Effectiveness Of Social Interventions For Homeless Substance Abusers:

The Effectiveness of Social Interventions for Homeless Substance Abusers Gerald Stahler, Barry Stimmel, 1995 This resource is devoted exclusively to reporting the results of rigorous research concerning substance abuse treatment outcomes for homeless persons The Effectiveness of Social Interventions for Homeless Substance Abusers reveals that while dropout rates are high for this population it is essential to develop treatment programs that not only focus on the addiction but also address the tangible needs of the homeless notably housing income support and employment **Comprehensive Case Management for Substance Abuse Treatment - TIP 27** U.S. Department of Health and Human Services, 2019-11-23 Case management has been variously classified as a skill group a core function service coordination or a network of friendly neighbors Although it defies precise definition case management generally can be described as a coordinated approach to the delivery of health substance abuse mental health and social services linking clients with appropriate services to address specific needs and achieve stated goals The Consensus Panel that developed this TIP believes that case management lends itself to the treatment of substance abuse particularly for clients with other disorders and conditions who require multiple services over extended periods of time and who face difficulty in gaining access to those services This document details the factors that programs should consider as they decide to implement case management or modify their current case management activities This summary is excerpted from the main text in which references to the research appear

Comprehensive Case Management for Substance Abuse Treatment Sandra Clunies, 2000-09 A Treatment Improvement Protocol on case management which can be described as a coordinated approach to the delivery of health substance abuse mental health social services linking clients with appropriate services to address specific needs achieve stated goals Case management lends itself to the treatment of substance abuse particularly for clients with other disorders conditions who require multiple services over extended periods of time who face difficulty in gaining access to those services This report details the factors that programs should consider as they decide to implement case management or modify their current case management activities **Diversity Within the Homeless Population** Joseph R Ferrari, 2014-03-18 An important contribution to the understanding of the unique circumstances and needs of the homeless Diversity Within the Homeless Population examines why more and more women and their children adolescents and young adults are ending up on the street You will learn about unique treatment and community intervention programs preventive approaches that target those at risk for future homelessness and case management as a strategy for preventing the initial experience of homelessness You will also learn about the behavioral factors that differentiate homeless women with children from impoverished women with children who remain housed including domestic violence degree of education number of children traumatic experiences and use of drugs You ll find this dynamic book takes a giant step toward the development and evaluation of strategies for preventing and alleviating this urgent social problem In doing so Diversity Within the Homeless Population explores the

benefits of family oriented treatment ways to make housing available to the homeless through employment opportunities and the effectiveness of linking inpatient treatment to a culturally sensitive community based intervention program You will also learn about the lack of personal support networks among the homeless crack cocaine use and homelessness among inner city communities preventing relapse among crack using homeless women with children the Needs Foundation in Chicago social and environmental predictors of adjustment in homeless children homelessness and how it compromises the behavioral physical social cognitive and emotional development of children hierarchical multiple regression analyses system and agency demands on case managers As a researcher social worker psychologist or counselor who works with the homeless you face extraordinary adversity on a daily basis this book offers you hope guidance insight and intervention strategies that will aid you in tackling this enormous social problem Diversity Within the Homeless Population provides you with a storehouse of ideas that you ll implement in your own practice or community

Learning the Language of Addiction Counseling

Geri Miller,2011-01-04 Comprehensive and current Learning the Language of Addiction Counseling Third Edition introduces students to the field of addiction counseling and helps them develop the knowledge understanding and skills needed to counsel people who are caught in the destructive cycle of addiction Drawing from her years of experience working in the addiction counseling field Geri Miller provides a balanced overview of the major theoretical underpinnings and clinical practices in the field covering all of the essentials from assessment and diagnosis of addiction to preparing for certification and licensure as an addiction professional Fully revised and expanded the Third Edition offers a positive practice oriented counseling framework and features Revised chapters reflecting important changes in the field New chapters on Spirituality and Addiction Counseling and Pain and Substance Abuse New case studies interactive exercises and suggested reading and resources at the end of each chapter Personal Reflections sections in each chapter illustrating the author s evolving views of addiction counseling New online Instructor s Manual containing PowerPoint slides test bank questions and syllabi

