Edward Thomas And Friends:

The Fateful Year Mark Bostridge, 2014-01-02 *The Fateful Year* by Mark Bostridge is the story of England in 1914 War with Germany so often imagined and predicted finally broke out when people were least prepared for it Here among a crowded cast of unforgettable characters are suffragettes armed with axes destroying works of art schoolchildren going on strike in support of their teachers and celebrity aviators thrilling spectators by looping the loop A theatrical diva prepares to shock her audience while an English poet in the making sets out on a midsummer railway journey that will result in the creation of a poem that remains loved and widely known to this day With the coming of war England is beset by rumour and foreboding There is hysteria about German spies fears of invasion while patriotic women hand out white feathers to men who have failed to rush to their country's defence In the book's final pages a bomb falls from the air onto British soil for the first time and people live in expectation of air raids As 1914 fades out England is preparing itself for the prospect of a war of long duration Mark Bostridge won the Gladstone Memorial Prize at Oxford University His first book *Vera Brittain A Life* was shortlisted for the Whitbread Biography Prize the NCR NonFiction Award and the Fawcett Prize His books also include the bestselling *Letters from a Lost Generation* *Lives for Sale* a collection of biographers' tales *Because You Died* a selection of Vera Brittain's First World War poetry and prose and *Florence Nightingale The Woman and her Legend* which was named as a Wall Street Journal Best Book of 2008 and awarded the Elizabeth Longford Prize for Historical Biography *The Fateful Year* was shortlisted for the PEN Hessell Tiltman Prize for History 2015 Edward Thomas Papers Edward Thomas, 1836 Papers include photocopies and transcripts of correspondence of Edward Thomas to family and friends Letters describe life as a coal miner and work in an iron furnace in Farrandville Pennsylvania *A Journal of the Life of Thomas Story* Thomas Story, 1747

The Friend, 1842 Can Poetry Save the Earth? John Felstiner, 2009-04-01 In forty brief and lucid chapters Felstiner presents those voices that have most strongly spoken to and for the natural world Poets from the Romantics through Whitman and Dickinson to Elizabeth Bishop and Gary Snyder have helped us envision such details as ocean winds eroding and rebuilding dunes in the same breath wild deer freezing in our presence and a person carving initials on a still living stranded whale **The Family friend [ed. by R.K. Philp]**. Robert Kemp Philp, The Bristol Temperance Herald, 1851

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1952 Includes Part 1A Books and Part 1B Pamphlets Serials and Contributions to Periodicals **Love and Need** Adam Plunkett, 2025-02-18 Braiding together biography and criticism Adam Plunkett challenges our understanding of Robert Frost's life and poetic legacy in a pathbreaking new work By the middle of the twentieth century Robert Frost was the best loved poet in America He was our nation's bard simple and sincere accompanying us on wooded roads and articulating our hopes and fears After Frost's death these clichés gave way to equally broad though opposed portraits sketched by his biographers chief among them Lawrance Thompson When the critic Helen Vendler reviewed Thompson's biography she asked whether anyone could avoid the

conclusion that Frost was a monster In Love and Need The Life of Robert Frost s Poetry Adam Plunkett blends biography and criticism to find the truth of Frost s life one that lies between the two poles of perception Plunkett reveals a new Frost through a careful look at the poems and people he knew best showing how the stories of his most important relationships heretofore partly told mirror dominant themes of Frost s enduring poetry withholding and disclosure privacy and intimacy Not least of these relationships is the fraught intense friendship between Frost and Thompson the major biographer whose record of Frost Plunkett seeks to set straight Moving through Frost s most important work and closest relationships with the attention to detail necessary to see familiar things anew Plunkett offers an original interpretation of Frost s poetry tracing Frost s distinctive achievement to an engagement with poetic tradition far deeper and more extensive than he ever let on Frost invited his readers into a conversation like the one he sustained with his literary forebears intimate and profound yet Frost kept his private self at a remove Here Plunkett brings the two together the poet and the poetry and draws us back into conversation with America s poet Irish Company Friedhelm Rathjen,2021-01-27 22 essays and notes on Joyce Beckett cycling walking Wicklow Connemara Molly Bloom horses cattle trivia totality translation migration ashplants annotations long ways short cuts connections distractions **The Poetry of Clare, Hopkins, Thomas, and Gurney** Andrew Hodgson,2019-12-31 This book attends to four poets John Clare Gerard Manley Hopkins Edward Thomas and Ivor Gurney whose poems are remarkable for their personal directness and distinctiveness It shows how their writing conveys a potentially individual quality of feeling perception and experience each poet responds with unusual commitment to the Romantic idea of art as personal expression The book looks closely at the vitality and intricacy of the poets language the personal candour of their subject matter and their sense obdurate but persuasive of their own strangeness As it traces the tact and imagination with which each of the four writers realises the possibilities of individualism in lyric it affirms the vibrancy of their contributions to nineteenth and twentieth century poetry **Robert Frost** Lesley Lee Francis,2017-09-29 In this volume Lesley Lee Francis granddaughter of Robert Frost brings to life the Frost family s idyllic early years Through their own words we enter the daily lives of Robert known as RF to his family and friends his wife Elinor and their four children Lesley Carol Irma and Marjorie The result is a meticulously researched and beautifully written evocation of a fleeting chapter in the life of a literary family Taught at home by their father and mother the Frost children received a remarkable education Reared on poetry nurtured on the world of the imagination and instructed in the art of direct observation the children produced an exceptional body of writing and artwork in the years between 1905 and 1915 Drawing upon previously unexamined journals notebooks letters and the little magazine entitled The Bouquet produced by the Frost children and their friends Francis shows how the genius of Frost was enriched by his interactions with his children Francis depicts her grandfather as a generous devoted and playful man with a striking ability to communicate with his children and grandchildren She traces the family s adventures from their farm years in New Hampshire through their nearly three years in England This enchanting

evocation of the Frost family's life together makes more poignant the unforeseen personal tragedies that would befall its members in later years **Hearings** United States. Congress. House. Committee on Immigration and Naturalization, 1931
