Gospel According To Thomas With Complementary Texts:

The Gospel According to Thomas, 1983 *Our Godly Sexual Beings* Donna Mack with Kristi Miller, 2023-09-08 Our Godly Sexual Beings explores scripture and other ancient texts to unveil one of humanity's great mysteries: God's purpose for designing our Godly sexual beings. After thirty years of committed research and study, Donna Mack perceived an essential missing link from the age-old battle of God vs Satan. While other books have attempted to discuss human sexuality, none have done so with as many biblical and scholarly backed references as *Our Godly Sexual Beings*. One fascinating revelation in scripture is just how sacred human sexuality exists for God. The Bible sings with this truth, and Donna dives into this mystery to reveal the greatest love story ever told. With the help of over 1,300 references, Donna uncovers God's design for sex and Satan's influence that morphed this gift into a lie of lust. This book is full of many revelations and truths that will allow the reader to experience freedom from sexual sin, shame, and bondage.

A Commentary on the Gospel of Thomas Petr Pokorný, 2011-12-22 This commentary is opened by a study offering information about all aspects of the Gospel of Thomas, especially about its relation to other texts of early Christian literature including the canonical Gospels. The successive commentary is based upon the Coptic version and discusses also all fragments of the original Greek text. The volume is divided into two parts. The first discusses the function of each logion saying within the frame of piety and theology of the Thomasine group for which the Gospel is composed. The second part discusses its literary shape and its history, including its relation to the historical Jesus. The result is a portrait of the Gospel as a radical interpretation of Jesus' heritage, still preserving some forgotten features of his teaching.

Michael Robbins, 2021-01-08 Over under and through John s story of Jesus are unforgettable ideas and concepts profoundly simple and simply profound for the author s own audience and beyond These ideas did not originate in a vacuum They have recurred and been repeated before and after the writing of the Fourth Gospel For this reason we will examine the meaning of its words and themes in the context of its Jewish Greco Roman milieu Much of our intertextual understanding will be derived from alleged parallels that involve comparisons of similar vocabulary and phrases as well as parallel concepts and images from the Old Testament the Dead Sea Scrolls Philo and other relevant writings Such parallels will help to determine the meaning of a word or expression the

Puzzling the Parables of Jesus Ruben Zimmermann, 2015-11-02 Modern scholarship on the parables has long been preoccupied with asking what Jesus himself said and what he intended to accomplish with his parables Ruben Zimmermann moves beyond that agenda to explore the dynamics of parabolic speech in all its rich complexity Introductory chapters address the history of research and distinguish historical from literary and reader oriented approaches then set out a postmodern hermeneutic that analyzes narrative elements and context maps the sociohistorical background explores stock metaphors and symbols and opens up contemporary horizons of interpretation Subsequent chapters then focus on one parable from early Christian sources Q Mark
