

Prayer to get Money for Debts

"Dear God, we thank you for your generous blessings and kindness.

We're grateful to you for providing our daily needs and for our spiritual and physical nourishment.

We thank you for guiding all beings here on earth towards righteousness and nobility.

It's with this thankful heart that we come once again to ask for your all-encompassing love.

We affirm that you're omniscient, all powerful and loving.

We affirm your power and might, we affirm your all-abounding generosity and we come before you with thankful hearts to pray for abundance;

Abundance for people of all races, creed or color,
Abundance for our friends, abundance for our families
and abundance for ourselves.

Grant that we, not only, acquire wealth and money but spiritual and moral wealth, as well.

May all divine spirits support us in our prayer for abundance.

Amen."

Tools for Effective Prayer Clarence Washington Sr., 2016-02-12 Just like your lifestyle your current prayer life is also perfectly designed to produce the result you are getting If you want a prayer life that will enable you to experience God's presence like you never have before and move Him to bless you like He has never blessed you before then you must start praying like you have never prayed before Tools for Effective Prayer will teach you how to do that There are some mechanics

of prayers such as persistency and fervency that are essential for effective prayer. However, without the proper dynamics of prayer working to produce spiritual power in a person's life, the positive effects of the discipline of proper mechanics are nullified. Such is also the case with the contents of prayer. If one's prayers don't include the essential contents, effectiveness or power will be greatly diluted.

Effective Prayers Rev. Robert Antwi, 2012-09. Many prayers go without answered so I decided to seek the face of God to know how Christians will be able to get their prayers answered. Since I became a Christian in August 1984, I have seen most of my prayers answered in a very special way, so I would like to share with you some of the secrets I learned in getting my prayers answered. Our God is a prayer answering God. First, we must have faith in God and trust that He is prepared to answer when we call on Him. But without faith, it is impossible to please Him, for he that cometh to God must believe that He is, and that He is a rewarder of them that diligently seek Him. Heb 11:6. Prayer is diligently seeking the face of God, so if we are going to pray, then we should believe that God is going to listen and answer our prayer.

[The 100 Most Powerful Prayers for Success](#) Toby Peterson, 2017-04-10. Audio Version is Now Available with Audible Exclusive Offer. Today includes 2 amazing bonus books: *The 100 Most Powerful Prayers for Money* and *The 100 Most Powerful Prayers for Happiness*. You will not achieve fulfillment and happiness until you allow God to be the architect of your reality. Imagine that with a few moments each day you could begin the powerful transformation toward complete control of your own life and well-being through prayer. You will be able to release all fear and doubt simply because you know that God gives you the strength. You can utilize this simple, proven technique to regain the lost comforts of joy, love, and fulfillment in your life. God's gift of life is too short to be exhausted on thousands of everyday anxieties and fears. Sadly, the average person will get to the end of their life and realize that more than half of it was spent struggling with these kinds of problems. Because they didn't know what to do, many of these people never found any satisfaction in life. You can and will become bigger than those struggles by enhancing the positive energy that God already has flowing within you. You are exactly who you think you are, and it's up to you to create those thoughts and manifest them as God's creation. No more lack of faith, motivation, and feelings of doubt in your life. No person can find happiness in an environment beyond his or her control. But you can get up, get out, and take control with God. Get what you want and desire from the world like millions of others around the globe using prayer. You are already blessed with the power to assert your own perceptions and transform your thoughts and desires into reality. By using prayer daily, you will unlock that natural potential that God placed inside of you. Prayer starts by creating a cycle of continuous prayers. You must believe and repeat these declarations and prayers each day. If the thoughts and ideas that we affirm are not true in reality, a dynamic tension is created between your perceived reality and your psyche. This presence of dynamic tension causes imbalance between your psyche and perceived reality. Your consciousness will work to get back in tune with the God's vision of the universe to resolve the tension. There are two simple ways to ease this tension. You must work with God's creation in order to make your declarations become true, or you must stop the prayer. As you choose to

continue praying your mind and body will seek to balance this inequality with the universe by transforming your environment to match your declarations of truth Sooner than later you will find yourself taking positive and decisive action that you never imagined possible as your perceptions naturally align with your true reality If you want to see positive change now you ll find the quickest path to fulfillment with prayer through God s love There is no time to spend on loss negativity and defeat when you can be achieving tangible historically proven results with minimum time and effort invested There is no limit to changes that God can make in your life through the power of creating truth with prayer Read This Book To Change Your Life Today Also available in Audiobook Ebook Format **Prayer** Toby Peterson, 2017-08-11 Exclusive Offer Now Includes 5 Amazing Bonus Titles 4 More Titles of 100 Most Powerful Prayers Plus Full Length Title Conscious Visualization You will not achieve fulfillment and happiness until you allow God to be the architect of your reality Imagine that with a few moments each day you could begin the powerful transformation toward complete control of your own life and well being through prayer You will be able to release all fear and doubt simply because you know that God gives you the strength You can utilize this simple proven technique to regain the lost comforts of joy love and fulfillment in your life God s gift of life is too short to be exhausted on thousands of everyday anxieties and fears Sadly the average person will get to the end of their life and realize that more than half of it was spent struggling with these kinds of problems Because they didn t know what to do many of these people never found any satisfaction in life You can and will become bigger than those struggles by enhancing the positive energy that God already has flowing within you You are exactly who you think you are and it s up to you to create those thoughts and manifest them as God s creation No more lack of faith motivation and feelings of doubt in your life No person can find happiness in an environment beyond his or her control But you can get up get out and take control with God Get what you want and desire from the world like millions of others around the globe using prayer You are already blessed with the power to assert your own perceptions and transform your thoughts and desires into reality By using prayer daily you will unlock that natural potential that God placed inside of you Prayer starts by creating a cycle of continuous prayers You must believe and repeat these declarations and prayers each day If the thoughts and ideas that we affirm are not true in reality a dynamic tension is created between your perceived reality and your psyche This presence of dynamic tension causes imbalance between your psyche and perceived reality Your consciousness will work to get back in tune with the God s vision of the universe to resolve the tension There are two simple ways to ease this tension You must work with God s creation in order to make your declarations become true or you must stop the prayer As you choose to continue praying your mind and body will seek to balance this inequality with the universe by transforming your environment to match your declarations of truth Sooner than later you will find yourself taking positive and decisive action that you never imagined possible as your perceptions naturally align with your true reality If you want to see positive change now you ll find the quickest path to fulfillment with prayer through God s love There is no time to spend on loss negativity and defeat when you can be achieving
