the margin this verse 6 as illustration and proof of the claim He went round about the villages teaching The villages We townsfolk sometimes talk of the village with just a touch of scorn And when it comes to being a village preacher we think of him with a kind of superior pity We talk of the village preacher as an obscure person or say that a man of gifts is buried in a village There is not a student leaving college who does not think himself too good for the village Too good for the village We may all of us well go to school to Christ to learn the lesson of lowliness to be taught to be wilting to take the small opportunity and to serve Him in a humble place *The Gospel According to St Mark X. 32-XIII. 37* John Daniel Jones, 1919

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease *A Guide to the Gospels* William Graham Scroggie, 1948 Acknowledged by many as a classic work of biblical scholarship A Guide to the Gospels by Dr W Graham Scroggie provides a book by book treatment of the foundational New Testament books Every element of the four Gospels is covered under the three divisions of this study The Gospels viewed synthetically The Gospels viewed analytically The Gospels viewed Christologically Filled with a wealth of charts maps and lists A Guide to the Gospels provides a ready source of information analysis and source material for the pastor teacher or Bible student Scroggie's insightful treatment of the English text furnishes the comprehensive scholarship necessary for a thorough grasp of each book of the Gospels Back cover Abingdon New Testament Commentaries: Mark Prof. C.
