

# Edwin Lutyens Country Houses

**Gavin Stamp**

## **Edwin Lutyens Country Houses:**

**Edwin Lutyens** Gavin Stamp, 2001 Presenting a stunning collection of the architectural designs of Edward Lutyens throughout the many phases of his acclaimed career this beautifully presented study includes examples of his Surrey vernacular style early arts and crafts houses and his carefully composed classical houses **Sir Edwin Lutyens** Daniel O'Neill, 1980 **Edwin Lutyens** Gavin Stamp, 2009-06-16 Gavin Stamp's authoritative introduction places Lutyens firmly among the giants of architecture an architect of rare genius and humanity Stamp selected twenty two houses representing all phases of Lutyens's career two hundred beautifully reproduced photographs combined with Stamp's illuminating essay provide a unique survey *The Architecture of Sir Edwin Lutyens: Country-houses* Arthur Stanley George Butler, 1984 *Houses & Gardens* by Sir Edwin Lutyens, R.A. Sir Lawrence Weaver, 1913 **The Architecture of Sir Edwin Lutyens** A.S.G. Butler, 2023-04-28 The quality of the reprint is nearly perfect with a good selection of papers for the three sequential parts of the book the texts the drawings and the black and white photographs Text and drawings are on matte heavyweight pages while the photos are on glossy paper The inks make everything read well in particular the drawing reproductions are exquisite Archidose Edwin Lutyens one of the most famous architectural names of the 20th century died in 1944 As a memorial three large volumes of his drawings and photographs were commissioned from the thousands found in his office and were published by Country Life All three volumes will be republished in 2023 The first volume contains his own plans elevations and copious details of the finest examples of his domestic buildings on which his huge reputation principally rests The book embodies the quintessence of the man and his work the variety of style and design seen in the houses brings together in one volume the many strands of Lutyens's fertile mind Two further volumes will include his corporate and public buildings The genius of Lutyens is now universally recognized In the work featured in this book we can now see not just the professionalism of a great architect but also the loving care with which he set down the most minute detail with the result that this is one of the few books in existence that can be used to provide working drawings *The Country House Revealed* Dan Cruickshank, 2012-07-31 Spanning the architectural history of the country house from the disarming Elizabethan charm of South Wraxall the classical rigour of Kinross in Scotland the majesty and ingenuity of Hawksmoor's Easton Neston the Palladian sweep of Wentworth Woodhouse with over 300 rooms and frontage of 600 feet the imperial exuberance of Clondeboy through to the ebullient vitality of Lutyens Marshcourt the stories of these houses tell the story of our nation All are the buildings of the greatest architectural interest each with a fascinating human story to tell and all remain private homes that are closed to the public But their owners have opened their doors and allowed Dan Cruickshank to roam the corridors and rummage in the cellars as he teases out the story of each house who built them the generations who lived in them and the families who lost them Along the way he has uncovered tales of excess and profligacy tragedy comedy power and ambition And as these intriguing narratives take shape Dan shows how the story of each house is inseparable from the

social and economic history of Britain Each one is built as a wave of economic development crests or crumbles Each one s architecture and design is thus expressive of the aims strengths and frailties of those who built them Together they plot the psychological economic and social route map of our country s ruling class in a rich new telling of our island story Houses and Gardens by Sir Edwin Lutyens, R.A. Lutyens,1925 **How the Country House Became English** Stephanie Barczewski,2023-07-22 The story of how the country house historically a site of violent disruption came to symbolize English stability during the eighteenth century Country houses are quintessentially English not only architecturally but also in that they embody national values of continuity and insularity The English country house however has more often been the site of violent disruption than continuous peace So how is it that the country how came to represent an uncomplicated nostalgic vision of English history This book explores the evolution of the country house beginning with the Reformation and Civil War and shows how the political events of the eighteenth century which culminated in the reaction against the French Revolution led to country houses being recast as symbols of England s political stability Houses and Gardens by Sir Edwin Lutyens Sir Edwin Landseer Lutyens, Lawrence Weaver,1913 *Sir Edwin Lutyens* Clive Aslet,2024-07-02 Sir Edwin Lutyens 1869 1944 was one of the great architects of the twentieth century His Edwardian country houses surrounded by rhapsodic gardens beguiled clients with their romance and wit After 1918 the war memorials that he created symbolized a grieving nation s sense of loss In the new capital of the British Raj New Delhi the Viceroy s House or Rashtrapati Bhavan had a footprint bigger than Versailles His unfinished Liverpool Cathedral would have rivaled St Peter s in Rome Intensely shy Lutyens hid his personality behind puns and jokes and yet he could be called part mystic a reference to an inner profundity Rich in stories this entertaining and stylish short biography is a major new study incorporating fresh research which shows this most charismatic of architects in a new light **Edwin Lutyens** Sir Edwin Landseer Lutyens,1979 Photographs of selected houses *The Architecture of Sir Edwin Lutyens* A. S. G. Butler,1950 **The Country Houses of John F. Staub** Stephen Fox,2007 This ambitious study of Staub s work by architectural historian Stephen Fox goes beyond a description of Staub s houses Fox analyzes the roles of space structure and decoration in creating defining and maintaining social class structures and expectations and shows how Staub was able to incorporate these elements and understandings into the elegant buildings he designed for his clients In the process he contributes greatly to a fuller understanding of Houston s emergence as a premier American city **BOOK JACKET** **Country houses and the British Empire, 1700-1930** Stephanie Barczewski,2017-02-01 Country houses and the British empire 1700 1930 assesses the economic and cultural links between country houses and the Empire between the eighteenth and twentieth centuries Using sources from over fifty British and Irish archives it enables readers to better understand the impact of the empire upon the British metropolis by showing both the geographical variations and its different cultural manifestations Barczewski offers a rare scholarly analysis of the history of country houses that goes beyond an architectural or biographical study and recognises their importance as the physical

embodiments of imperial wealth and reflectors of imperial cultural influences In so doing she restores them to their true place of centrality in British culture over the last three centuries and provides fresh insights into the role of the Empire in the British metropolis

