Edwin Stanton:

Edwin Stanton Amy Allison,2013 This book relates events in the personal and professional life of Edwin Stanton who served as President Lincoln s Secretary of War during the Civil War *Lincoln's Autocrat* William Marvel,2015-04-15 Edwin M Stanton 1814 1869 one of the nineteenth century s most impressive legal and political minds wielded enormous influence and power as Lincoln s secretary of war during most of the Civil War and under Johnson during the early years of Reconstruction In the first full biography of Stanton in more than fifty years William Marvel offers a detailed reexamination of Stanton s life career and legacy Marvel argues that while Stanton was a formidable advocate and politician his character was hardly benign Climbing from a difficult youth to the pinnacle of power Stanton used his authority and the public coffers to pursue political vendettas and he exercised sweeping wartime powers with a cavalier disregard for civil liberties Though Lincoln s ability to harness a cabinet with sharp divisions and strong personalities is widely celebrated Marvel suggests that Stanton s tenure raises important questions about Lincoln s actual control over the executive branch This insightful biography also reveals why men like Ulysses S Grant considered Stanton a coward and a bully who was unashamed to use political power for partisan enforcement and personal preservation Edwin Stanton Amy Allison,2001-01-01 Presents the life and career of Edwin Stanton including his appointment as Attorney General of the United States his job as Secretary of War under President Lincoln and after the Civil War his appointment to the U S Supreme Court **Letter to Edwin Stanton from Abraham Lincoln. Stanton Walter Stahr,2018-08-28 New York Times bestselling author Walter Stahr tells the story of Edwin Stanton who served as Secretary of War in Abraham Lincoln s cabinet This exhaustively researched well paced book should take its place as the new standard biography of the ill tempered man who helped to save the Union It is fair judicious authoritative and comprehensive The Wall Street Journal Of the crucial men close to President Lincoln Secretary of War Edwin Stanton 1814 1869 was the most powerful and controversial Stanton raised armed and supervised the army of a million men who won the Civil War He directed military movements He arrested and imprisoned thousands for war crimes such as resisting the draft or calling for an armistice Stanton was so controversial that some accused him at that time of complicity in Lincoln s assassination He was a stubborn genius who was both reviled and revered in his time Stanton was a Democrat before the war and a prominent trial lawyer He opposed slavery but only in private He served briefly as President Buchanan s Attorney General and then as Lincoln s aggressive Secretary of War On the night of April 14 1865 Stanton rushed to Lincoln s deathbed and took over the government since Secretary of State William Seward had been critically wounded the same evening He informed the nation of the President s death summoned General Grant to protect the Capitol and started

collecting the evidence from those who had been with the Lincolns at the theater in order to prepare a murder trial Now Walter Stahr s highly recommended Library Journal starred review essential book is the first major account of Stanton in fifty years restoring this underexplored figure to his proper place in American history A lively lucid and opinionated history Kirkus Reviews starred review **Edwin McMasters Stanton** Frank Abial Flower,1905 **Life and Public Services of Edwin M. A Contribution to History Henry Wilson, 2018-01-14 Excerpt from *A Contribution to History* Edwin M Stanton His Character and Public Services on the Eve of Rebellion as Presented in a Series of Papers To this noble fidelity of Edwin M Stanton sustained as it was by the patriotism and courage of Joseph Holt and John A Dix the country is largely indebted for its preservation from the perils which then environed it and for the transmission of the government into the hands of the incoming administration After weary months the Fourth of March gladdened the longing hearts of patriotic men who had clung to their country when darkness was setting upon it The riven and shattered government passed from the nerveless hand of That weakness which betrayed like treason into the strong and faithful grasp of Abraham Lincoln His stainless record and the records of those who gathered about him gave assurance to all the world that in accepting the guardianship of their imperilled country they would cherish and defend it with all their hearts The administration was quickly forced by the Rebels who held in their hands as they were solemnly assured by Mr Lincoln in his Inaugural the momentous issues of civil war to summon troops into the field for national defence Large armies were created and vast quantities of arms and munitions were provided About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Abraham Lincoln and Edwin M. Stanton* Thomas MacCurdy Vincent, 1890 *Stanton* Benjamin P. Thomas, Harold M. Hyman, 2013-07-31 At the time of his death renowned Lincoln biographer Benjamin Thomas was at work on a life of one of the most controversial figures in American history Edwin McMasters Stanton the man who marshaled the military forces of the Union in the Civil War and played a crucial role in the only presidential impeachment trial in our history Harold Hyman himself a prize winning historian undertook to carry on from the advanced point in research and writing that Thomas had reached The result of their collaborative efforts is a monumental work worthy to stand beside Thomas's own *Lincoln* as a truly outstanding American biography Continuously absorbing and written with clarity and grace Stanton gives an objective full scale portrait of this complex and enigmatic figure Stanton could be explosive and domineering or gentle or considerate he was at once single minded and self doubting That Stanton should be controversial is curious for he served with distinction under three Presidents Lincoln offered him unquestioning trust and warm personal friendship Yet Stanton's name is commonly associated with duplicity rather than with selfless patriotism including charges that he connived in Lincoln's murder betrayed each of the Presidents he served antagonized such generals as McClellan and Sherman and thwarted opportunities for the peaceful reconciliation of North and South This biography puts legend and

prejudice in clear perspective by going directly to documentary evidence by probing into Stanton's motives and methods and by evaluating his accomplishments and failures. It is a judicious and honest portrait of a stubborn dedicated man but it also brings to light many important details about the times in which he lived.

Defence of Edwin M. Stanton (Classic Reprint) Roswell Marsh, 2018-03-06. Excerpt from Defence of Edwin M. Stanton. Judge Black claims to be anxious to rescue the memory of Mr. Stanton from obloquy. "Were Edwin M. Stanton now living it would be with all the energy of his nature that he would exclaim: 'From such friends as Jeremiah S. Black, good Lord deliver me!' A brief reference to history will elucidate many things otherwise obscure and in which Judge Black has erred in utter confusion in his own mind."