Encyclopedia of Homelessness David Levinson,2004-06-21 Click Additional Materials for downloadable samplesThis valuable reference provides an excellent overview of a serious world wide problem As such it is an essential purchase for all libraries LIBRARY JOURNAL star review Levinson s remarkable work deserves an award for tackling this complex social problem in such a very thorough and well organized way Highly Recommended CHOICEAt any given moment about 3 million American women men and children are homeless And another 5 million Americans spend over 50% of their incomes on housing meaning that one missed paycheck one health crisis or one unpaid utility bill can push them out the door into homelessness Homelessness is one of the major social problems and personal and family tragedies of the contemporary world No community city or nation is immune and the lack of affordable housing and a decline in secure well paying jobs means that the problem will only get worse The Encyclopedia of Homelessness is the first systematic effort to organize and summarize what we know about this complex topic that impacts not only the homeless but all of society The Encyclopedia

focuses on the current situation in the United States with a comparative sampling of homelessness around the world Key Themes Causes Lifestyle Issues Health Issues and Services History Legal Issues and Advocacy Government Policies and Programs Organizations Research Approaches Service Systems and Settings Size and Characteristics of the Homeless Population Public Perceptions of Homelessness World Issues and Perspectives Quick and Easy Regional Comparisons Additional descriptive articles cover homelessness today in a sample of American cities and a sample of cities and nations of the world allowing for quick and easy comparisons The Encyclopedia contains entries on Australia Brazil Canada Cuba France Guatemala Japan Nigeria Russia Sweden the United Kingdom Zimbabwe Tokyo Calcutta London and others around the world The Encyclopedia of Homelessness meets the needs of a broad audience offering a rich history and the data views and perspectives of experts from different disciplines and perspectives including Sociologists Anthropologists Economists Historians Social Policy Analysts and Planners Program Administrators Physicians Social Workers Lawyers who provide advocacy and services Journalists Students of history social studies and the social sciences in high school through graduate school Appendices In addition to the articles the Encyclopedia provides five carefully researched and compiled appendices that make this the key starting point for the study of homelessness Homelessness Autobiographical and Fictional Homelessness in Popular Culture Film Directory of Street Newspapers Documentary History Selection of primary source material Master Bibliography Key Features Two volumes and over 150 entries organized alphabetically Entries written by an international team of leading authorities in the field Reader s Guide groups entries by broad topic areas Appendices offer a wealth of additional information

Lowinson and Ruiz's Substance Abuse Pedro Ruiz, Eric C. Strain, 2011 A comprehensive authoritative text on all aspects of substance abuse and addiction medicine Scientific topics such as the biology of various addictions and all dimensions of clinical treatment and management are addressed by a wide range of leading contributors Behavioral addictions are addressed also so the text is not solely devoted to specific substances and their misuse Provided by publisher

Comprehensive Case Management for Substance Abuse Treatment Harvey A. Siegal, Paddy Shannon Cook, 1998

Changing Substance Abuse Through Health and Social Systems William R. Miller, Constance M. Weisner, 2002-08-31 In both developed nations and the developing world there is a clear trend towards addressing alcohol tobacco and other drug problems through health and social services There are several persuasive arguments for this shift beyond pure economics which include comorbidity cost effectiveness coordination of care and effectiveness This is the first volume to pull together effective methods that can be used for addressing substance abuse through health and social service systems It also integrates interventions for a range of drugs of abuse rather than focusing on only one such as alcohol The book s international perspective also makes this a unique contribution to the existing literature

Biomedical Index to PHS-supported Research: pt. A. Subject access A-H, 1992 The Practice of Research in Social Work Rafael J. Engel, Russell K. Schutt, 2016-01-14 The authors are proud sponsors of the 2020 SAGE

Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop The Fourth Edition of The Practice of Research in Social Work introduces an integrated set of techniques for evaluating research and practice problems as well as conducting studies Evidence based practice comes alive through illustrations of actual social work research Updated with new examples the latest research and expanded material on technology and qualitative methods this popular text helps readers achieve the 2015 EPAS core competencies essential for social work practice

Substance Abuse Intervention, Prevention, Rehabilitation, and Systems Change Edith Freeman, 2001-09-26 This book is the first to utilize the empowerment approach of social work practice with substance abusing clients bridging clinical community and social policy approaches in order to place individual addiction in its sociopolitical context As Lorraine Gutierrez points out in her foreword the book challenges us to transform our thinking about substance abuse and move beyond our existing focus on individual deficits Arguing that pathology focused definitions of substance abuse tend to transform people into their problems Freeman instead advocates for strengths centered policies and regulations as the means to empower clients communities and society as a whole Freeman outlines basic empowerment principles and practices then details the service delivery processes offers a context for power policy and funding decisions and examines the needs of special populations Case examples supplement each chapter and the final part examines four exemplary programs that demonstrate the empowerment process in action

