Economic Ideology And Japanese Industrial Policy:

Economic Ideology and Japanese Industrial Policy Bai Gao,2002-05-16 A major addition to the literature on modern Japanese development emphasizing the role of ideas and ideology **Japanese Economics and Economists Since 1945** Aiko Ikeo,2002-09-26 Leading Japanese scholars present an objective study of Japanese economics since 1945 based on statistical data and analysis It presents a wealth of original empirical data and a new perspective on international economic theory **The Nationalist Dilemma** Marvin Suesse,2023-05-11 Nationalists think about the economy Marvin Suesse argues and this thinking matters once nationalists hold political power Many nationalists seek to limit global exchange but others prioritise economic development The potential conflict between these two goals shapes nationalist policy making Drawing on historical case studies from thirty countries from the American Revolution to the rise of China this book paints a broad panorama of economic nationalism over the past 250 years It explains why such thinking has become influential despite the internal contradictions and chequered record of many nationalist policy makers At the root of economic nationalism s appeal is its ability to capitalise upon economic inequality both domestic and international These inequalities are reinforced by political factors such as empire building ethnic conflicts and financial crises This has given rise to powerful nationalist movements that have decisively shaped the global exchange of goods people and capital Japan in the American Century Kenneth B. Pyle,2018-10-15 No nation was more deeply affected by America s rise to power than Japan The price paid to end the most intrusive reconstruction of a nation in modern history was a cold war alliance with the U S that ensured American dominance in the region Kenneth Pyle offers a thoughtful history of this relationship at a time when the alliance is changing Encyclopedia of Japanese Business and Management Allan Bird,2005-10-18 The Encyclopedia of Japanese Business and Management is the definitive reference source for the exploration of Japanese business and management Reflecting the multidisciplinary nature of this field the Encyclopedia consolidates and contextualises the leading research and knowledge about the Japanese business system and Japanese management thought and practice It will be welcomed by scholar and student alike as an essential resource for teaching an invaluable companion to independent study and a solid starting point for wider exploration *China-Japan Relations after World War Two* Amy King,2016-06-06 A rich empirical account of China s foreign economic policy towards Japan after World War Two drawing on hundreds of recently declassified Chinese sources Amy King offers an innovative conceptual framework for the role of ideas in shaping foreign policy and examines how China s Communist leaders conceived of Japan after the war The book shows how Japan became China s most important economic partner in 1971 despite the recent history of war and the ongoing Cold War divide between the two countries It explains that China s Communist leaders saw Japan as a symbol of a modern industrialised nation and Japanese goods technology and expertise as crucial in strengthening China s economy and military For China and Japan the years between 1949 and 1971 were not simply a moment disrupted by the Cold War but rather an important moment of non

Western modernisation stemming from the legacy of Japanese empire industry and war in China *Antitrust and Global Capitalism, 1930-2004* Tony A. Freyer, 2006-10-09 The international spread of antitrust suggested the historical process shaping global capitalism By the 1930s Americans feared that big business exceeded the government's capacity to impose accountability engendering the most aggressive antitrust campaign in history Meanwhile big business had emerged to varying degrees in liberal Britain Australia and France Nazi Germany and militarist Japan These same nations nonetheless expressly rejected American style antitrust as unsuited to their cultures and institutions After World War II however governments in these nations as well as the European Community adopted workable antitrust regimes By the millennium antitrust was instrumental to the clash between state sovereignty and globalization What ideological and institutional factors explain the global change from opposing to supporting antitrust Addressing this question this book throws new light on the struggle over liberal capitalism during the Great Depression and World War II the postwar Allied occupations of Japan and Germany the reaction against American big business hegemony during the Cold War and the clash over globalization and the WTO *The Development of Economics in Japan* Toichiro Asada, 2014-04-11 This book covers the development of economics in Japan from the inter war period to the 2000s focusing on the international theoretical contributions of Japanese economists The first focal point is the international contributions of Japanese economists before and after World War II The second focal point is the controversies concerning macroeconomic policies in Japan in the period of the Great Depressions in the 1930s and the period of Japanese Great Stagnation in the 1990s and the early 2000s In short economics in Japan is considered from both a theoretical and a policy oriented point of view The intimate relationship between economic theory thought and policy is also fully examined as well as the development of both academic and non academic practical Japanese economics and the influence of Marx Walras Keynes Fisher and Cassell **Systemic Changes in the German and Japanese Economies** Werner Pascha, 2004-08-05 Where will systemic change lead This book offers fresh insights by collecting Japanese and German contributions to this scholarly discussion both from theoretical and empirical viewpoints

