Patrick Peritore,Ana Karina Galve-Peritore,1995 The different challenges posed by the growth of biotechnology have been keenly felt in Latin America This work examines how biotechnology can be made to serve developing nations rather than provide another route for exploitation by First World industry **Developments in Latin American Political Economy** J. Buxton,N. Phillips,1999-08-20 The first part of the volume addresses the changing nature and interaction of the state and the market in Latin American countries as well as the principal challenges of consolidating political and economic reform in a period of profound change The second part of the book examines a variety of traditional and non traditional political roles ranging from the military to women and from the environmental lobby to human rights It explores the ways in which the changing composition of the political debate is

shaping the political arena Forward looking in its approach to volume provides readers with an indication of factors which will be of key significance in the immediate future the tensions which have yet to be resolved and the prospects ahead

Neoliberalism and Class Conflict in Latin America H. Veltmeyer, J. Petras, S. Vieux, 2016-07-27 The 1980s in Latin America saw the implementation of a sweeping programme of economic reforms either imposed as a condition for securing new loans or to embrace the neoliberal doctrine of structural adjustment the ideology of a newly formed transnational capitalist class However the structural adjustment programme also generated widespread resistance especially from within the popular sector of civil society This book analyses both the politics of the adjustment process and the political dynamics of this resistance in Latin America

Cuban Communism 9th Editi Irving Louis Horowitz, Jaime Suchlicki, Forty six essays presented by avowedly anti Castro editors and gathered mostly from US journals and books of the past couple decades are organized into five sections devoted to the history economy society military and polity of Cuba Some of the specific topics treated include Cuban and Soviet relations decentralization local government and participation economic policies and strategies for the 1990s the politics of sports political and military relations and forecasting institutional changes after Castro In addition two appendices present a chronology of the Cuban revolution from 1959 to 1998 and biographical essays on 19 revolutionary leaders Annotation copyrighted by Book News Inc Portland OR [Green Guidance for Latin America and the Caribbean](#) Lori Ann Thrupp, 1993

Revolution In El Salvador Tommie Sue Montgomery, 2018-02-23 Since the first edition of this book appeared in 1982 El Salvador has experienced the most radical social change in its history Ten years of civil war in which a tenacious and creative revolutionary movement battled a larger better equipped US supported army to a standstill have ended with 20 months of negotiations and a peace accord that

promises to change the course of Salvadorean society and politics This book traces the history of El Salvador focusing on the oligarchy and the armed forces that shaped the Salvadorean army and political system Concentrating on the period since 1960 the author sheds new light on the US role in the increasing militarization of the country and the origins of the oligarchy army rupture in 1979 Separate chapters deal with the Catholic church and the revolutionary organizations which challenged the status quo after 1968 In the new edition Dr Montgomery continues the story from 1982 to the present offering a detailed account of the evolution of the war She examines why Duarte s two inaugural promises peace and economic prosperity could not be fulfilled and analyzes the electoral victory of the oligarchy in 1989 The final chapters closely follow the peace negotiations ending with an assessment of the peace accords and evaluate the future prospects for El Salvador and for the 1994 elections

Including the Poor Michael Lipton,J. van der Gaag,1993-01-01 Explores the role of government policy in economic development in the Republic of Korea The Republic of Korea has achieved economic success on many fronts Real GNP has tripled every decade since the 1960s A dynamic and flexible manufacturing sector now dominates the economy The benefits of growth have been widely distributed with a sharp decrease in poverty This study like others in the series seeks to draw lessons from such success and to identify and analyze the policies behind this strong economic performance Koreas development strategy and macroeconomic performance are outlined in Part I Several factors are seen to underlie strong growth including the maintenance of a stable macroenvironment flexible and pragmatic policies and investment in infrastructure and human capital Part II assesses the role played by industrial policy since 1961 Particular attention is given to the Heavy and Chemical Industry HCI drive launched in 1973 to diversify and upgrade Koreas industrial sector The authors note that while the HCI has been largely successful it also has been very costly particularly to the financial sector Part III outlines the role of institutions and the close relationships among the government the bureaucracy and business The key to Koreas rapid development according to the authors was the governments commitment to growth and its early focus on equity and wide distribution of the gains from growth The authors also laud the efficiency and effectiveness of Koreas public and private sector institutions which they see as models for all developing nations **Chilean Review** ,1987 Cuban Communism Irving Louis Horowitz,Jaime Suchlicki, There is no handier guide to the Castro regime and the debates swirling around it Foreign Affairs Appearing in the aftermath of the stunning events surrounding the Elian Gonzalez case the nature of Cuban Communism has again become a core issue for the American people Cuban Communism has widely come to be known as the Bible of Cuban Studies It has been updated and upgraded for the fourth decade of Castro s successful seizure of power the longest running dictatorship in the world In addition to articles and essays representing recent developments in Cuba the work boasts an update of three new features that will make it even more important to students scholars and researchers in the area The volume has an entirely new section on future prospects for civil society and democracy for Cuba in a post Castro environment It also contains a chronology of events from 1959 through 2000 that will be important as a

guide for studying the period Finally the work contains a brief but carefully constructed who's who of important players in Cuba and the regime during the Castro period Some of the articles new to the tenth edition of Cuban Communism are by Ernesto Betancourt Technical Assistance Needs for Institutional Transformation Andrew Natsios Humanitarian Assistance During a Democratic Transition in Cuba Juan J Lopez Non Transition in Cuba Michael Radu United States and Cuba after Castro Sergio Diaz Briquets International Lending Institutions in Cuba's Transition Process and Future Security Issues between the United States and Cuba by Brian Latell This edition sheds new light on why despite predictions of imminent collapse the Castro regime has remained in power It offers insights into the survival potential of dictatorships and illegitimate regimes despite crisis and ostracism It is more than ever a must volume for those interested in comparative political systems and social structures Irving Louis Horowitz is Hannah Arendt Distinguished Professor Emeritus of Sociology and Political Science at Rutgers University Among his works are Three Worlds of Development Beyond Empire and Revolution and the Bacardi Lectures on Cuba published as The Conscience of Worms and the Cowardice of Lions Jaime Suchlicki is Bacardi Professor of History at the Graduate School of International Studies at the University of Miami and executive director of its Cuban American and Cuban Center He is author of From Columbus to Castro University Students and Revolution in Cuba and Mexico From Montezuma to NAFTA Chiapas and Beyond
