Gospel Of St John According To The Earli:

The Gospel According to St. John C. K. Barrett, 1978-12-01 In this useful work C Kingsley Barrett offers an insightful commentary on the book of John Barrett seeks to view John in light of a variety of contexts including that in which it was written and its implications for modern day readers The book includes detailed notes and commentary on each chapter of John s Gospel *The Gospels as Historical Documents: The early use of the Gospels* Vincent Henry Stanton, 1923 **The Johannine Renaissance in Early Modern English Literature and Theology** Paul Cefalu, 2017-11-03 The Johannine Renaissance in Early Modern English Literature and Theology argues that the Fourth Gospel and First Epistle of Saint John the Evangelist were so influential during the early modern period in England as to share with Pauline theology pride of place as leading apostolic texts on matters Christological sacramental pneumatological and political The book argues further that in several instances Johannine theology is more central than both Pauline theology and the Synoptic theology of Matthew Mark and Luke particularly with regard to early modern polemicizing on the Trinity distinctions between agape and eros and the ideologies of radical dissent especially the seventeenth century antinomian challenge of free grace to traditional Puritan Pietism In particular early modern religious poetry including works by Robert Southwell George Herbert John Donne Richard Crashaw Thomas Traherne and Anna Trapnel embraces a distinctive form of Johannine devotion that emphasizes the divine rather than human nature of Christ the belief that salvation is achieved more through revelation than objective atonement and expiatory sin a realized eschatology a robust doctrine of assurance and comfort and a stylistic and rhetorical approach to representing these theological features that often emulates John s mode of discipleship misunderstanding and dramatic irony Early modern Johannine devotion assumes that religious lyrics often express a revelatory poetics that aims to clarify typically through the use of dramatic irony some of the deepest mysteries of the Fourth Gospel and First Epistle **The Gospel According to Saint Mark** C. E. B. Cranfield, 1977 The last fifty years have seen a shift of emphasis in New Testament scholarship When the task was to establish the text and to discuss the authenticity of the documents linguistic and historical considerations came first Now that these things are approaching a settled state it has become possible and necessary to give more attention to the theological and religious content of the New Testament Hence the New Testament is re examined by scholars in this new series Each volume takes a book of the New Testament and after an introduction on general matters goes through the text in great detail commenting especially on theological matters relating the contents to the life and worship of the early Christian communities It is assumed that students have their own Greek text beside the open commentary The text on which the commentary is based is the Kilpatrick Nestle edition *The Four Gospels, as Interpreted by the Early Church* Francis Henry Dunwell, 1876 *Violence, Scripture, and Textual Practices in Early Judaism and Christianity* Raanan Shaul Boustani, Alex P. Janssen, Calvin J. Roetzel, 2010 This volume analyzes the emergence of Jewish and Christian discourses of religious violence within their Roman imperial context with an emphasis on the shared textual

practices through which authoritative scriptural traditions were redeployed to represent legitimate and indeed sacralize violence

Early Christian Discourses on Jesus' Prayer at Gethsemane Karl Olav Sandnes, 2015-12-22 From early on Christians passed down the account of Jesus's agony at the prospect of his own death and his prayer that the cup should pass from him Gethsemane Yet this is a troublesome aspect of Christian tradition Jesus was committed to his death but as it approached he prayed for his escape even as he submitted himself to God's will Ancient critics mocked Jesus and his followers for the events at Gethsemane The hero failed to meet the cultural standards for noble death and masculinity As such this story calls for further reflection and interpretation The present book unfolds discourses from the earliest centuries of Christianity to determine what strategies were developed to come to terms with Gethsemane

Jesus, Paul, and Early Christianity Rieuwerd Buitenwerf, Harm Hollander, Johannes Tromp, 2008-12-31 This collection of essays by leading experts in New Testament scholarship addresses core themes in the study of early Christianity The topics addressed include text critical issues relating to the New Testament the historical situation in which the earliest Christian documents were composed early Christian rituals historical questions concerning Jesus and Paul and the origin and development of important theological ideas in the early Church This volume is dedicated to Henk Jan de Jonge Emeritus Professor in the New Testament Leiden University in honour of his important contributions to the field of New Testament Studies