The Story of the Country House Clive Aslet,2021-01-01 The fascinating story of the evolution of the country house in Britain from its Roman precursors to the present An eclectic scholarly account tracing the evolution of the country house from the hunting lodges of the Middle Ages to the modern villas of today Mr Aslet is an elegant writer with a wry sense of humor Moira Hodgson Wall Street Journal Aslet doesn't just tell us who built what and for whom and in what style but about the prevailing economic circumstances and fashions of each period Simon Heffer Daily Telegraph The Story of the Country House is an authoritative and vivid account of the British country house exploring how they have evolved with the changing political and economic landscape Clive Aslet reveals the captivating stories behind individual houses their architects and occupants and paints a vivid picture of the wider context in which the country house in Britain flourished and subsequently fell into decline before enjoying a renaissance in the twenty first century The genesis style and purpose of architectural masterpieces such as Hardwick Hall Hatfield House and Chatsworth are explored alongside the numerous country houses lost to war and economic decline We also meet a cavalcade of characters owners with all their dynastic obsessions and diverse sources of wealth and architects such as Inigo Jones Sir John Vanbrugh Robert Adam Sir John Soane and A W N Pugin who dazzled or in some cases outraged their contemporaries The Story of the Country House takes a fresh look at this enduringly popular building type exploring why it continues to hold such fascination for us today

*Victorian Britain (Routledge Revivals)* Sally Mitchell,2012-08-06 First published in 1988 this encyclopedia serves as an overview and point of entry to the complex interdisciplinary field of Victorian studies The signed articles which cover persons events institutions topics groups and artefacts in Great Britain between 1837 and 1901 have been written by authorities in the field and contain bibliographies to provide guidelines for further research The work is intended for undergraduates and the general reader and also as a starting point for graduates who wish to explore new fields

**Sir Edwin L. Lutyens** ,1939 Hendwritten note England Sir Edwin Landseer Lutyens OM KCIE PRA FRIBA 29 March 1869 1 January 1944 was a British architect who is known for imaginatively adapting traditional architectural styles to the requirements of his era He designed many English country houses He has been referred to as the greatest British architect and is known best for having an instrumental role in designing and building a section of the metropolis of Delhi known as New Delhi which would later on serve as the seat of the Government of India In recognition of his contribution New Delhi is also known as Lutyens Delhi In collaboration with Herbert Baker he was also the main architect of several monuments in New Delhi such as the India Gate he also designed the Viceroy's House now known as the Rashtrapati Bhavan

Country Houses and the New Living Pasquale De Marco,2025-07-16 In an era defined by constant technological advancements and an increasing disconnect from the natural world the appeal of the country house remains as strong as ever These idyllic havens nestled amidst sprawling

landscapes offer a sanctuary from the relentless pace of urban life inviting us to reconnect with the beauty and simplicity of nature Country Houses and the New Living delves into the rich history evolving architecture and captivating allure of the country house Through captivating narratives and stunning visuals this book explores the diverse ways in which these dwellings have reflected the changing social cultural and economic forces that have shaped our societies From the early days when country houses served as functional retreats for the wealthy to their transformation into symbols of status and prestige and finally to their reemergence as places of relaxation reflection and rejuvenation this book provides a comprehensive overview of the country house phenomenon With insightful chapters exploring the unique architectural styles interior design trends and landscaping techniques that have characterized country houses throughout the centuries Country Houses and the New Living offers a fascinating glimpse into the lives and aspirations of those who have sought solace and inspiration in these rural abodes Moreover this book examines the enduring appeal of the country house in contemporary times In an era marked by environmental consciousness and a growing desire for sustainable living the country house is increasingly seen as a haven of peace and tranquility a place to escape the stresses of modern life and reconnect with nature Whether you are a homeowner seeking inspiration for your own country retreat an architecture enthusiast captivated by the beauty of these dwellings or simply someone who longs for a simpler more meaningful way of life Country Houses and the New Living offers a captivating journey into the world of these extraordinary homes If you like this book write a review

**Sir Edwin Lutyens**

Elizabeth Wilhide, 2000 A reissue of a superbly illustrated book tracing Sir Edwin Lutyens's formidable achievements of both grand public buildings and his many beautiful country houses Through his architecture of New Delhi Lutyens had the unofficial status of Britain's architect laureate but it is in his wonderful country houses that his creative genius can most fully be appreciated Elizabeth Wilhide traces the development of the Lutyens style and illustrates his remarkable blend of function and artistry from the imposing granite of Castle Drogo and Lindisfarne to the restful appeal of Munstead Wood which he designed for his long term collaborator and friend Gertrude Jekyll Wilhide also devotes a large section of the book to Lutyens's wonderful interiors With commissioned photographs showing interiors and gardens as well as original designs for furniture this elegant monograph provides a fresh insight into a rich and enduring heritage of design
