efforts to make their readers see and understand reflect Conrad's ethics of human solidarity in a world he depicts as hostile enigmatic and often senseless

Conrad's Fiction as Critical Discourse Richard Ambrosini, 1991-07-26 Joseph Conrad's

comments about his works have commonly been dismissed as theoretically unsophisticated while the critical notions of James Woolf and Joyce have come to shape our understanding of the modern novel Richard Ambrosini's study of Conrad's Fiction as Critical Discourse makes an original claim for the importance of his theoretical ideas as they are formed tested and eventually redefined in Heart of Darkness and Lord Jim Setting the narrator's discourse in these tales in the context of the dynamic interplay of Conrad's fictional with his non-fictional writings and of the transformations in his narrative forms Ambrosini defines Conrad's view of fiction and the artistic ideal underlying his commitment as a writer in a new and challenging way Conrad's innovative techniques as a novelist are shown in the continuity of his theoretical enterprise from the early search for an artistic prose and a personal novel form to the later dislocations of perspective achieved by manipulation of conventions drawn from popular fiction This reassessment of Conrad's critical thought offers a new perspective on the transition from the Victorian novel to contemporary fiction Routledge Library Editions: Joseph Conrad Various, 2021-09-30 Joseph Conrad 1857-1924 is widely considered one of the great modern writers in English literature This 21 volume set contains titles originally published between 1976 and 1990 as well as a biography from 1957 written by one of his closest friends The first 18 books are a set of concordances and indexes to Conrad's printed works which were part of a project directed by Todd K Bender at the University of Wisconsin Madison USA and are among the first attempts to use the power of computers to enhance our reading environment and assist in lexicography scholarly editing and literary analysis The set also contains a meticulously compiled bibliography of writings on Joseph Conrad as well as an original and powerful analysis of his major work Great War Modernisms and 'The New Age' Magazine Paul Jackson, 2012-07-12 The literary magazine The New Age brought together a diverse set of intellectuals Against the backdrop of the First World War they chose to write about more than modernist art and aesthetics By closely reading and contextualizing their contributions Paul Jackson's study engages with the political and philosophical responses of literary artists to modernity Jackson demonstrates the need to interpret modernism not merely as an aesthetic phenomenon but inherently linked to politics and philosophy By placing the writing of a canonical modernist Wyndham Lewis against a figure usually excluded from the modernist canon H G Wells Jackson examines further a wartime modernism that embraced socialist and political views This reinterpretation of modernism provides a historicised understanding of the politicised hopes of artists promoting revolutionary forms of cultural renewal Considering modernist writers' relationship between politics philosophy and aesthetics in the context of total war Jackson encourages new cultural historical definitions of modernism In addition this study provides the first close analysis of cultural contributions from a leading wartime Little Magazine tracing the radical modernist debates that developed in its pages **Virginia Woolf and the Russian Point of View** R.
