**Ego and Archetype** Edward F. Edinger, 2017-02-28 A medical psychiatrist and founding member of the Jung Foundation explores a pivotal part of analytical psychology encountering the self through individuation This book is about the individual's journey to psychological wholeness known in analytical psychology as the process of individuation Edward Edinger traces the stages in this process and relates them to the search for meaning through encounters with symbolism in religion myth dreams and art For contemporary men and women Edinger believes the encounter with the self is equivalent to the discovery of God The result of the dialogue between the ego and the archetypal image of God is an experience that dramatically changes the individual's worldview and makes possible a new and more meaningful way of life Ego and Archetype

Edward F. Edinger, 1973 **Ego & Archetype** Edward F. Edinger, 1992 **Summary of Edward F. Edinger's Ego and Archetype** Everest Media, 2022-05-09T22:59:00Z Please note This is a companion version second half of life ego Self reunion 3 The diagrams represent progressive stages of ego Self separation appearing in the course of psychological development The shaded areas designate the residual ego Self identity The line connecting the ego center with the Self center represents the ego Self axis which is the vital connecting link between the two 4 The process by which these developmental stages unfold is an alternating cycle that is represented in the diagram Figure 5 p 41 As this cycle repeats itself throughout psychic development it brings about a progressive differentiation of the ego and the Self *Ego and Archetype Individualization and the Religious Function of the Psyche* Edward F.