The Evolution of the Japanese Developmental State Hironori Sasada, 2013 The Japanese economy underwent a fundamental transition from a liberal economy to a developmental state system during World War II and despite efforts by the American occupation forces to dismantle them after 1945 these elements of the wartime economic system remained in place Through an historical institutionalist lens this book examines the reasons why the key features of the Japanese developmental state such as pilot agencies and industrial associations continued to play key roles in the post war Japanese economy Further it locates the fundamental roots of the developmental state system in wartime Manchuria and thus highlights how decisions made in the context of war continued to influence the direction of the Japanese economy over the following decades Analysing the institutional origin and evolutionary path of developmental state system *The Evolution of the Japanese Developmental State* extends existing scholarship on the institutions that were at the heart of the developmental

state system by focusing on not just why they were important but also how and why they were originally built Based on extensive archival research in both Japan and the USA including Japanese language collections not widely known in the West it will be of great interest to students and scholars of political science economic history economics and Asian studies 21st Century Sociology: A Reference Handbook Clifton D. Bryant, Dennis L. Peck, 2007 Publisher Description

Building a Modern Japan M. Low, 2005-05-05 In the late Nineteenth century the Japanese embarked on a program of westernization in the hope of building a strong and modern nation Science technology and medicine played an important part showing European nations that Japan was a world power worthy of respect It has been acknowledged that state policy was important in the development of industries but how well organized was the state and how close were government business relations The book seeks to answer these questions and others The first part deals with the role of science and medicine in creating a healthy nation The second part of the book is devoted to examining the role of technology and business state relations in building a modern nation

State Competence and Economic Growth in Japan Yoshiro Miwa, 2004-03-11 Yoshiro Miwa asks whether a state can correct market failures and in particular critically analyses the performance of the Japanese economy as a result of state intervention within it In order to examine the capacity of the state to promote growth Miwa examines the Japanese machine tool industry the government's role in promoting this sector and government efforts to achieve growth in small and medium sized enterprises in Japan

Rivalry And Cooperation In The Asia-Pacific: The Dynamics Of A Region In Transition (In 2 Volumes) Mark Beeson, 2019-09-23 Rivalry and Cooperation in the Asia Pacific provides a comprehensive and accessible introduction to the most important strategic and economic region in the world Asia Pacific is a region that is undergoing a major transformation largely as a consequence of the rise of China and its growing rivalry with the United States Whatever happens in the Asia Pacific will profoundly influence global events not just regional ones Looking ahead the region's future direction and even its name is contested and uncertain This two volume reference work by one of the world's leading analysts of regional affairs places these events in historical context and considers what they may mean for future political economic and strategic relations By focusing on the United States China and the region's most significant middle powers the book explains why and how the Asia Pacific has become the fulcrum of international events

Capital as Will and Imagination Mark Metzler, 2013-04-09 With this book Mark Metzler continues his investigation into the economic history of twentieth century Japan that he began in *Lever of Empire* In *Capital as Will and Imagination* he focuses on the successful stabilization of Japanese capitalism after the Second World War How did a defeated and heavily damaged nation manage reconstruction so rapidly What economic beliefs resulted in the miracle years of high speed economic growth Metzler argues that the inflationary creation of credit was key to Japan's postwar success and its eventual demise due to its instability over the long term To prove his case Metzler explores heterodox ideas about economic life in particular Joseph Schumpeter's realization that inflation is intrinsic to capitalist development Schumpeter's ideas widely ignored within standard American

neoclassical economic theory were shaped by his experience of Austria's reconstruction after 1918. They were highly influential in Japan and Metzler traces their impact in the period from the Allied Occupation starting in 1945 through the Income Doubling Plan of 1960. Japan after defeat Metzler argues illustrates the critical importance of inflationary credit creation for increased production.

Locating Neoliberalism in East Asia Bae-Gyoon Park, Richard Child Hill, Asato Saito, 2012-01-04. Locating Neoliberalism in East Asia: Neoliberalizing Spaces in Developmental States examines the influence of neo liberal ideologies on urban and regional policies and practices in several Asian Pacific nations. Represents one of the few studies of neoliberal changes in East Asia, one of the most important topics in social science research over the past two decades. Considers the Asian perspective by focusing on readings from Asian experts. Pays special attention to the spatial dimension of the East Asian neoliberalization. Examines the influence of neo liberal ideologies on urban and regional policies and practices in several Asian Pacific nations. Explores the evolving relationship between the two political economies.

