National Bibliography Arthur James Wells,1996      *The Unknown History of Jewish Women Through the Ages* Rachel  
Elior,2023-05-22 The Unknown History of Jewish Women On Learning and Illiteracy On Slavery and Liberty is a  
comprehensive study on the history of Jewish women which discusses their absence from the Jewish Hebrew library of the  
People of the Book and interprets their social condition in relation to their imposed ignorance and exclusion from public  
literacy The book begins with a chapter on communal education for Jewish boys which was compulsory and free of charge for  
the first ten years in all traditional Jewish communities The discussion continues with the striking absence of any communal  
Jewish education for girls until the late nineteenth and early twentieth century and the implications of this fact for twentieth  
century immigration to Israel 1949 1959 The following chapters discuss the social cultural and legal contexts of this reality of  
female illiteracy in the Jewish community a community that placed a supreme value on male education The discussion  
focuses on the patriarchal order and the postulations rules norms sanctions and mythologies that in antiquity and the Middle  
Ages laid the religious foundations of this discriminatory reality      The Gentleman's Magazine ,1894      Jefferson County
