Connecting Gospels Francis Watson, Sarah Parkhouse, 2018-04-04 By the late second century early Christian gospels had been divided into two groups by a canonical boundary that assigned normative status to four of them while consigning their competitors to the margins Connecting Gospels Beyond the Canonical Non canonical Divide finds new ways to reconnect these divided texts Starting from the assumption that in spite of their differences all early gospels express a common belief in the absolute significance of Jesus and his earthly career this authoritative collection makes their interconnectedness fruitful for interpretation The contributors have each selected a theme or topic and trace it across two or more gospels on either side of the canonical boundary and the resulting convergences and divergences shed light not least on the canonical texts themselves as they are read from new and unfamiliar vantage points This volume demonstrates that early gospel literature can be regarded as a single field of study in contrast to the overwhelming predominance of the canonical four characteristic of traditional gospels scholarship

Seeking the Imperishable Treasure Steven R Johnson, 2010-06-24 This book tracks the use of a single saying of Jesus over time and among theologically divergent authors and communities and identifies six different versions of the saying in the canonical gospels and epistles as well as the Gospel of Thomas and Q After tracing the tradition and redaction history of this wisdom admonition the author observes at least two distinctly different wisdom themes that are applied to the saying the proper disposition of wealth and the search for knowledge wisdom or God What he discovers is a saying of Jesus with roots in Jewish wisdom and pietistic traditions as well as popular Greek philosophy that proved amazingly adaptable in its application to differing social and rhetorical contexts of the first century

Foster,2008-09-11 This book brings together a collection of chapter length treatments on the most significant of the non canonical gospels A particular strength of the volume is that it draws upon the research of leading experts in the field and clearly and concisely communicates the most hotly contested issues surrounding each text While a key function of each chapter is to make the current academic debates accessible to a wider audience these treatments are not simply overviews or survey articles They also present fresh perspectives on a number of points and critically assess the most recent trends in scholarship As such they will provide an ideal entry point for advanced undergraduate courses and taught Masters programmes The structure of the book is divided up in an easily useable format There is an introduction which underscores the significance of the non canonical texts both for the original readers and for contemporary audiences This chapter by Keith Elliott also traces important moments in the reception of a number of these texts both in art and literature Next follows the main sequence of chapters dealing with individual texts Texts such as the Gospel of Thomas the Gospel of Peter and the Gospel of Mary are treated first due to the impact they have had to varying degrees on Historical Jesus research Other texts are grouped in various subgroups the two infancy gospels follow each other and the more fragmentary texts are also closely linked in the arrangement The book presents one of the most comprehensive and up to date discussions of a range of texts that continue to be of interest to scholars and wider readers The discussions should clarify a number of popular misconceptions and allow for a more informed debate The scholars who contribute to this collection represent an eclectic range of views and theological outlooks No attempt has been made to impose a prescribed perspective Rather the leading experts have been consulted to produce fresh and stimulating treatments The book will include contributions from Andrew Gregory Oxford Christopher Tuckett Cambridge April DeConick Rice and Simon Gathercole Aberdeen among others
