T.S. Eliot and Prejudice Christopher Ricks,1988-01-01

Eeldrop and Appleplex Thomas Stearns Eliot,1992

Eeldrop and Appleplex ,

Eeldrop and Appleplex ,2004

T. S. Eliot: Mystic, Son and Lover Donald J.

Childs,2014-01-13 Based upon manuscript sources and the uncollected prose writings as well as the published works this is a profound exploration of Eliot s life long preoccupation with mysticism The author advances new readings of the familiar poems and essays through attention to Eliot s concern in poetry and prose with his roles as mystic son and lover

Constructions of 'the Jew' in English Literature and Society Bryan Cheyette,1995-10-26 Combining cultural theory discourse analysis and new historicism with readings of the works of major contemporary authors this study concludes that the Jew is characterized unstereotypically as the embodiment of uncertainty within English literature and society

Modernist Poetics of History James Longenbach,2014-07-14 By thoroughly examining T S Eliot and Ezra Pound collected and uncollected writings James Longenbach presents their understandings of the philosophical idea of history and analyzes the strategies of historical interpretation they discussed in their critical prose and embodied in their poems including history Originally published in 1987 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Modern Dilemma Leon Surette,2008-06-19

Where Eliot s poetry is dominated by cultural religious and philosophical anxiety Stevens is bright witty and playful and commonly dismissed as superficial Surette demonstrates the seriousness of Stevens life long engagement with the modern dilemma of disbelief showing that he like Eliot rejected the Humanist resolution Surette proceeds by juxtaposing the two poets responses in poetry and prose to the same texts and events Marianne Moore s poetry the Great War Humanists and anti Humanists the Franco Mexican Humanist Ramon Fernandez Pure Poetry and finally the gathering war clouds of the late 1930s

Eeldrop and Appleplex, and Ezra Pound T. S. Eliot,2007-03 Two works by Thomas Stearns Eliot a poet

dramatist and literary critic who received the Nobel Prize for Literature in 1948 A now little known short story and a short biography of another great poet Ezra Pound

Eliot and Beckett's Low Modernism Rick de Villiers,2021-11-24 It h4gt

Explores the relation between humility and humiliation in the works of T S Eliot and Samuel Beckettlt h4gt lt ulgt lt lig
Offers the first book length comparative study of T S Eliot and Samuel Beckettlt lig lt lig Develops a literary theory of
humility and humiliation concepts whose definitions have largely been determined by philosophy and theologylt lig lt lig
Explores the relation between negative affect ethics and aestheticslt lig lt ulgt lt pgt Humility and humiliation have an
awkward often unacknowledged intimacy Humility may be a queenly cardinal or monkish virtue while humiliation points to
an affective state at the extreme end of shame Yet a shared etymology links the words to lowliness and further down to the
earth As this study suggests like the terms in question T S Eliot and Samuel Beckett share an imperfect likeness Between
them is a common interest in states of abjection shame and suffering and possible responses to such states Tracing the
relation between negative affect ethics and aesthetics lt igt Eliot and Beckett s Low Modernism lt igt demonstrates how these
two major modernists recuperate the affinity between humility and humiliation concepts whose definitions have largely been
determined by philosophy and theology lt pgt *Katherine Mansfield and the Bloomsbury Group* Todd Martin, 2017-06-01
The New Zealand born writer Katherine Mansfield associated intimately with many members of the Bloomsbury group but
her literary aesthetics placed her at a distance from the artistic works of the group With chapters written by leading
international scholars *Katherine Mansfield and the Bloomsbury Group* explores this conflicted relationship Bringing together
biographical and critical studies the book examines Mansfield s relationships personal and literary with such major
Modernist figures as Virginia Woolf T S Eliot Aldous Huxley and Walter de la Mare as well as the ways in which her work
engaged with and reacted against Bloomsbury In this way the book reveals the true extent of Mansfield s wider influence on
20th century modernist writing **T. S. Eliot** James E. Miller Jr., 2008-03-17 Late in his life T S Eliot when asked if his
poetry belonged in the tradition of American literature replied I d say that my poetry has obviously more in common with my
distinguished contemporaries in America than with anything written in my generation in England That I m sure of In its
sources in its emotional springs it comes from America In T S Eliot *The Making of an American Poet* James Miller offers the
first sustained account of Eliot s early years showing that the emotional springs of his poetry did indeed come from America
Miller challenges long held assumptions about Eliot s poetry and his life Eliot himself always maintained that his poems were
not based on personal experience and thus should not be read as personal poems But Miller convincingly combines a reading
of the early work with careful analysis of surviving early correspondence accounts from Eliot s friends and acquaintances and
new scholarship that delves into Eliot s Harvard years Ultimately Miller demonstrates that Eliot s poetry is filled with
reflections of his personal experiences his relationships with family friends and wives his sexuality his intellectual and social
development his influences Publication of T S Eliot *The Making of an American Poet* marks a milestone in Eliot scholarship At
last we have a balanced portrait of the poet and the man one that takes seriously his American roots In the process we gain a
fuller appreciation for some of the best loved poetry of the twentieth century **Divine Cartographies** W. David

