Chapter 15: Exchange rates and exchange rate systems has been completely revised. More weight has been placed on the importance of property rights in this new edition with a separate subchapter. A new chapter has been dedicated to the importance of entrepreneurship as a basis for the success of a market economy, thereby underlining an increase in its significance. In view of the recent events, a new chapter regarding financial markets and bank crises has been added. A new digression should also ensure a better understanding of the financial market.
