Christianity in America G. Wright Doyle, 2013-07-17 Was America founded as a Christian nation What role has the Christian faith of many of its leaders played in the course of its history How has Christianity affected American culture and society This trenchant critique of the role of Christianity in American history highlights both the ways in which Christians have made many valuable contributions as salt and light and how they have caused a great deal of damage by trying to be savior and lord Believers in Christ have built one of the most Christianized countries in the world with benefits for millions They have also nurtured messianic aspirations that have spawned disasters for themselves and other countries Generous in praise for dedicated believers who have reflected the character of Christ the book is also unsparing in criticism of Christians who have sometimes with the best intentions failed to act wisely In short the reader will be encouraged by the many triumphs of Christianity in America and sobered by its tragedy

All Is Forgiven Marsha G. Witten, 2023-11-14 How the image of God is being refashioned from the Protestant pulpit for an increasingly secular world In recent years direct mail Christianity has extended a new kind of invitation to the Protestant faithful slick brochures enumerating the social and psychological advantages of church attendance with no mention whatsoever of spiritual striving suffering or faith in God Does this kind of secularity prevail in mainline Protestant churches Marsha Witten looks for an answer to this question through an in depth analysis of preaching on an important New Testament text the Parable of the Prodigal Son Witten finds that the transcendent and awesome God of Luther and Calvin whose image informed early Protestant visions of the relationship between human beings and the divine has been greatly softened in demeanor in American Protestant churches with only minor resistance from conservative traditions As preached from the pulpits of the Presbyterian Church USA and the Southern Baptist Convention God is a deity whose primary function lies in providing psychological benefits to individual church members the Parable of the Prodigal Son portrays God as a loving and understanding daddy figure The focus is not on the challenges that the church could pose to the secular sphere of life Instead individuals are encouraged to make the right choices among the secular world s various offerings or as in many Southern Baptist messages to accept God s offer of rescue from the lostness of secular confusions Situating the sermon at the heart of Protestant worship All Is Forgiven shows how complex rhetorical strategies continue to transform Christian faith and help it survive in a secular world

The Presbyterian Controversy Bradley J. Longfield, 1993-11-25
 From 1922 to 1936 the Presbyterian Church in the U S A was torn by conflict Fundamentalists led by Clarence E Macartney William Jennings Bryan and J Gresham Machen modernists guided by Henry Sloane Coffin and moderates directed by Charles R Erdman and Robert E Speer struggled over theological questions and their implications for such issues as ordination requirements the role of Princeton Theological Seminary and foreign missions The church managed to maintain its institutional unity at the height of the conflict in the mid 1920s but the struggle resulted in a loosening of the church s doctrinal standards the reorganization of Princeton Seminary the founding of Westminster Theological Seminary and the eventual birth of the Presbyterian Church of America Weaving together the history of this ecclesiastical conflict with biographies of the six leaders Longfield shows that theological concerns though primary were not the only issues in the struggle He demonstrates that social and cultural considerations profoundly contributed to the roles of the leaders and to the outcome of the conflict Finally Longfield traces the current decline of the Presbyterian Church and other mainline denominations back to this period arguing that by embracing doctrinal pluralism they undermined the very foundations of their mission to the world He concludes that renewal can only be based on a biblical and creedal faith distinct from the values and norms of the surrounding culture
