Excellence in Ministry Tom Quinlan, 2017-11-01 Catechetical leadership is at its best when it builds on the shoulders of those who have gone before while at the same time creating innovative approaches for an ever changing ministry This fifth volume of *The Effective Catechetical Leader* will share both time tested and new skills and strategies that will allow catechetical leaders to not only be successful in the week to week particulars of running a parish catechetical program but

also to fulfill the ultimate goal of animating a faith community to grow in authentic discipleship to Jesus Christ. A few of the best practices covered in this book include planning the catechetical year, selecting catechetical resources, promoting the catechetical program to the parish community and beyond, how to honestly evaluate your program, and so much more. The Effective Catechetical Leader series, developed in conjunction with the National Conference for Catechetical Leadership and written by some of the top catechetical leaders in the country, is the only series to encompass all the various aspects of catechetical leadership. This series provides the practical skills, strategies, and approaches that ensure successful parish faith formation in an evangelizing manner, which leads directly to a vibrant Church. From best practices to new approaches for proclaiming God's word in a rapidly changing world, this groundbreaking series will empower catechetical leaders to excel at everything from administrative duties to effectively catechizing people of all ages within our diverse Church.

A History of Dartmouth Bible Church Rev. Dr. Neil C. Damgaard, 2013-02-08. This history of one local church demonstrates the prayerful determination of its membership over five decades to craft a meaningful place of ministry in a spiritually challenging community which dates to the Mayflower Pilgrims. These members purposed to honor God by growing in their relationship with Him and one another through a balanced focus on worship, discipleship, fellowship, ministry, and evangelism. Throughout these years, ups and downs were plentiful, but God's faithfulness and His joy were always loved by His servants at Dartmouth Bible Church. This history candidly captures those stories and turns the reader back to the Lord with thanksgiving for His loving presence among His people. Includes several appendices of historical data.

The Ministry of Teaching David Plake, Roberta Plake, 1982. *From The Pastor's Pen (Letters on Living Christ and Being Christ's Body)* Pastor Bert Baker, 2016-07-25. How do you get new Christians who do not know one another to work at building and growing relationships in a new Church? This is essential in a new Church because the teaching and training of the core group of believers becomes the nucleus of the Body of Christ. This is the obstacle Pastor Baker faced in planting a church in Newark, NJ. Although the people came from the same urban neighborhood, it did not appear these new believers had much in common. So Pastor Baker decided to write a monthly Bible-based letter on living for Christ and how to be the Church and do its work. He planned to write *From the Pastor's Pen* for a year or so to teach biblical truth and to develop bridges to build lasting Christian relationships. But this short-term project grew as new believers added addresses to the mailing list. Soon twenty families were fifty, and then over one hundred. Believers made copies and passed them out at work. These monthly letters became the teaching materials for small group Bible studies and were used by missionaries in the Dutch West Indies. So from November of 1984 until June of 2014, a monthly letter was written. Pastor Baker's short-term project became a long-term ministry. With the help of brothers and sisters in the Newark Church, the letters in this book were selected so you can live Christ and be Christ's Body. May you grow in Christ and effectively be and do the work of the Church.
