Edward Gibbon Per Fuglum,1953 **Edward Gibbon: His View of Life and Conception of History** Per FUGLUM,1953 *Constantinople and the West* Deno John Geanakoplos,1989 Deno John Geanakoplos demonstrates the fusion of Byzantine and Latin cultural and eclesiastical relations in the Renaissance *Edward Gibbon, His View of Life and Conception of History, by Per Fuglum* Per Fuglum,1953 **The Study of History** ,2000 History is a subject which never stands still It is always changing its philosophies its contours its leading questions its politics its conceptual status and its methodologies This bibliographical guide to the study of history is wide ranging in scope extending from the ancient world to the 20th century It deliberately concentrates on modern historians views provides a substantial section on the philosophy of history charts controversies and highlights the continual evolution and diversification of history The material is logically organized in major areas and subsections and cross references are given where appropriate An index of authors editors and compilers is also provided **The Idea of Progress in Eighteenth-century Britain** David Spadafora,James Spada,1990-01-01 The idea of progress stood at the very center of the intellectual world of eighteenth century Britain closely linked to every major facet of the British Enlightenment as well as to the economic revolutions of the period Drawing on hundreds of eighteenth century books and pamphlets David Spadafora here provides the most extensive discussion ever written of this prevailing sense of historical optimism **Modern Historians on British History 1485-1945 (Routledge Revivals)** G.R. Elton,2009-12-10 The twenty five year period following the Second World War saw an enormous expansion of activity in the writing of the history of modern Britain and with that expansion a major transformation of the state of knowledge in many parts of the area First published in 1970 this Revivals reissue which includes an extensive coverage of books and a reasonable selection of articles endeavours both to survey the work done and to reduce it to some comprehensible order It indicates achievements and probable lines of development and collects the materials that have grown around the main controversies Omitted are local history in the main and the history of empire and commonwealth except where the latter really arises out of the affairs of the mother country There are special sections on social history the history of ideas Scotland and Ireland **The Literary History of England** Donald F. Bond,G. Sherburn,2003-09-02 English historians in the Middle Ages is an overview of the history of English historians and their works in the Middle Ages English historians helped lay the groundwork for modern historical methodology provided vital accounts of the early history of England its culture and revelations about the historians themselves The most remarkable period of historical writing was during the High Middle Ages in the 12th and 13th centuries when English chronicles produced works with a variety of interest wealth of information and amplitude of range However one might choose to view the reliability *A Literary History of England* Tucker Brooke,Matthias A. Shaaber,1959-03-31 First Published in 1959 Routledge is an imprint of Taylor Francis an informa company *Bibliography of Social Science Periodicals and Monograph Series : Norway, 1945-1962* United States. Bureau of

the Census, United States. Bureau of the Census. Statistical Research Division, 1964 **Religious Rivalries in the Early Roman Empire and the Rise of Christianity** Leif E. Vaage, 2010-10-30 Religious Rivalries in the Early Roman Empire and the Rise of Christianity discusses the diverse cultural destinies of early Christianity early Judaism and other ancient religious groups as a question of social rivalry The book is divided into three main sections The first section debates the degree to which the category of rivalry adequately names the issue s that must be addressed when comparing and contrasting the social success of different religious groups in antiquity The second is a critical assessment of the common modern category of mission to describe the inner dynamic of such a process it discusses the early Christian apostle Paul the early Jewish historian Josephus and ancient Mithraism The third section of the book is devoted to the rise of Christianity primarily in response to the similarly titled work of the American sociologist of religion Rodney Stark While it is not clear that any of these groups imagined its own success necessarily entailing the elimination of others it does seem that early Christianity had certain habits both of speech and practice which made it particularly apt to succeed in the Roman Empire Bibliography of Social Science Periodicals and Monograph Series United States. Bureau of the Census, 1962 Bibliography of Social Science Periodicals and Monograph Series: Norway United States. Bureau of the Census, 1961 **Foreign Social Science Bibliographies** , 1964 **Formation of English Neo-Classical Thought** James William Johnson, 2015-12-08 This book reexamines some of the prevalent critical assumptions about English Neo Classical thought and literature and tests them by viewing Neo Classicism within its intellectual tradition and its self defined limits Originally published in 1967 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Montesquieu and Social Theory John Alan Baum, 2013-10-02 Montesquieu and Social Theory details Montesquieu s contribution to sociology The title chronicles Montesquieu s work that led to establishing the fundamentals and principles of sociology The text first details Montesquieu s biographical account and then proceeds to discussing the Montesquieu s motivation in his works The next chapters encompass Montesquieu s works which include Persian Letter Considerations on the Causes of the Greatness of the Romans and their Decline and On The Spirit of the Laws The last chapter details Montesquieu s influence in the late 18th and early 19th centuries The book will be of great interest to anyone who has a keen interest in the development of social science **The Source: the Self and Its Contradictions in the Eighteenth Century Autobiography** Alda Blanco, 1983 *Foreign Social Science Bibliographies* United States.
