Men in Eden William Benemann, 2012-10-01 The American West of the nineteenth century was a world of freedom and adventure for men of every stripe not least also those who admired and desired other men Among these sojourners was William Drummond Stewart a flamboyant Scottish nobleman who found in American culture of the 1830s and 1840s a cultural milieu of openness in which men could pursue same sex relationships This book traces Stewart's travels from his arrival in America in 1832 to his return to Murthly Castle in Perthshire Scotland with his French Canadian Cree Indian companion Antoine Clement one of the most skilled hunters in the Rockies Benemann chronicles Stewart's friendships with such notables as Kit Carson William Sublette Marcus Whitman and Jim Bridger He describes the wild Renaissance costume party held by Stewart and Clement upon their return to America a journey that ended in scandal Through Stewart's letters and novels Benemann shows that Stewart was one of many men drawn to the sexual freedom offered by the West His book provides a tantalizing new perspective on the Rocky Mountain fur trade and the role of homosexuality in shaping the American West

A history and description of ...

Stockport, Ashton-under-Lyne, Mottram-Long-den-dale, and Glossop, with some memoirs of F.D. Astley and extracts from his poems James Butterworth, 1827 *Tarnished Idol* Richard J. Wolfe, 2001 **A Ranching Saga** William Curry Holden, 2019-10-24. *A Ranching Saga* tells the story of father and son pioneer ranchers in the Southwest. Around the turn of the century, William Electious Halsell and Ewing Halsell were integral to the growing ranching industry in Texas and Oklahoma. Through newspaper accounts, legal documents, personal correspondence, and interviews with family members, friends, and acquaintances, *A Ranching Saga* recounts the lives of these two keen businessmen, proud civic leaders, and philanthropists. What is revealed is a legacy of hard work, moral character, and compassion, as well as a close relationship with the land. Texas historian William Curry Holden sifts through correspondence, reports, and statistics and extensive research to tell of three generations of the Halsell family from their arrival in Texas in 1854 to the mid-twentieth century. Holden enriches the family narrative with personal accounts of the places, geology, flora, fauna, weather, economics, and history of the region. He interviewed more than 150 people to understand the characters and personalities of the two men whose cultural influence on Texas and the Southwest region spans more than a century. Illustrated with nearly two dozen drawings by Jos Cisneros, *A Ranching Saga* is the biography of a family whose destiny was realized in the cattle they nurtured, the land they loved, and the people they encouraged along the way.

The Sword of God Stephen Francis Montagna, 2009-06-08 **God's Irishmen** Crawford Gribben, 2007-08-16. The Cromwellian invasion of Ireland is often remembered as a bitter ethnic, religious, and social contest. This memory has been sustained by the continued neglect of the Cromwellians' fractured intellectual world. *God's Irishmen* describes the theological debates that tore the Cromwellian movement apart and provided for its eventual failure. Providing a close and informed analysis of the relatively few texts that survive from the period, Crawford Gribben not only dissects the contentious theological issues but reflects on larger questions about the characteristics of the Protestant churches in Cromwellian Ireland. In particular, he considers whether they are better seen as fissiparous and factious or keen to achieve unity in the face of the challenge from a Catholic majority. He also reflects on the question that has dominated

discussion of this period whether the Protestants small numbers and seemingly beleaguered situation produced an idiosyncratic theology *Retrospective Review* ,1828 *The Retrospective Review, and Historical and Antiquarian Magazine* Henry Southern,Sir Nicholas Harris Nicolas,1828 *The retrospective review* ,1828 *The Retrospective Review, and Historical and Antiquarian Magazine* ,1828 [Why Confederates Fought](#) , **A Practical Treatise on the Manufacture of Soaps** Campbell Morfit,1871 *Universal Geography Formed Into a New and Entire System* John Payne,1794 **Angel on a Freight Train** Peter C. Baldwin,2020-09-01 Angel on a Freight Train examines the experiences of Samuel Edward Warren 1831 1909 a teacher and college professor in Troy New York who struggled to reconcile his same sex erotic desires with his commitment to a Christian life Unlike twenty first century evangelicals who try to pray the gay away Warren discerned no fundamental conflict between his faith and his attraction to younger males Growing up in the antebellum Northeast in a culture that permitted and even celebrated emotional bonds between men he strove to build emotionally intense relationships in many overlapping forms friendship pedagogy evangelism and romance which allowed him to enjoy intimacy with little effort at concealment However as he passed into mature manhood and built a prestigious career Warren began to feel that he should have grown out of romantic friendships which he now feared had become emotionally and physically excessive Based on Warren s deeply introspective and previously unexplored diaries Angel on a Freight Train traces his youthful freedom and sensuality his attempt to join with younger men in a spirit of loving mentorship and finally the tortured introspection of a man whose age seemed to shut him out from an idyllic lost world In the end Warren came to believe rather sorrowfully in a radical division between his angelic ideal self and what he called the freight train of animal life below
