Long,1993 *Household Gods* Deborah Cohen,2006-01-01 At what point did the British develop their mania for interiors wallpaper furniture and decoration Richly illustrated Household Gods chronicles 100 years of British interiors focusing on class choice shopping and possessions **The Edwardian Sense** Morna O'Neill,Michael Hatt,2010 This is the twentieth in a series of occasional volumes devoted to studies in British art published by the Yale Center for British Art and the Paul Mellon Centre for Studies in British Art and distributed by Yale University Press Book Jacket **Land and Society in Edwardian Britain** Brian Short,1997-04-07 This 1997 book is a standard reference to the 1910 New Domesday data essential for historians of Edwardian Britain [Residential Institutions in Britain, 1725-1970](#) Jane Hamlett,2015-10-06 The essays in this collection explore both organizational intentions and inhabitants experiences in a diverse range of British residential institutions during a period when such provision was dramatically increasing [Dwelling\(s\) in Nineteenth-Century Ireland](#) Heather Laird,Jay R. Roszman,2023-10-15 What did it mean to have an Irish dwelling in the nineteenth century How did Irish people write about think about visually represent or imagine what constituted home Showcasing research from scholars based in Ireland the United Kingdom and further afield this interdisciplinary volume seeks to answer these questions by exploring the physicality and symbolism of Irish dwellings and the home as a place of repose exercise and work Using a range of methodological approaches including history folklore and literature this volume offers new perspectives on the material culture of home fictionalized homes social housing schemes suburban living spaces home and social mobility institutional living migration and memories of the home house and gender and eviction Rather than focus on the Big House which has already received considerable scholarly attention this volume foregrounds dwelling spaces that were especially vulnerable to economic forces the homes of the urban and rural poor Additionally the book acknowledges the importance to nineteenth century Ireland of a class that has arguably received even less attention in Irish scholarship than the poor a rising urban suburban middle class exploring their impact on housing and on cultural and leisure activities An Open Access version of Christopher Cusack s chapter Back into the old homestead The Irish Cottage in Irish American Fiction 861 1910 will be made available on publication *Architecture and Design For the Family in Britain, 1900-1970* David Jeremiah,2000-11-18 Drawing from archeology history town planning and sociology this study considers family homes and new neighborhoods the products and plans for everyday life and the family lifestyle Information is presented chronologically and in terms of class Chapters focus on specific periods of time between 1918 and 1969 as well as on issues like health comfort and happiness Forty nine illustrations and black and white photographs are featured Distributed by Palgrave Annotation copyrighted by Book News Inc Portland OR **The British Country House in the Eighteenth Century** Christopher Christie,2000 This work explores the British country house between 1700 1830 and looks at the lives of the noblemen and the servants who inhabited them Reference is made to the whole of the British Isles

and there is a discussion of their political significance      The Cosmopolitan Interior Judy Neiswander,2008 Judith Neiswander explains that during these years liberal values individuality cosmopolitanism scientific rationalism the progressive role of the elite and the emancipation of women informed advice about the desirable appearance of the home In the period preceding the First World War these values changed dramatically advice on decoration became more nationalistic in tone and a new goal was set for the interior to raise the British child by the British hearth Neiswander traces this evolving discourse within the context of current writing on interior decoration writing that it is much more detached from social and political issues of the day BOOK JACKET      **The Autobiography of a Nation** Becky Conekin,2003-06-28 The first full length study on the 1951 Festival of Britain      *Approaches to Teaching Bechdel's Fun Home* Judith Kegan Gardiner,2018-10-01 Offers pedagogical techniques for teaching the nonfiction graphic novel *Fun Home* by Alison Bechdel in college courses in literature women s and gender studies and art including considerations of autobiography theory queer theory psychoanalysis literary and historical allusions and the work s musical adaptation Gives syllabus suggestions for undergraduate and graduate courses      **Encyclopedia of Interior Design** Joanna Banham,1997-05 First published in 1997 Routledge is an imprint of Taylor Francis an informa company      Trees in Towns and Cities Mark Johnston,2015-08-31 This is the first book on the history of trees in Britain s towns and cities and the people who have planted and cared for them It is a highly readable and authoritative account of the trees in our urban landscapes from the Romans to the present day including public parks private gardens streets cemeteries and many other open spaces It charts how our appreciation of urban trees and woodland has evolved into our modern understanding of the many environmental economic and social benefits of our urban forests A description is also given of the various threats to these trees over the centuries such as pollution damage during the Industrial Revolution and the recent ravages of Dutch elm disease Central and local government initiatives are examined together with the contribution of civic and amenity societies However this historical account is not just a catalogue of significant events but gives a deeper analysis by exploring fundamental issues such as who owned those treed landscapes why they were created and who had access to them The book concludes with the fascinating story of how trees have contributed to efforts to improve urban conditions through various visions of urban green such as the model villages garden cities garden suburbs and the new towns Studies in garden and landscape history have often been preoccupied with those belonging to the rich and powerful This book focuses particularly on working people and the extent to which they have been able to enjoy urban trees and greenspace It will appeal to a general readership especially those with an interest in garden history heritage landscapes and the natural and built environment Its meticulous referencing will also ensure it is much appreciated by students and academics pursuing further reading and research It is written by an internationally renowned arboriculturist who combines a passion for trees with a sound understanding of British social and cultural history      **The Chimney of the World** Stephen Mosley,2013-04-15 In this innovative contribution to the field of