Soud,2016-07-01 Recent critical studies of late modernism have explored the changing sense of both history and artistic possibility that emerged in the years surrounding World War II However relatively little attention has been devoted to the impact of poets theological deliberations on their visions of history and their poetic strategies Divine Cartographies God History and Poiesis in W B Yeats David Jones and T S Eliot triangulates key texts as attempts to map theologically driven visions of the relation between history and eternity W David Soud considers several poems of Yeats s final and most fruitful engagement with Indic traditions Jones s The Anathemata and Eliot s Four Quartets For these three poets working at the height of their powers that project was inseparable from reflection on the relation between the individual self and God it was also bound up with questions of theodicy subjectivity and the task of the poet in the midst of historical trauma Drawing on the fields of Indology theology and history of religions as well as literary criticism Soud explores in depth and detail how in these texts theology is poetics The Life of Ezra Pound Noel Stock,2013-05-13 First published in 1970 this is a detailed and balanced biography of one of the most controversial literary figures of the twentieth century Ezra Pound an American who left home for Venice and London at the age of twenty three was a leading member of the modern movement a friend and helper of Joyce Eliot Yeats Hemingway an early supporter of Lawrence and Frost As a critic of modern society his far reaching and controversial theories on politics economics and religion led him to broadcast over Rome Radio during the Second World War after which he was indicted for treason but declared insane by an American court He then spent more than twelve years in St Elizabeth s Hospital for the Criminally Insane in Washington D C In 1958 the charges against him were dropped and he returned to Italy where he had lived between 1924 and 1945 Poetry and Belief in the Work of T. S. Eliot Kristian Smidt,2015-12-22 This title first published in 1961 explores the general background of attitudes beliefs and ideas from which Eliot s works have originated This study examines the influences of Eliot s work and includes Eliot s personal views as told to the author The book also looks at technique structure and imagery of his poetry This title will be of interest to students of literature **Bergson and American Culture** Tom Quirk,2017-10-10 Bergsonian vitalism challenged the dominance of Spencerian determinism in the early twentieth century and seemed to offer a new foundation for belief in human freedom and individual possibility Quirk traces the impact of Bergsonism upon the American sensibility and shows how individual writers particularly two such different artists as Willa Cather and Wallace Stevens appropriated vitalistic notions and made them serve the peculiar requirements of their own unique creative imaginations Originally published in 1990 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value **The Waste Land** Matthew Hollis,2022-12-20 A New Statesman Financial Times Observer and Sunday Times Book of the Year An impressive examination of artistic creation Alex Clark Guardian A riveting account of the making of T S Eliot s celebrated

poem *The Waste Land* on its centenary Renowned as one of the world's greatest poems *The Waste Land* has been said to describe the moral decay of a world after war and the search for meaning in a meaningless era It has been labeled the most truthful poem of its time it has been branded a masterful fake A century after its publication in 1922 T S Eliot's enigmatic masterpiece remains one of the most influential works ever written and yet one of the most mysterious In a remarkable feat of biography Matthew Hollis reconstructs the intellectual creation of the poem and brings the material reality of its charged times vividly to life Presenting a mosaic of historical fragments diaries dynamic literary criticism and illuminating new research he reveals the cultural and personal trauma that forged *The Waste Land* through the lives of its protagonists of Ezra Pound who edited it of Vivien Eliot who sustained it and of T S Eliot himself whose private torment is woven into the seams of the work The result is an unforgettable story of lives passing in opposing directions and the astounding literary legacy they would leave behind
