were bad and why we supported them Ludger Helms and his distinguished team tackle these difficult questions with sympathy not cynicism Their careful and insightful analysis alerts us to the dangers of venal and poorly performing leaders R A W Rhodes University of Southampton

UK Leadership and the lack of it is a central but underexplored issue in the study of contemporary politics Ludger Helms is to be congratulated for bringing together a group of leading scholars to examine the relationship between leadership and governance William E Paterson OBE Aston Centre for Europe UK In leadership research there is a long tradition of focusing attention on the great and successful leaders and more recently on issues of good governance This study breaks new ground by looking systematically into the manifestations and causes of poor leadership and bad governance in some of the world's most powerful democracies Focusing on the presidents and prime ministers of the G8 the United States Canada the United Kingdom France Germany Italy Russia and Japan it explores the complex relationship between weak and ineffective leadership undemocratic leadership techniques and bad policies from a broad comparative perspective What makes leaders weak or bad in different contexts What are the consequences of their actions and behaviour And has there been any learning from negative experience These questions are at the centre of this fascinating joint inquiry that involves a team of truly distinguished leadership scholars This book will prove invaluable for scholars and students of leadership political science contemporary history and related academic disciplines Readers with a general interest in public affairs and political history will also find plenty to interest them

Russian Leaders Alexander Dragomiroff, 2002 Russian Leaders A Bibliography With Indexes

Contemporary Russia as a Feudal Society V. Shlapentokh, Joshau Woods, 2007-11-26 The book offers a theoretical discussion of the feudal model and a preliminary application of the model to post Soviet Russia In addition to a review of the feudal model as an ideal type the author explains the analytical benefits of drawing comparisons between countries and across historical contexts Specifically contemporary Russia is compared to Western European countries during the Middle Ages and to the Soviet period in Russian history The book is devoted to illuminating the most important political social and economic characteristics of contemporary Russian society

Modernisation in Russia since 1900 Markku Kangaspuro, Jeremy Smith, 2006-12-27 Modernisation has been a constant theme in Russian history at least since Peter the Great launched a series of initiatives aimed at closing the economic technical and cultural gap between Russia and the more advanced countries of Europe All of the leaders of the Soviet Union and post Soviet Russia have been intensely aware of this gap and have pursued a number of strategies some more successful than others in order to modernise the country But it would be wrong to view modernisation as a unilinear process which was the exclusive preserve of the state Modernisation has had profound effects on Russian society and the attitudes of different social groups have been crucial to the success and failure of modernisation This volume examines the broad theme of modernisation in late imperial Soviet and post Soviet Russia both through general overviews of particular topics and specific case studies of modernisation projects and their impact Modernisation is seen not just as an economic policy but as a cultural and social phenomenon reflected through such diverse themes as ideology welfare education gender relations transport political reform and the Internet The result is the most up to date and comprehensive survey of modernisation in Russia available which highlights both one of the perennial

problems and the challenges and prospects for contemporary Russia

Institutions, Ideas and Leadership in Russian

Politics Julie Newton, William Tompson, 2010-06-23 A stimulating and thought provoking collection that challenges some of the emerging conventional wisdom about contemporary Russia It examines the role of leadership institutions and ideas and the interactions among them in shaping Russia's post Soviet transformation

Turning Points—Actual and Alternate Histories Rodney P. Carlisle, J. Geoffrey Golson, 2007-09-26 This fascinating work is a series of explorations of key events in the administrations of Ronald Reagan and George H W Bush each of which speculates on what might have happened if events had unfolded differently The Reagan Era explores a time that saw the rise of the political conservatism that has dominated U S politics in recent years as well as the end of the Cold War which drove American foreign policy for nearly a half century What if Jimmy Carter had successfully navigated the energy shortage and the Iranian hostage crisis What if the assassination attempt on Reagan had succeeded What if Iran Contra had not become a scandal These are among the specific topics examined in the book which looks at 11 crucial events and speculates on the effects of alternative outcomes By showing how easily the world might be different The Reagan Era reveals the lasting impact of that era's defining moments

United States-Soviet Relations, 1991

United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Arms Control, International Security, and Science, 1992

Russian Politics Under Putin Cameron Ross, 2004-08-21 In March 2000 Vladimir Putin was elected President of the Russian Federation the largest country in the world In the space of just a few years Putin's radical reforms in the areas of domestic and foreign policy have made a major impact on Russian politics and society and we have witnessed a new orientation in Russia's external relations with the West But is Putin an authoritarian or a democrat Does his presidency signal a break with Russia's past or is he just another autocratic czar in modern clothing This is a lively comprehensive and highly accessible account of contemporary Russian politics There are fifteen chapters covering such key areas as leadership

