

Efficiency, equity, and Legitimacy

- **Efficiency**--the ability of insurance to act as the lowest-cost method for achieving goals remains an open question
- **Equity**--A government can structure the program to target those most deserving
 - The often indirect method by which governments provide subsidies through insurance is inconsistent with efforts to target benefits to the deserving as traditionally defined.
 - Such is the case with the farmer that plants high risk crops.
- **Legitimacy**--Government insurance programs are typically rare in the U.S. and abroad, although the scope of the few programs that exist is large. The fact that the insured pay premiums help clarify legitimacy (vs. grant programs)

Efficiency Equity And Legitimacy:

Efficiency, Equity, and Legitimacy Roger B. Porter, Pierre Sauve, Arvind Subramanian, 2004-06-23 A Brookings Institution Press and the Center for Business and Government at Harvard University publication The multilateral trading system stands at a crossroads Despite its widely acknowledged contribution to global prosperity over the past half century the movement toward further liberalization has increasingly been challenged These essays by leading scholars and trade officials honor Raymond Vernon one of the architects of the international economic institutions established following the Second World War The book examines several key issues at the heart of the debate over the multilateral trading system What are the global efficiency gains from further liberalization How can efficiency gains be maximized while respecting legitimate claims to sovereignty Is the trading system affording an equitable distribution of benefits between countries and among various groups within societies Does civil society have a role in the trading system What role should the World Trade Organization and its dispute settlement procedures play in resolving disputes and enhancing legitimacy

China's Quest for Political Legitimacy Baogang Guo, 2010-09-23 This book examines the new equity enhancing politics in China in the context of Chinese traditional cognitive patterns of political legitimacy and its implication for Chinese political development in the near future Based on an analysis of the new governing philosophy the generation of political elite and a new set of public policies the book reaffirms the emergence of a new Chinese polity that infuses one party rule with limited electoral and deliberative democracies Unlike many scholars who perceive the contemporary Chinese history as a constant search for democracy this book takes a very different approach It asserts that the enduring question in political development in China today is no different from what was sought after throughout Chinese history namely the constant search for political legitimacy Even though the quest for democracy is instrumental to that end it may not ultimately lead to the embrace of a full fledged liberal democracy The new politics is not only a rationalization of the efficiency based development but also a major paradigm shift in China's developmental strategy

The End of Sovereignty? Transatlantic Policy Consortium. Annual Colloquium, 2006 The second volume of the Transatlantic Public Policy Series comprises contributions by members of the Transatlantic Policy Consortium TPC The 17 provocative contributions focus on the concept of internal and external sovereignty which is critical on both sides of the Atlantic It is not easy to articulate the domain and limits of the state's control of its resources its capacity to coerce activities within its borders its powers to treat other states as co equals across a border or even implement its own defense trade or regulatory policies The volume provides a unique insight into these problems from a European and US perspective

The Law and Economics of Globalisation Linda Y. Efficiency Equity And Legitimacy Introduction

In today's digital age, the availability of Efficiency Equity And Legitimacy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Efficiency Equity And Legitimacy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Efficiency Equity And Legitimacy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Efficiency Equity And Legitimacy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Efficiency Equity And Legitimacy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Efficiency Equity And Legitimacy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Efficiency Equity And Legitimacy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF

books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Efficiency Equity And Legitimacy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Efficiency Equity And Legitimacy books and manuals for download and embark on your journey of knowledge?
