

Egon Schiele 27 Masterworks

Wolfgang Guggemos

Egon Schiele 27 Masterworks:

Egon Schiele Jane Kallir, Egon Schiele, 1996 Egon Schiele 27 Masterworks brings together a group of the artist's most significant works including a cross section of his major paintings and many of his most beautiful watercolors and drawings. A thorough overview of the oils enables the reader to understand the artist's overriding creative ambitions but it is in his works on paper that Schiele truly stands out. As evidenced by the numerous oversize and superbly printed reproductions in this book Schiele deserves to be counted among the foremost draftsmen of all time ranking alongside Albrecht Dürer and Hans Holbein. Egon Schiele 27 Masterworks follows the entire trajectory of the artist's career beginning with his early Gustav Klimt influenced paintings and his startling Expressionist breakthrough in 1910 at the tender age of 20 to his more serene late works completed shortly before his untimely death at the age of 28. **BOOK JACKET Title Summary** field provided by Blackwell North America Inc. All Rights Reserved *Egon Schiele* Jane Kallir, 1996 London Magazine John Lehmann, Alan Ross, 1996 London Magazine, 1996 **The Publishers Weekly**, 1996 **Ilusionismo verbal en Elogio de la madrastra y Los cuadernos de don Rigoberto de Mario Vargas Llosa** Guadalupe Martí-Peña, 2014 Entre los múltiples modos de acercarse a un autor tan polifacético y prolífico como el escritor peruano Mario Vargas Llosa quien ganó el premio Nobel de 2010 Guadalupe Martí-Peña ha elegido ver al novelista como ilusionista. Estudia ese mundo de fantasmas y ensueños ese campo de guerra aparentemente inofensivo donde la literatura, el teatro y la pintura se alían con el escritor, el soador y el ilusionista para derrocar la realidad. Centrándose en *Elogio de la madrastra* y *Los cuadernos de don Rigoberto* así como el efecto de la ilusión en el proceso de la lectura arguye que Vargas Llosa hace uso de patrones teatrales pictóricos y místicos para hacernos experimentar lo irreal como real, el sueño como realidad y la magia de la ficción como un acto que nos otorga poder. Con base a los estudios interartísticos la semítica y las teorías de la recepción analiza cómo estos textos producen en los lectores la triple ilusión de presenciar una obra dramática, contemplar un cuadro o entrever una conversación mística. El primer capítulo del libro se concentra en la teatralidad que anima ambos textos. Partiendo de las teorías sobre la recepción y la semítica teatral Martí-Peña investiga el modo en que el autor transforma la narración en actuación, la ficción en performance y el leer en ver haciendo que los lectores experimenten la palabra escrita como una representación viva ante sus ojos. En el segundo reflexiona sobre la función que desempeña la pintura en la materialización de los deseos e ilusiones de los personajes. Combinando estética pictórica y narración y bajo el lente de las teorías sobre la relación imagen-texto examina las distintas funciones que desempeñan los cuadros dentro del sistema lingüístico donde operan. En el último capítulo compara los escritos de Rigoberto con la escritura de autoexamen que Michel Foucault describe en *La escritura de sí mismo*. Mientras que el asceta trata de transformar su vida en una obra de perfección moral alejando de sí las ilusiones Rigoberto trata de transformar su existencia en una obra de arte congregando fantasmas eróticas. Ambos textos encapsulan el principal ingrediente activo en la escritura de Vargas Llosa: la ficción no es sumisión ante la vida sino por el contrario insurrección contra ella. El ilusionismo verbal se

convierte en la tctica ms eficaz para llevar a cabo tal rebeli n Among the multiple approaches to be taken on an author as multifaceted and prolific as the recent Nobel Laureate Peruvian writer Mario Vargas Llosa Guadalupe Mart Pe a has chosen to look at the novelist as an illusionist She studies this land of fantasies and daydreams that seemingly harmless battlefield where literature theater and painting contend and join together with the writer the dreamer and the illusionist to oust reality Focusing on *Elogio de la madrastra* and *Los cuadernos de don Rigoberto* and the effect of illusion on the reading process she argues that by referring to theatrical pictorial and mystical patterns Vargas Llosa entices us to experience along with his characters the unreal as real the dream as reality the magic of fiction as an empowering act The book looks first at the theatricality and theatrics that enliven both texts In the light of reader spectator response theories and theater semiotics Mart Pe a shows how the novelist turns narrating into acting fiction into performance and reading into seeing She next reflects upon the role that painting plays in the materialization of the characters desires and illusions By funneling pictorial aesthetics through the prism of narration and by engaging with theory concerned with issues of text image interrelations she examines the various functions paintings play within the linguistic system Finally she compares Rigoberto s writing exercises to the writings of self examination described by Michel Foucault in *L critique de soi* Both texts encapsulate the main active ingredient in all of Vargas Llosa s writings that fiction is not a submission to life but rather an insurrection against it Verbal illusionism becomes the most efficient tactic to carry out such a rebellion The text of this book is in Spanish [Egon Schiele](#) Egon Schiele,2003 [Who's Who of American Women 2004-2005](#) Inc.
