Eero Saarinen, Rupert Spade

Eero Saarinen:

Eero Saarinen Antonio Román,2006-06-23 It has spawned a recent rash of imitators but many critics believe it to be the best Now available in paperback it is also the most affordable The text is filled with crisp beautiful black and white photographs of interiors and exteriors as well as images of models and architectural drawings The photographs are especially striking as they were taken at or near the time of each structure's completion documenting its clean striking presence This is the most complete title available on this architect a Library Journal Historian Romana's book fills a major void for examination of this legacy has been strikingly meager He provides a thoughtful and engaging introduction He offers many insights on the architect's ideas and methods An elegant assortment of period photographs accompanies the text This accomplished publication should have widespread appeal for all persons interested in modern architecture Highly Recommended a CHOICE