Helping Substance-Abusing Women of Vulnerable Populations An-Pyng Sun, 2009-05-12 Current research suggests that biology psychology culture and social standing all contribute to alcohol and other drug AOD problems in women yet few books show how to account for these factors during evaluation and treatment Especially in terms of vulnerable populations acknowledging these influences proves crucial to effective assessment and help Drawing on extensive empirical research this volume provides the necessary concepts tools and techniques for culturally and socially inclusive practice with vulnerable female populations After a brief history of substance abuse among women in the United States along with an overview of previous epidemiological study An Pyng Sun systematically describes the characteristics and nature of AOD problems among pregnant women teenage girls older women street walking prostitutes homeless women and lesbians Clearly and concisely she presents the theories that explain women's AOD problems along with their related risk factors and recommends effective treatment guidelines and strategies that speak directly to the needs of individual clients Vulnerable women are more likely to develop substance abuse problems than other women and their consequences tend to be more severe This volume organizes complex data into a practical framework so practitioners can successfully respond to this special population It supplies a long overdue comprehensive and comprehensible knowledge base for screening assessment and care

Biomedical Index to PHS-supported Research, 1990 The Oxford Handbook of Emerging Adulthood Jeffrey Jensen Arnett, 2015-09-30 In recent decades the lives of people in their late teens and twenties have changed so dramatically that a new stage of life has

developed In an original paper published in 2000 Jeffrey Jensen Arnett identified this period coining it emerging adulthood and he distinguished it from both the adolescence that precedes it and the young adulthood that comes in its wake His new paradigm received a surge of scholarly attention after his first book on the topic launched the field and both a flourishing society and journal developed to further expand this area of research Studies and publications on emerging adulthood now abound and the leading research has yet to be organized into a single handbook that covers the field The Oxford Handbook of Emerging Adulthood is the first and only comprehensive compilation spanning the field of emerging adulthood Expertly edited by Arnett this Handbook is comprised of cutting edge chapters written by leading scholars in developmental psychology Topics include theoretical perspectives and structural influences in the field cognitive development during emerging adulthood family friendship and romantic relationships sexual identity and orientation education and work leisure and media use mental health religious and political beliefs positive development and substance abuse and crime to name a few Sure to be the definitive resource for researchers scholars and students studying emerging adulthood this Handbook will pave the way for new scholarship in this expanding area of inquiry and serve as an excellent resource for the wider field of developmental psychology

Social Policy for Effective Practice Rosemary Kennedy Chapin, 2017-02-24 For use as a text in foundations generalist social policy courses either at the baccalaureate or master s level this book examines the process of defining need analyzing social policy and developing new policy A clear philosophical base and a common theoretical framework underlie the discussion of each component of the policy process Each chapter builds on the knowledge foundation provided in previous chapters to equip students with skills necessary for effective policy practice Four themes are interwoven throughout the book the importance of thinking critically about social policy the benefits of using the strengths perspective in policy analysis and development the critical role social policy plays in all areas of practice and the absolute responsibility of every social worker to engage in policy practice Routledge.com now contains 6 cases the Sanchez Case has been revised to include much more policy content Instructor materials include extra readings PowerPoints test questions annotated links syllabi and EPAS guidelines As with the third edition instructors can choose chapters relevant to their course and custom publish them at www.routledgecustomgateway.com

Journal of Nutritional Immunology ,1997 The role of faith-based organizations in providing effective social services United States. Congress. House. Committee on Government Reform. Subcommittee on Criminal Justice, Drug Policy, and Human Resources, 2004 *Adolescent Health: Background and the effectiveness of selected prevention and treatment services* ,1991 **The Praeger Handbook of Veterans' Health** Thomas W. Miller, 2012-09-20 This four volume set provides a history of veterans healthcare that examines programs of care and veterans special needs and offers insight into future directions for veteran s healthcare in the 21st century This comprehensive contribution to understanding veterans healthcare uniquely draws on a national and international cadre of scientists and practitioners both within the Department of Veterans Affairs and specialists beyond the institution providing a

matrix view of veterans healthcare past present and future both nationally and internationally This work will prove an essential reference set that examines and identifies veterans healthcare through the first decade of the 21st century invaluable to health and psychology researchers and students policymakers social workers and veterans The Praeger Handbook of Veterans Health History Challenges Issues and Developments is organized to cover four key elements Volume I presents a history of veterans healthcare the various veteran s eras and the global healthcare provided to our veterans Volume II examines several of the programs of care and veterans special needs Volume III is devoted to the several aspects of mental health care treatment and rehabilitation services offered to veterans through the healthcare system The last volume offers insights into future directions for veterans healthcare
