## **Effective Parenting:**

**Family Building** John Rosemond, 2009-01-01 The truth is child rearing is not complicated Therefore it is not hard There will be difficult moments of course but if a parent is experiencing the rearing of a child or children as generally difficult as emotionally intellectually and even physically exhausting then the parent is doing something wrong John Rosemond Family Building Trusted family psychologist John Rosemond has a revolutionary message for today's parents Your grandparents generation knew a lot more about raising children than all of today's experts The experts have turned child rearing into a complicated exhausting chore rather than the simple straightforward task it should be In Family Building The Five Fundamentals of Effective Parenting Rosemond outlines the five key principles of traditional parenting that are crucial to raising well behaved children today It's about the family not the children Where discipline is concerned it's about communication not consequences leadership not relationship It's about respecting others not high self esteem It's about manners and morals not skills It's about responsibility not high achievement Each chapter includes questions from real parents faced with real life parenting challenges and in his typical no nonsense style Rosemond provides practical solutions Family Building restores common sense to parenting and puts the parents back in charge Once again John Rosemond delivers child rearing wisdom that no parent should miss

**Principles of Effective Parenting** Joan E. Grusec, 2019-08-13 Grounded in pioneering research this text examines the parenting strategies that help children and adolescents develop into productive happy members of society Rather than advocating one best style of parent child interaction the author identifies five domains of socialization and shows that different ways of responding to children are appropriate for each one Chapters on each domain combine theory empirical findings cross cultural considerations and real world applications Personal recollections from diverse young adults illustrate how parents helped impart important life lessons Learning exercises present examples of children's behavior and invite the reader to select the most effective parenting action from several possible options From publisher's description