environmental history Stephen Mosley explores the devastating human and environmental costs of smoke pollution in the world's first industrial city

**Interior Design and Identity** Susie McKellar, Penny Sparke, 2004-11-27 This chronologically arranged set of case studies looks at how interior design has constantly redefined itself as a manifestation of culture from the eighteenth century to the present day The book looks at the amateur activities of female home makers in search of creative outlets and married couples seeking to modernize their homes as well as the contributions of early professional female interior decorators and later male interior designers It also considers the more anonymous role of commercial enterprises such as hairdressing salons cruise ships or modern offices Issues relating to interiority gender and the relationship of the public sphere are also considered opening up a new level of design historical enquiry

*Family and Business During the Industrial Revolution* Hannah Barker, 2017 This is an open access title available under the terms of a CC BY NC ND 4.0 International licence It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations Small businesses were at the heart of the economic growth and social transformation that characterized the industrial revolution in Britain In towns across north west England shops and workshops dominated the streetscape and helped to satisfy an increasing desire for consumer goods Yet despite their significance we know surprisingly little about these firms and the people who ran them for whilst those engaged in craft based manufacturing retailing and allied trades constituted a significant proportion of the urban population they have been generally overlooked by historians Instead our view of the world of business is more usually taken up by narratives of particularly successful firms and especially those involved in new modes of production By examining some of the forgotten businesses of the industrial revolution and the men and women who worked in them *Family and Business During the Industrial Revolution* presents a largely unfamiliar commercial world Its approach which spans economic social and cultural history as well as encompassing business history and the histories of the emotions space and material culture alongside studies of personal testimony testatory practice and property ownership tests current understandings of gender work family class and power in the late eighteenth and early nineteenth centuries It provides us with new insights into the lives of ordinary men and women in trade whose relatively mundane lives are easily overlooked but who were central to the story of a pivotal period in British history

*Dress and Globalisation* Margaret Maynard, 2004-09-04 This work surveys dress and identity of cultures around the world It draws on issues of consumption ethnicity gender and the body as well as anthropological accounts and studies of representation

Establishing Dress History Lou Taylor, 2004-05-07 *Establishing Dress History* will appeal not only to students and academics but all those with an interest in the history of dress and fashion The title fuses together two areas of current academic interest dress design and history and current museum studies approaches

*Graphic Design* Paul Jobling, David Crowley, 1996 This is an inventive a well researched study which explores the production and consumption of graphic design in Europe

Corridors Roger Luckhurst, 2019-05-13 We spend our lives moving through passages hallways

corridors and gangways yet these channeling spaces do not feature in architectural histories monographs or guidebooks They are overlooked undervalued and unregarded seen as unlovely parts of a building s infrastructure rather than architecture This book is the first definitive history of the corridor from its origins in country houses and utopian communities in the seventeenth and eighteenth centuries through reformist Victorian prisons hospitals and asylums to the corridors of power bureaucratic labyrinths and housing estates of the twentieth century Taking in a wide range of sources from architectural history to fiction film and TV Corridors explores how the corridor went from a utopian ideal to a place of unease the archetypal stuff of nightmares
