Caserio, 2009-04-30 The twentieth century English novel encompasses a vast body of work and one of the most important and most widely read genres of literature Balancing close readings of particular novels with a comprehensive survey of the last century of published fiction this Companion introduces readers to more than a hundred major and minor novelists It demonstrates continuities in novel writing that bridge the century's pre and post War halves and presents leading critical ideas about English fiction's themes and forms The essays examine the endurance of modernist style throughout the century the role of nationality and the contested role of the English language in all its forms and the relationships between realism and other fictional modes fantasy romance science fiction Students scholars and readers will find this Companion an indispensable guide to the history of the English novel **The Persistence of Realism in Modernist Fiction** Paul Stasi, 2022-10-06 Form vs content aesthetics vs politics modernism vs realism these entrenched binaries tend to structure work in early 20th century literary studies even among scholars who seek to undo them The Persistence of Realism demonstrates how realism's defining concerns sympathy class social determination animate the work of Henry James James Joyce Virginia Woolf Samuel Beckett and Ralph Ellison In contrast to the oft told tale of an aesthetically rich modernism

overthrowing realism's social commitments along with its formal structures Stasi shows how these writers engaged with realism in concrete ways The domestic novel naturalist fiction novels of sentiment and industrial tales are realist structures that modernist fiction simultaneously preserves and subverts Putting modernist writers in conversation with the realism that preceded them The Persistence of Realism demonstrates how modernism's social concerns are inseparable from its formal ones

**Masculinities in British Adventure Fiction, 1880-1915** Joseph A. Kestner, 2016-05-06 Making use of recent masculinity theories Joseph A Kestner sheds new light on Victorian and Edwardian adventure fiction Beginning with works published in the 1880s when writers like H Rider Haggard took inspiration from the First Boer War and the Zulu War Kestner engages tales involving initiation and rites of passage experiences with the non Western Other colonial contexts and sexual encounters Canonical authors such as R L Stevenson Rudyard Kipling Joseph Conrad and Olive Schreiner are examined alongside popular writers like A E W Mason W H Hudson and John Buchan providing an expansive picture of the crisis of masculinity that pervades adventure texts during the period

**Dynamic Psychology in Modernist British Fiction** G. Johnson, 2005-10-06 Dynamic Psychology in Modernist British Fiction argues that literary critics have tended to distort the impact of pre Freudian psychological discourses including psychical research on Modern British Fiction Psychoanalysis has received undue attention over a more typical British eclecticism embraced by now forgotten figures including Frederic Myers and William McDougall This project focuses on the Edwardian novelists most fully engaged by dynamic psychology May Sinclair and J D Beresford but also reconsiders Arnold Bennett and D H Lawrence The book concludes by demonstrating Woolf's subtle assimilation of pre Freudian discourse

Late-Victorian Heroic Lives in the Writings of Frank Mundell Moniez Baptiste, 2017-08-21 This study explores the work of Frank Mundell a late Victorian author for the Sunday School Union Mundell focused on heroism and represented various kinds of heroic deeds and figures regardless of gender in his books Writing for educative as well as entertaining purposes he avoided the use of didacticism and he endeavoured to combine the traditional and the modern in the stories he chose to tell Mundell's favourite format was that of the prosopography putting together several heroic lives or incidents He was careful to dedicate each of his volumes to one topic in particular thus distinguishing the different types of heroic deeds from one another His writings belong to four series or collections each highlighting a specific version of heroism from instances of the mundane performed in a familial context to extraordinary deeds He wrote about such bold acts as those featuring in the stories of brave firemen fighting devouring flames fearless sailors in tempestuous seas determined miners risking their lives to save their comrades or intrepid explorers facing perils in the wide world This book analyses each of his publications highlighting the elements belonging to his representation of heroism as a whole