Sovereign Soldiers Grant Madsen, 2018-04-04. They helped conquer the greatest armies ever assembled. Yet no sooner had they tasted victory after World War II than American generals suddenly found themselves governing their former enemies, devising domestic policy and making critical economic decisions for people they had just defeated in battle. In postwar Germany and Japan this authority fell into the hands of Dwight D. Eisenhower and Douglas MacArthur along with a cadre of military officials like Lucius Clay and the Detroit banker Joseph Dodge. In *Sovereign Soldiers* Grant Madsen tells the story of how this cast of characters assumed an unfamiliar and often untold policymaking role. Seeking to avoid the harsh punishments meted out after World War I, military leaders believed they had to rebuild and rehabilitate their former enemies; if they failed they might cause an even deadlier World War III. Although they knew economic recovery would be critical in their effort, none was schooled in economics. Beyond their hopes they managed to rebuild not only their former enemies but the entire western economy during the early Cold War. Madsen shows how army leaders learned from the people they governed, drawing expertise that they ultimately brought back to the United States during the Eisenhower Administration. In 1953 *Sovereign Soldiers* thus traces the circulation of economic ideas around the globe and back to the United States with the American military at the helm.

Japan's Postwar Michael Lucken, Anne Bayard-Sakai, Emmanuel Lozerand, 2013-03-01. Historical surveys of postwar Japan are usually established on the grounds that the era is already over, interpreting postwar to be the years directly proceeding World War II. However the contributors to this book take a unique approach to the concept of the postwar epoch and treat it as a network of historical time frames from the modern period and connect these time capsules to the war to which they are inextricably linked. The book's strength is in its very interdisciplinary approach to examining postwar Japan and as such it includes chapters centred on subjects as diverse as politics, poetry, philosophy, economics and art which serve to fill the blanks in the collective cultural memory that historical narratives leave behind. Originally published in French, this new translation offers the English speaking world important access to a major work on

Japan which has been greatly enriched by the translator's great accuracy and knowledge of English, French and Japanese language history and culture. Japan's Postwar will appeal to students and scholars of Japanese Studies and Modern Japanese History as well as historians studying the world after 1945. *An East Asian Route of Industrialization? The Case of Japan, 1868-1937* Peer Vries, 2022-08-01 In this book Peer Vries is the first scholar to provide an extensive test of the claim that industrialization in East Asia in particular in Japan between the Meiji Restoration and World War Two would have been much more labour intensive than industrialization in the West. He does this by systematically comparing the role and importance of labour and capital in Japan and in a number of Western countries at a similar stage of their industrial development. He uses macro economic data as well as specific observations by people at the time. It turns out that there is no reason to distinguish a specific labour intensive Japanese route of industrialization. His comparative analysis provides us with a better understanding of the logic of industrialization in both West and East. **The Rules of Play** David Leheny, 2018-07-05 The Japanese government seeks to influence the use of leisure time to a degree that Americans or Europeans would likely find puzzling. Through tourism promotion initiatives, financing for resort development and systematic research on recreational practices, the government takes a relentless interest in its citizens' free time. David Leheny argues that material interests are not a sufficient explanation for such a large and consistent commitment of resources. In *The Rules of Play* he reveals the link between Japan's leisure politics and its long term struggle over national identity. Since the Meiji Restoration successive Japanese governments have stressed the nation's need to act like a real that is a Western advanced industrial power. As part of their express desire to catch up, generations of policymakers have examined the ways Americans and Europeans relax or have fun, then tried to persuade Japanese citizens to behave in similar fashion while subtly redefining these recreational choices as distinctively Japanese. In tracing the development of leisure politics and the role of the state in cultural change, the author focuses on the importance of international norms and perceptions of Japanese national identity. Leheny regards globalization as a failure of imagination on the part of policymakers. When they absorb lessons from Western nations, they aim for a future that has already been revealed elsewhere rather than envision a locally distinctive lifestyle for citizens.

Economic Ideology And Japanese Industrial Policy Introduction

In today's digital age, the availability of Economic Ideology And Japanese Industrial Policy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Economic Ideology And Japanese Industrial Policy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Economic Ideology And Japanese Industrial Policy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Economic Ideology And Japanese Industrial Policy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Economic Ideology And Japanese Industrial Policy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Economic Ideology And Japanese Industrial Policy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Economic Ideology And Japanese Industrial Policy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF

books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Economic Ideology And Japanese Industrial Policy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Economic Ideology And Japanese Industrial Policy books and manuals for download and embark on your journey of knowledge?

FAQs About Economic Ideology And Japanese Industrial Policy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Economic Ideology And Japanese Industrial Policy is one of the best book in our library for free trial. We provide copy of Economic Ideology And Japanese Industrial Policy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Economic Ideology And Japanese Industrial Policy. Where to download Economic Ideology And Japanese Industrial Policy online for free? Are you looking for Economic Ideology And Japanese Industrial Policy PDF? This is definitely going to save you time and cash in something you should think about.
