scholarship This book liberates Paul from the Western logic of identity and its dominant understanding of difference Drawing

attention to the currency of discourses on difference in contemporary theories as well as in biblical studies the author critically examines the hermeneutical relevance of a contextual and relational understanding of difference He applies it to interpret the dynamics of Jew Gentile difference reflected particularly in meal practices Gal 2 1 21 and Rom 14 1 15 13 of early Christian communities Paul and the Politics of Difference argues that by deconstructing the hierarchy of social relations underlying the Jew Gentile difference in different community situations Paul promotes a politics of difference This affirms a preferential option for the socially weak solidarity with the weak Paul s politics of difference is invoked as the potential for liberation in a vision of egalitarian justice in the face of contemporary globalism s proliferation of difference *Nightingales on Call* Donna Douglas, 2014-04-24 From the author of *The Nightingale Girls* *The Nightingale Sisters* and *The Nightingale Nurses* perfect for fans of *Call the Midwife* 1937 sees new challenges for the trainee nurses Dora and her old enemy Lucy are paired up on the children s ward for the final three months of their training The two nurses couldn t seem more different but they may have more in common than they think as each hides a secret heartache and new faces at the Nightingale Jess is the feisty eldest daughter of a notorious East End family and determined to prove herself as a ward maid And new trainee nurse Effie can t wait to escape her small Irish village and make her way as a nurse in London But Effie s sister Katie soon begins to worry that Effie s behaviour is out of control *Nightingales on call* and in crisis have they got what it takes **District of Columbia Appropriations** United States.
