The Gospel Libel Volume II Anonymous, 2000-10-26 NOTE This is Vol II of II PURPOSE NEED FOR THIS PUBLICATION The early Christians said to the Jews You have no right to live among us as Jews and sought to make them Christians Then political Christendom said You have no right to live among us and created the ghettos of physical separation Finally the Nazis said You have no right to live and the world remained silent Anti Semitism past and present is a natural concomitant of the Gospel libel which was causal and manifest in the Holocaust As anti Semitism is again on the rise and as ignorance is not only prevalent but also rampant inculcating the uneducated and misinformed masses with the truth may possibly and hopefully result in a diminution if not a culmination of anti Jewish hostility This treatise is a depiction of the most important trial in the annals of history a trial dealing with the most tragic libel in the history of the human race a libel that was causal in crusades inquisitions pogroms Holocausts and other crimes against an innocent people for more than nineteen centuries Rectifying this ongoing injustice is the primary purpose of this publication A CHALLENGE For more than nineteen centuries Christians have been accusing Jews of having shed innocent blood the blood of their lord Jesus Christ They claim that almost two thousand years ago the Great Sanhedrin the highest tribunal in the land of Judea unjustly convicted Jesus of the capital offense of blasphemy and delivered him to the Roman Procurator to be crucified This accusation based solely upon the testimony of the Four Gospels has never been brought to trial in any court of law No verdict and no decision of guilt against the Jews has ever been handed down by a competent tribunal Yet Christians have ever since been depriving the Jews of their legal and natural rights without due process of law The Jews cannot forever stand accused of this heinous crime by a unilateral opinion and suffer untold misery They are entitled at long last to have their day in court and to refute this long standing accusation It is for this reason this case is being brought to the attention of the world Your first impression as Christians of course will be that this is a special pleading that the author as a Jew was prejudiced and biased in presenting his case and that it is therefore nothing more than a one sided affair You will naturally say that the author as a Jew based his contentions on arguments which are necessarily anti Christian and faulty Hence worthy Christians this thesis is presented to you proving that the Jews cannot be held guilty of having shed the blood of Jesus and you are challenged to refute it If you are unable to disprove this contention or if you conveniently choose to ignore it and thus tacitly admit that it is irrefutable and true then we demand of you in the name of justice and of humanity and of the very tenets of your religion that you openly admit and proclaim henceforth in all your houses of worship and in your parochial schools that the Jews are innocent We demand that you cease indoctrinating the tender minds of your children with the false accusation against the Jews that they were instrumental in causing the crucifixion of Jesus We demand that you cease inciting your followers against the Jews with your Passion Plays before the approach of Easter We demand in the name of justice that you begin now to right the deadly wrong committed against the Jews by revising those chapters in the Four Gospels that tell of

the trial of Jesus and by deleting from the New Testament texts all accusations against the Jews We demand in the name of all that is decent in Christianity and in the name of the conscience of mankind that [Interpretation Vol 1 of the Gospels](#) Theophylact Bulgarian, ArchBp of Ohrid, DONATE https://www.paypal.com/donate/hosted_button_id=VYUHBNF6FPB5Q <https://vidjambov.blogspot.com/2025/03/full-list-of-book-titles-as-of-2025.html> Wealth without work Pleasure without conscience Science without humanity Knowledge without character Politics without principle Commerce without morality Worship without sacrifice <https://vidjambov.blogspot.com/2025/03/full-list-of-book-titles-as-of-2025.html> Jesus cried out with a loud voice so that we could enlighten that when He said I have the power to lay My soul this was true for He gives the soul with power What was this appeal Father in thy hands I betray my spirit for not by compulsion but he voluntarily gave up the spirit This shows I betray also shows that He is thinking again to receive His soul for every pledge is again given back Thanks be to the Lord that when He died and when His spirit was handed over to the Father from that time the souls of the saints are put into the hands of God and not in the dungeons of hell as before so that the death of Christ became our sanctification For this death is invoked with a loud voice not daring and come up if it had not been called The church curtain consisted of a kind of canvas hung in the middle of the temple and separating the inside from the outside like a wall That it is torn apart through this God shows that the temple inaccessible and unseen the inside of which was covered with a veil will be in such humiliation and contempt that it will be accessible to everyone and anyone can consider it Others indicate other causes of strife A torn curtain meant they say the abolition of the letter of law and also that all that was lawful was revealed which had previously been covered with a letter like a kind of curtain and everything that was previously obscure and mysterious would become clear now having been fulfilled on Christ One can also say that as was the custom of the Jews in the case of blasphemy to tear their clothes so now the temple of God as if grieving for the death of God tore his clothes the veil And someone else could say but that is enough The elements then hesitated as if testifying that the Sufferer is the Creator so showing at the same time that that there will be a change in deeds for the Scripture considers an earthquake as a sign of a change in deeds So the transfer of God's view from the Jews to the Gentiles took place And the stones that is the stone hearts of the Gentiles were dissolved and accepted the seed of truth and those who had been killed by sins rose up and entered the holy city into Jerusalem above and appeared to be many who walk on a broad path appearing to them they became for them the prototype of a good life and conversion for seeing a man first mortified by passions and then turned and entered the holy heavenly city another imitates him and turns around in every way However it was invented too exquisitely You know that the resurrection of the dead which happened at the cross of the Lord made it clear that the souls that were in hell were released The Risen then appeared to many so that what happened would not seem like a dream But they have risen for the sake of a sign and it is clear that they died again However some say that they were resurrected after the resurrection of Christ and another time did not die I do not know if this should be accepted [The Gospel of John : 2 Volumes](#) Craig S.

Wilson,2022-11-29 What was the original purpose of the Gospel of Matthew For whom was it written In this magisterial two volume commentary Walter Wilson interprets Matthew as a catechetical work that expresses the ideological and institutional concerns of a faction of disaffected Jewish followers of Jesus in the late first century CE Wilson s compelling thesis frames Matthew s Gospel as not only a continuation of the biblical story but also as a didactic narrative intended to shape the commitments and identity of a particular group that saw itself as a beleaguered dissident minority Thus the text clarifies Jesus s essential Jewish character as the Son of David while also portraying him in opposition to prominent religious leaders of his day most notably the Pharisees and open to cordial association with non Jews Through meticulous engagement with the Greek text of the Gospel as well as relevant primary sources and secondary literature Wilson offers a wealth of insight into the first book of the New Testament After an introduction exploring the background of the text its genre and literary features and its theological orientation Wilson explicates each passage of the Gospel with thorough commentary on the intended message to first century readers about topics like morality liturgy mission group discipline and eschatology Scholars students pastors and all readers interested in what makes the Gospel of Matthew distinctive among the Synoptics will appreciate and benefit from Wilson s deep contextualization of the text informed by his years of studying the New Testament and Christian origins **The Trial of Jesus from a Lawyer's Standpoint (Vol. 1&2)** Walter M.
