Leading and Managing People in Education Tony Bush,David Middlewood,2005-03-23

In my view this book is to be highly recommended to students to academics and to managers Its strengths of style comparative perspective and dealing with up to date issues make it a valuable text

ESClate The sequel to the astoundingly accomplished *Managing People in Education* this book brings to the

reader the latest developments and research in management considering the role of people in schools and colleges against an astute exploration of the key concepts in governance Tony Bush and David Middlewood help the reader to consider the ways in which individuals function within the workplace and explore the effective management of the people who comprise the workforce in schools and colleges There is an impressive use and interpretation of the international research literature and the authors apply this with considerable insight to the British context of schooling and management This is an essential read for all those following postgraduate courses in management and governance and for students of social policy who are taking options in educational studies Professor John Doyle International Journal of Educational Management and Administration

Leading and Managing People in Education is a completely revised and updated version of one of the most influential books in the field Bush and Middlewood are two of the best and best known writers on this topic today This is one of those rare texts that is capable of being used by both academics and practitioners since it contains that unusual combination of a wealth of scholarship combined with lifetimes of experience in educational leadership and management School leaders advisers University lecturers and those engaged in courses of further study will all welcome this text I have no doubt that it will become one of the best known and most widely purchased works in the field Mark Brundrett Professor of Education at the University of Hull

Reviews of Managing People in Education the authors previous book Aims to enhance management practice in education by presenting research findings and theory from a wide range of contributors Skills and Enterprise Update This is indeed a book which could be useful to a much larger readership than the normal closed circle of those working in education Managing Schools Today Building upon the success of the highly regarded and best selling text Managing People in Education this new book covers leadership and management at all human resource levels and spans the whole spectrum of educational institutions It is based on the most up to date research and literature on this topic and directly meets the needs of practising leaders and managers in education as well as postgraduate students in educational leadership