and regime change political parties and democratization economy and society regional politics the war in Chechnya and Russian foreign policy Горбачев и Ельцин как лидеры George Breslauer, 2021-05-04 How did Gorbachev and Yeltsin get away with transforming and replacing the Soviet system and its foreign relations Why did they act as they did in pushing for such radical changes And how will history evaluate their accomplishments In this unique and original study George W Breslauer compares and evaluates the leadership strategies adopted by Gorbachev and Yeltsin at each stage of their administrations political rise political ascendancy and political decline He demonstrates how these men used the power of ideas to mobilize support for their policies to seize the initiative from political rivals and to mold their images as effective problem solvers indispensable politicians and symbols of national unity and Ian Gorbachev and Yeltsin as Leaders also compares these men with Khrushchev and Brezhnev yielding new insight into the nature of Soviet and post Soviet politics and into the dynamics of transformational leadership more generally The book is an important contribution to the analysis and evaluation of political leadership It is exceptionally well written and accessible to the nonspecialist **Patterns In Post-soviet Leadership** Timothy Colton, Robert C Tucker, 2019-06-04 This book summarizes leadership and general political developments in the Soviet Union since the onset of the reforms It explores new developments and old continuities in elite politics in the Russian Federation and other post Soviet states during the period of transition and consolidation *Russia Reimagined: Global Power Dynamics From The Soviet Fall To The Modern Day* Maria Kuznetsova, 2024-10-10 Maria Kuznetsova s book *Russia Reimagined* details Russia s geopolitical evolution from the Soviet collapse to the present day covering economic turmoil political consolidation under Putin relations with the West and Russia s evolving domestic and foreign policies Key Takeaways The Soviet collapse left Russia facing immediate challenges including economic disintegration social unrest and ethnic tensions The leadership transition from Gorbachev to Yeltsin marked a pivotal shift towards market economics and democratization though this transition was turbulent Putin s rise in centralized power leading to political consolidation and a managed democracy is often criticized for its authoritarian aspects Russia s relationship with the West is characterized by tensions stemming from NATO expansion conflicts in Georgia and Ukraine and information warfare Economic sanctions against Russia have had significant macroeconomic and sectoral impacts leading to policy adjustments and countermeasures Russia s energy sector is crucial to its economic stability and geopolitical leverage The book concludes by reflecting on three decades of Russia s geopolitical evolution and offering predictions for its future path in a multipolar world Contributions of the Book Geopolitical Influence and Strategies The book delves into Russia s geopolitical strategies particularly focusing on its influence in regions like the South Caucasus and Central Asia It highlights the historical associations and ongoing tensions in areas such as Nagorno Karabakh Tajikistan and Uzbekistan emphasizing the need to thoroughly examine Russia s influence and interrelations in these critical areas Economic and Energy Partnerships The book discusses the economic collaborations between Russia and European nations which include trade investment and

technological exchanges These partnerships have facilitated mutual economic growth and technology transfers although they have also faced challenges such as regulations sanctions and trade disputes Cultural Influence and Soft Power The book explores Russia's use of cultural influence and soft power as part of its geopolitical strategies This includes disseminating ideas and cultural exchanges which influence Russia's broader global influence Unintended Outcomes and Challenges The book addresses the unintended outcomes of Russia's geopolitical actions such as the complexities and challenges that arise from its interventions and alliances These outcomes highlight the intricate nature of international relations and the potential for unforeseen consequences Future Projections and Resolutions The book proposes potential resolutions for geopolitical conflicts such as deploying a United Nations peacekeeping mission and using international legal mechanisms for arbitration These suggestions aim to foster stability and uphold international law in disputed territories Transformation and Challenges in Russia The book examines Russia's internal transformations and challenges including economic and political shifts It provides insights into the country's domestic changes and their implications for its international strategies These contributions collectively offer a comprehensive analysis of Russia's geopolitical strategies economic collaborations cultural influence and the challenges it faces both domestically and internationally A Must Read *The Diplomatic Record 1991-1992* Hans Binnendijk, Mary Locke, Alan Wm Wolff, Flora Lewis, 2019-07-11 This volume reveals to readers the impact of recent events on diplomacy a year or so into the post Cold War world describing disintegration in the East integration in the West new relations with old allies changes in the Third World and multilateral diplomacy *Key Themes of the Twentieth Century* Philip Sauvain, 1996 Key History for GCSE offers a cost effective approach to resourcing the new GCSE syllabuses as one core book covers all the Modern World syllabus requirements The series is practical and flexible the core book is supplemented by topic books providing resources for Modern World and Schools History project Depth Studies Teachers will enjoy a comprehensive support package Each Pupils Book is supported by a fully integrated Teacher's Resource Guide providing worksheets for mixed abilities homework resources and guidelines on assessment Suitable for all ability levels Extra help is given for lower ability pupils The series makes an ideal core resource for GCSE suitable for use either as a stand alone course or as a follow on to Key History for Key Stage 3 providing progression in learning style and presentation

Russia's Engagement with the West: Alexander J. Motyl, Blair A. Ruble, Lilia Shevtsova, 2016-07-22 The Putin and Bush presidencies the 9 11 attack and the war in Iraq have changed the dynamics of Russian European US relations and strained the Western alliance Featuring contributions by leading experts in the field this work is the first systematic effort to reassess the status of Russia's modernization efforts in this context Part I examines political economic legal and cultural developments in Russia for evidence of convergence with Western norms In Part II the contributors systematically analyze Russia's relations with the European Union Eastern Europe Central Asia and the United States in light of new security concerns and changing economic and power relationships *The Politics of Inequality in Russia* Thomas F. Remington, 2011-04-29 This

book investigates the relationship between the character of political regimes in Russia's subnational regions and the structure of earnings and income. Based on extensive data from Russian official sources and surveys conducted by the World Bank, the book shows that income inequality is higher in more pluralistic regions. It argues that the relationship between firms and government differs between more democratic and more authoritarian regional regimes. In more democratic regions, business firms and government have more cooperative relations, restraining the power of government over business and encouraging business to invest more, pay more, and report more of their wages. Average wages are higher in more democratic regions, and poverty is lower, but wage and income inequality are also higher. The book argues that the rising inequality in postcommunist Russia reflects the inability of a weak state to carry out a redistributive social policy.

The 100 Most Influential World Leaders of All Time Amy McKenna, Senior Editor, Geography and History, 2009-12-20. Collects profiles of the one hundred most influential leaders throughout history, including such heads of state as Constantine and Barack Obama, such religious leaders as the Dalai Lama, and such influential social leaders as Martin Luther King Jr.