Exegeting the Jews: The Early Reception of the Johannine "Jews" Michael Azar, 2016-04-18 In Exegeting the Jews The Early Reception of the Johannine Jews Michael G Azar analyzes the rhetorical function of the Gospel of John's Jews in the earliest surviving full length expositions of John in Greek Origen's Commentary on John 3rd cent John Chrysostom's Homilies on John 4th cent and Cyril of Alexandria's Commentary on John 5th cent While scholarship often has portrayed the reception history Wirkungsgeschichte of the Gospel's Jews as simply and uniformly anti Jewish or antisemitic Azar demonstrates that these three writers primarily read John's narrative typologically employing the situation and characters in the Gospel not against contemporary Jews with whom they regularly interacted but as types of each patristic writer's own intra Christian struggle and opponents

The Theme of Temple Christology in John's Gospel Stephen Um, 2006-08-31 This study not only carefully investigates the Jewish tradition of water and Spirit as the normative background of John 4 but also develops temple Christology by connecting these distinct traditions of water and the Spirit as eschatological life for John's use of Spirit as the source of new creational life The aim of this thesis is to answer the following three crucial questions in order to sustain the development of the temple Christological theme in John 4 1 What does the image of water represent 2 What does it mean to worship in Spirit and truth and 3 How do the disparate parts water scene 4 6 15 and the Spirit scene 4 20 26 function as a whole

Stoicism in Early Christianity Tuomas Rasimus, Troels Engberg-Pedersen, Ismo Dunderberg, 2010-11 An international roster of scholars

highlights the place of Stoic teaching in early Christian thought **Miracles in the New Testament** James Matthew Thompson,1911 **Early Christian Interpretation of the Scriptures of Israel** Craig A. Evans,James A. Sanders,1997-09-01 This book explores the ways in which early Christian writers and communities from late antiquity through the New Testament period interpreted the scriptures of Israel as they sought to understand Jesus and the Gospel in relation to God s revelation and past acts in history These essays represent work on the growing edge of studies of the relationship of the Old Testament to the New Testament The contents authored by both veteran and younger scholars treat methods and canons Jesus and the Gospels and Acts and the Epistles *Phases of Early Christianity, Six Lectures* Joseph Estlin Carpenter,1916 *The Living Church* ,1953 **Calvin, the Bible, and History** Barbara Pitkin,2020-05-01 John Calvin was known foremost for his powerful impact on the fundamental doctrines of Protestantism and his biblical interpretation continues to attract interest and inquiry Calvin the Bible and History investigates Calvin s exegesis of the Bible through the lens of one of its most distinctive and distinguishing features his historicizing approach to scripture Barbara Pitkin here explores how historical consciousness affected Calvin s interpretation of the Bible sometimes leading him to unusual unprecedented and occasionally controversial exegetical conclusions Through several case studies Pitkin explores the multi faceted ways that historical consciousness was interlinked with Calvin s interpretation of biblical books authors and themes analyzing the centrality of history in his engagement with scripture from the Pentateuch to his reception of the apostle Paul First establishing the relevant intellectual and cultural contexts Pitkin situates Calvin s readings within broader cultural trends and historical developments demonstrating the expansive impact of Calvin s concept of history on his reading of the Bible Calvin the Bible and History reveals the significance of his efforts to relate the biblical past to current historical conditions reshaping an earlier image of Calvin as a forerunner of modern historical criticism by viewing his deep historical sensibility and distinct interpretive approach within their early modern context *An Ideology of Revolt* Jerome H. Neyrey,2007-05-01 Behind the triumphant proclamation of Jesus as God in the Fourth Gospel stands a history of alienation intense conflict and crisis Jerome Neyrey unearths that history by showing how the Gospel s Christology functions as a cipher for the Johannine community s estrangement and eventual revolt from its roots in the synagogue In Part One Neyrey offers a fresh full exegesis of the controversies over Jesus s eschatological and divine powers which underlay the Gospel s confession of Jesus as equal to God Part Two deftly employs social science modeling for a rigorous and enlightening reconstruction of the worldview of John s community as it evolved through stages of controversy that propelled Christians into an exaltation of Christ and a radical devaluation of this world an ideology of revolt A paradigm of interdisciplinary biblical research An Ideology of Revolt discloses the irony and scandal of John s community and of John s Christ **The Holy Bible, According to the Authorized Version (A.D. 1611)** Frederic Charles Cook,1881
