**Vanishing Vienna** Frances Tanzer,2024-05-14 In Vanishing Vienna historian Frances Tanzer traces the reconstruction of Viennese culture from the 1938 German annexation through the early 1960s The book reveals continuity in Vienna's cultural history across this period and a framework for interpreting Viennese culture that relies on antisemitism philosemitism and a related discourse of Jewish presence and absence This observation demands a new chronology of cultural reconstruction that links the Nazi and postwar years and a new geography that includes the history of refugees from Nazi Vienna Rather than presenting the Nazi exile and postwar periods as discrete chapters of Vienna's history Tanzer argues that they are part of a continuous spectrum of cultural evolution the result of which was the creation of a coherent Austrian identity and culture that emerged by the 1950s As she shows antisemitism and philosemitism were not contradictory forces in post Nazi Austrian culture They were deeply interconnected aspirations in a city where nostalgia for the past dominated cultural reconstruction efforts and supported seemingly contradictory impulses Viennese nostalgia at times concealed the perpetuation of antisemitic fantasies of the city without Jews At the same time the postwar desire to return to a pre Nazi past relied upon notions of Austrian culture that Austrian Jews perfected in exile as well as on the symbolic remigration of a mostly imagined Jewish culture now taxed with redeeming Austria in the aftermath of the Holocaust From this perspective philosemitism is much more than a simple inversion of antisemitism instead Tanzer argues philosemitism problematic as it may be defines Vienna in the era of postwar

reconstruction In this way *Vanishing Vienna* uncovers a rarely discussed phenomenon of the aftermath of the Holocaust a society that consumes redefines and bestows symbolic meaning on the victims in their absence *Review of the Repatriation of Holocaust Art Assets in the United States* United States. Congress. House. Committee on Financial Services. Subcommittee on Domestic and International Monetary Policy, Trade, and Technology, 2007 **Remaking Central Europe** Peter Becker, Natasha Wheatley, 2020 In the past few decades the understanding of the relationship between nations has undergone a radical transformation The role of the traditional nation state is diminishing along with many of the traditional vocabularies which were once used to describe what has been called ever since Jeremy Bentham coined the phrase in 1780 international law The older boundaries between states are growing ever more fluid new conceptions and new languages have emerged which are slowly coming to replace the image of a world of sovereign independent nation states that has dominated the study of international relations since the early nineteenth century This redefinition of the international arena demands a new understanding of classical and contemporary questions in international and legal theories It is the editors conviction that the best way to achieve this is by bridging the traditional divide between international legal theory intellectual history and legal and political history The aim of the series therefore is to provide a forum for historical studies from classical antiquity to the twenty first century that are theoretically informed and for philosophical work that is historically conscious in the hope that a new vision of the rapidly evolving international world its past and its possible future any emerge Book jacket *The Virtual Liturgy and Ritual Artifacts in Medieval and Early Modern Studies* Katharine Scherff, 2023-03-03 Examining the history of altar decorations this study of the visual liturgy grapples with many of the previous theoretical frameworks to reveal the evolution and function of these ritual objects Using an interdisciplinary approach this book uses traditional art historical methodologies and media technology theory to reexamine ritual objects Previous analysis has not considered the in between nature of these objects as deliberate and virtual conduits to the divine The liturgy the altarpiece the altar environment relics and their reliquaries are media In a series of case studies several objects tell a different story about culture and society in medieval Europe In essence they reveal that media and media technologies generate and modulate the individual and collective structure of feelings of sacredness among assemblages of humans and nonhumans The book will be of interest to scholars working in art history medieval studies early modern studies and architectural history *American Bookseller*, 1984 *"Textiles, Fashion, and Design Reform in Austria-Hungary Before the First World War"* Rebecca Houze, 2017-07-05 Filling a critical gap in Vienna 1900 studies this book offers a new reading of fin de siècle culture in the Austro Hungarian Monarchy by looking at the unusual and widespread preoccupation with embroidery fabrics clothing and fashion both literally and metaphorically The author resurrects lesser known critics practitioners and curators from obscurity while also discussing the textile interests of better known figures notably Gottfried Semper and Alois Riegl Spanning the 50 year life of the Dual Monarchy this study uncovers new territory in the history of art history insists on the crucial place of

women within modernism and broadens the cultural history of Habsburg Central Europe by revealing the complex relationships among art history women and Austria Hungary Rebecca Houze surveys a wide range of materials from craft and folk art to industrial design and includes overlooked sources from fashion magazines to World s Fair maps from exhibition catalogues to museum lectures from feminist journals to ethnographic collections Restoring women to their place at the intersection of intellectual and artistic debates of the time this book weaves together discourses of the academic scientific and commercial design communities with middle class life as expressed through popular culture Michelangelo's Vatican Pietà and its Afterlives Lisa M. Rafanelli,2022-12-30 This book offers a fresh perspective on Michelangelo s well known masterpiece the Vatican Piet by tracing the shifting meaning of the work of art over time Lisa M Rafanelli chronicles the object history of the Vatican Piet and the active role played by its many reproductions The sculpture has been on continuous view for over 500 years during which time its cultural theological and artistic significance has shifted Equally important is the fact that over its long life it has been relocated numerous times and has also been reproduced in images and objects produced both during Michelangelo s lifetime and long after described here as artistic progeny large scale unique sculpted variants smaller scale statuettes plaster and bronze casts and engraved prints The book will be of interest to scholars working in art history Renaissance studies early modern studies religion Christianity and theology *The Pictures Generation at Hallwalls* Vera Dika,2023-06-16 In this book Vera Dika rewrites the story of the Pictures Generation from the perspective of the Hallwalls Contemporary Arts Center in Buffalo NY Her work is based on interviews with living artists archival research and personal collections including films videotapes and sound recordings At once aesthetic cultural and political this renewed perspective asks new questions and rewrites past assumptions about the artists work The legendary members of the East Coast Pictures Generation emerged at Hallwalls Contemporary Art Center in Buffalo in the mid 1970s These young people had started Hallwalls an artist run organization that invited artists from a variety of mediums to show their work It also featured productions by the founding members themselves Robert Longo Charles Clough Cindy Sherman Nancy Dwyer and Michael Zwack The works discussed in the volume include performance video films painting music and literature and have been chosen because of the way they foreground states of the body in relationship to conditions of their medium As a distinguishing feature of Hallwalls artists work the practice uses these traces to make metaphors on the process of mechanical reproduction itself The Hallwalls artists work also gives testament to Buffalo and to New York City the cities that formed their historical contexts This book will be of interest to scholars working in art history performance studies film studies and gender studies Library of Congress Catalogs Library of Congress,1982 *Directory of Web Sites* Graham Bennett,1999 Overloaded with the mass of information on the Internet Frustrated by how difficult it is to find what you really want Now you don t need to spend hours browsing around the Internet or grappling with the huge number of hits from an Internet search engine the Directory of Web Sites will take you straight to the best educational sites on the Internet From
