Effective Mangement Nursing:

Effective Leadership and Management in Nursing Eleanor J. Sullivan, Phillip J. Decker, 2005 *Effective Leadership and Management in Nursing* provides students with the necessary skills to make sound management decisions in a dynamic health care environment. Used worldwide, this award-winning book is now offered in an updated revised edition to reflect the many changes in health care and nursing. Targeted to both practicing nurses and those in management, this book provides the tools for using the skills presented in each chapter: case studies with a manager's checklist, critical thinking questions, key terms, an easy-to-read format, and a link to online instruction for students and faculty.

Effective Management in Nursing Eleanor J. Sullivan, Phillip J. Decker, 1992. An introduction to basic theories and concepts of nursing management is provided in this book, which demonstrates how they are used in day-to-day practice. The book's broad base of contributors affords a well-rounded perspective on every important aspect of nursing management, including management styles, basic survival skills, innovation, and creativity, critical thinking, and recruiting staff. Emphasis on a number of hot topics, including research, team building, case management, group process, and group conflict, is increased in this new edition.

Effective Management in Nursing Eleanor Sullivan, 1996-08. The combination of theoretical knowledge and practical experience from management professionals in business, as well as nurse educators and nursing service administrators, provides a rich blend of content. This fourth edition has been thoroughly revised, integrating management skills and concepts appropriate for today's nurse manager to use in daily practice.

Nurse Leadership and Management Joyce J. Fitzpatrick, Celeste M. Alfes, 2022-09-30. The authors of this book are innovators, strategists, provocateurs, transformational leaders, and compassionate clinicians. Their advice is based on evidence and years of experience and serves as a guide for leaders to overcome constraints and lead the nation to better health. While the content is foundational for new leaders and executives, the advice from these leaders is an inspiration to all.
