Demy, Mark J. Larson, J. Daryl Charles, 2019-09-23 Conflict and war were common during the Reformation era Throughout the sixteenth century rising religious and political tensions led to frequent conflict and culminated in the Thirty Years War 1618-48 that devastated much of Germany and killed one third of its population Some of the warfare as in central and southern Europe was between Christians and Muslims Other warfare in central and northwestern Europe was confessional warfare between Catholics and Protestants Religion was not the only cause of war during the period Revolts territorial ambitions and the beginnings of the contemporary nation state system and international order that emerged after the Treaty of Westphalia 1648 also fueled the trauma and tragedy of war In many ways the world of the Reformers and Protestant Reformation was a violent world and it was within such a sociopolitical framework that the Reformers and their followers lived worked and died This book introduces the teachings of the Protestant Reformers on war and peace in their context before offering relevant primary source readings **Advocate of Peace Through Justice**, 1920

Sittema, 2025-09-18 The Book of Revelation may appear strange opaque even confusing to modern eyes Yet it is meant to reveal not to conceal Written in the style of Old Testament prophets it comes to us in a code that is readily understood from the stories symbols and images of those prophets It announces as beams of light refracted through a prism the truth about us this broken world the powers and patterns of evil and the victory of God through Jesus and his faithful ones Reading Revelation may appear to be a challenge not reading can be dangerous I've read the Book of Revelation many times but I've never dared to study it until now John Sittema's Where Justice and Peace Kiss doesn't just decode the imagery it delivers the message with power and clarity His prose is reminiscent of the first time I tasted fine wine meant to be sipped slowly savored and thoughtfully contemplated before moving to the next Mike Jette Elder at large author of Following the Invisible Jesus Rock Hill SC a rare and marvelous piece of work Meditations or devotions from Revelation are almost as rare as ocean water that tastes good and few devotionals of any kind offer as much as this one Gary Corwin
