Semiotologies of Travel David H. T. Scott, 2004-09-09 *Semiotologies of Travel* is the first book to explore comprehensively the role of semiology and signs in the encounter with foreign cultures as it is expressed in French travel writing David Scott focuses on major writers of the last two hundred years including Thophile Gautier Andr Gide Henri Michaux Michel Leiris Claude Lévi Strauss Roland Barthes and Jean Baudrillard to show how ethnology politics sociology and semiotics as well as literature are deeply bound up in travel experience and the writing that emerges from it Scott also shows how the concerns of Romantic writers and theorists are still relevant to reflections on travel in today's post modern world The book follows an itinerary through jungle desert and Utopia as well as through Disneyland and Chinese restaurants and will be of interest to specialists in French studies and cultural studies as well as to readers of travel writing *The Intimate. Polity and the Catholic Church* Karel Dobbelare, Alfonso Pérez-Agote, 2015-02-27 The waning influence of the Catholic church in the ethical and political debate For centuries the Catholic Church was able to impose her ethical rules in matters related to the intimate that is questions concerning life from its beginning until its end and the family in the so called Catholic countries in Western Europe When the polity started to introduce legislation that was in opposition to the Catholic ethic the ecclesiastical authorities and part of the population reacted The media reported massive manifestations in France against same sex marriages and in Spain against the de penalization of abortion In Italy the Episcopal conference entered the political field in opposition to the relaxation of several restrictive legal rules concerning medically assisted procreation and exhorted the voters to abstain from voting so that the referendum did not obtain the necessary quorum In Portugal to the contrary the Church made a pact with the prime minister so that the law on same sex marriages did not include the possibility of adoption And in Belgium the Episcopal conference limited its actions to clearly expressing with religious legal and anthropological arguments its opposition to such laws which all other Episcopal conferences did also In this book the authors analyse the full spectrum of the issue including the emergence of such laws the political discussions the standpoints defended in the media by professionals ethicists and politicians the votes in the parliaments the political interventions of the Episcopal conferences and the attitude of professionals As a result the reader understands what was at stake and the differences in actions of the various Episcopal conferences The authors also analyse the pro and con evaluations among the civil population of such actions by the Church Finally in a comparative synthesis they discuss the public positions taken by Pope Francis to evaluate if a change in Church policy might be possible in the near future Research by GERICR Groupe européen de recherche interdisciplinaire sur le changement religieux a European interdisciplinary research group studying religious changes coordinated by Alfonso Pérez-Agote **The African Enchiridion: 1994-2003** Oseni Ogunu, 2005 **Histoire de la nation suisse** B. van Muyden, 1899 Canadian Review of Studies in Nationalism, 2002 Histoire de la nation suisse: 3. ptie.
