Effective Project Management 2nd Edition:

Effective Project Management in easy steps, 2nd edition John Carroll, 2012-02-10 Effective Project Management in easy steps will show you how to make sure your project is successful. It focuses on the key skills a manager needs to develop for a smooth running project and a timely arrival at the finishing line. It includes examples for most key documents such as the terms of reference, business case and project plan. It addresses team building and good communications. It covers the typical project stages with helpful lists of applicable tasks and deliverables which effectively provides a blueprint for planning an entire project. This up to date primer covers all key trends in project management including a chapter on Agile Project Management. If you're a first time project manager let this book take you through the essential project stages in easy steps and take note of the applicable tasks and deliverables. If you're an experienced project manager this book provides a valuable source of inspiration for making projects run smoothly and satisfactorily. Covering risk management together with insights on how to plan, lead, organize and control a project simply a fountain of knowledge. Effective Project Management Robert K. Wysocki, 2019-04-05 The popular guide to the project management body of knowledge now fully updated. Now in its eighth edition this comprehensive guide to project management has long been considered the standard for both professionals and academics with nearly 40 000 copies sold in the last three editions. Well known expert Robert Wysocki has added four chapters of new content based on instructor feedback enhancing the coverage of best of breed methods and tools for ensuring project management success. With enriched case studies accompanying exercises and solutions on the companion website and PowerPoint slides for all figures and tables the book is ideal for instructors and students as well as active project managers. Serves as a comprehensive guide to project management for both educators and project management professionals. Updated to cover the new PMBOK Sixth Edition. Examines traditional agile and extreme project management techniques the Enterprise Project Management Model and Kanban and Scrumban methodologies. Includes a companion website with exercises and solutions and well as PowerPoint slides for all the figures and tables used. Written by well known project management expert Robert Wysocki. Effective Project Management Eighth Edition remains the comprehensive resource for project management practitioners, instructors and students. PMBOK is a registered mark of the Project Management Institute Inc. Handbook of Research on Effective Project Management through the Integration of Knowledge and Innovation Jamil, George Leal, Lopes, Sérgio Maravilhas, Malheiro da Silva, Armando, Ribeiro, Fernanda, 2015-01-31 The field of project management experiences conceptual, technological and decision issues when projects are created, implemented and executed without the needed strategic connection. It is important to improve the connection between knowledge management and project management practices. The Handbook of Research on Effective Project Management through the Integration of Knowledge and Innovation bridges the gap between knowledge management and project management practices by providing both classical and modern views on their relationship.
